WHY CHOOSE HINGED FRENCHWOOD PATIO DOORS?

- **SIMPLE OPERATION** - Adjustable hinges with ball-bearing pivots for smooth, frictionless movement, and climate-neutral performance mean easy operation, even in the toughest environments.
- **CONVENIENCE** - Doors feature a glass-fiber reinforced composite exterior for durability and minimal maintenance. A between-the-glass blinds option is available for added privacy.
- **PEACE OF MIND** - Solid, secure construction with a five-point locking system offers an added level of security.
- **COMFORT** - Continuous weather-stripping and interlocking design features help keep your home draft-free and provide energy saving.
- **VERSATILITY** - Available as inswing or outswing and in single and multi-panel configurations, as well as custom sizes. Stainable oak, maple, pine, or a prefinished white interior. Multiple grille, color, and hardware options allow customization to match almost any style.

5 ★★★★★ **MELISSA B** FROM MINNEAPOLIS, MN *May 19, 2025*

Eunice, Connor, and everyone else Ive dealt with have been great. The first Install crew in my December job was better than my second Install crew from a personality and friendliness factor, but the second Install crew from the current job got more friendly throughout the day.
