Hello. I'm Dr. Richard Gerhauser, M.D.

Let me ask you something… **man to man**…

Have you noticed that young men in America are a little… different… than when we grew up?

I want you to think back to the 1950s and 1960s… even the '70s…

Think about what younger men looked like back then…

It was probably a lot like this, right?

Or this…

Or this?

I think we can both agree that something feels *different* about today's millennial men…

These namby-pambies sip "skinny lattes" …

They wear their girlfriend's jeans…

They even carry around tiny dogs tucked into their *handbags*…

But that's not all…

FACT: The male makeup and "beauty industry" is absolutely BOOMING at $21 billion… *Yes, makeup for men.* And…

FACT: OVER half of millennial men think "masculinity" is a dirty word

These are the same "men" who would be lost trying to change a tire…

Let alone face going to war.

No doubt you've shaken your head and thought, "*What the hell is going on in America today?*"

You're right to question it.

True masculinity in America *IS* disappearing before our eyes…

And we might be tempted to blame coddling parents…

Or a society that has gone **soft**…

But that's not it.

What if I told you these millennial men may be a SYMPTOM of a manhood-destroying epidemic that's taking over our country?

Millennials are THE WORST generation I've seen affected…

*But if you're over 55, I have bad news for **you** as well.*

Yes, you're more of a man than any skinny jean-wearing millennial could ever be…

But the same manhood-destroying epidemic that's turning our young men into, well, these guys…

May ALSO have a **devastating effect** on American men over 55…

Eroding their muscle fibers, making them saggy and weak…

Deflating their ability to perform in the bedroom…

And zapping their energy.

Let me be clear: No one is immune.

In a moment, I'll share all the details you need to know about this **NEW manhood-destroying epidemic**…

And I'll show you the smoking gun studies that reveal one HIDDEN reason…

Older guys are losing their masculinity…

…**their strength and energy**…

…**and their ability to fully satisfy their wives**.

This is something **your doctor probably hasn't mentioned before**. (I'll explain why in a second…)

And none of it is your fault.

Most importantly…

It also does NOT have to be your story.

In the next few minutes of this presentation,

I'll show you EVERY detail on this manhood-destroying epidemic

To help REGAIN your arm and chest strength…

*…so you can lift **more weight** in just a few short weeks.*

To help effortlessly ERASE the fat on your stomach…

…so you'll need to tighten your belt – or even buy new pants.

And – most importantly – how to help restore your manhood to its full glory.

Ok – first, let's take a deeper look at this new epidemic…

That could be causing these tell-tale symptoms…

- Plummeting **energy levels**
- Excess weight around the stomach
- Dreaded "man boobs" or sagging fat on the chest
- Less interest in sex
- Smaller or softer erections
- Weaker muscles

It doesn't have to be this way.

Almost **ALL** of my male patients over 55 are experiencing these symptoms.

But here's the most important thing…

If you've been told "Look, that's just normal aging. *It happens to EVERY MAN.*"…I've got HUGE news.

Scientifically speaking, this doesn't have to happen.

No matter what your doctor may have told you, *as long as you're under the age of 90…*

…you don't have to accept this **physical wasting**.

Not at all.

And there's still time for you to get the full story on **this sneaky epidemic**…

…and **learn my secrets for how to look and feel the best** *you have in decades*.

Look – how you feel today is **NOT** who you're meant to be.

You became a man through **blood and sweat**…

…with skinned knuckles… *a beer after a hard day's work…*

And a **brunette** leaning in close at the bar.

Being that man again is **YOUR RIGHT**.

You deserve it.

You've EARNED it.

Today, you're going to **have the opportunity to get all the help you need to reclaim it…**

Because I'm about to reveal something **you won't see anywhere else**…

I'm going to show you how this "senior male wasting" epidemic across America may be linked to dangerous chemicals – called TFCs – *found in many household products you use every single day*

No one is talking about it.

Your doctor may not even KNOW this new research exists.

Because this is brand new science – *and I'm exposing the whole truth today…*

If you want the whole story on this "manhood **decline**"…

And get back to being the man you **deserve** to be, *keep watching now.*

I'm about to reveal how, 40 years ago, an industrial plastics byproduct called **TFCs** began being used in consumer packaging…

And spread out of control.

You're likely exposed to these TFC chemicals every single day. We ALL are.

They're even in the shampoos and soaps you use all over your body in the shower…

They're impossible to avoid.

So let me be 100% clear on this fact…

I believe the introduction of **TFCs** into American consumer plastics in the 1980s…

Is one of the reasons American men are losing masculinity.

So if you're **over 55** *(and as old as 89)…*

And you're worried about feeling weak, tired, flabby, and impotent long before your time.

You need to know about this hidden culprit.

I'll even show you **the smoking gun proof** in a moment from now…

Because this shocking development has been confirmed in **a major independent study** by the prestigious New England Research Institute.

And in case you're wondering…

Everything I'll tell you about manhood decline and *reclaiming your manhood*…I'm giving away FREE today when you take advantage of this incredible opportunity

I'll explain how in just a moment…

I'm not trying to sell you "enhancement" pills… or any kind of weird pumps, patches, or devices.

This has NOTHING to do with anything like that.

I'm a doctor.

And I have been for more than 37 years.

The insights I have to show you are based on **science that works with the natural biology of your body.**

I'll show you how TFCs in consumer plastic goods you use every day…

DR. RICHARD GERHAUSER

Dr. Richard Gerhauser, M.D. is one of the most innovative minds in medicine today. In addition to being a board-certified medical doctor, Dr. Gerhauser has earned two master's degrees and has served as a clinical assistant professor at the University of Arizona. He spent more than a decade as a private physician at the exclusive Canyon Ranch medical facility and currently runs a private practice in Tucson, Arizona.

Could be **devastating your strength, energy, sex drive**, *and everything that makes you a MAN.*

I also want to show you my findings on **the emasculating effects of TFCs**…

And exciting information on ways to dramatically BOOST God-given testosterone…

NATURALLY increasing manhood, REVIVING sex drive and the ability to achieve a ROCK-SOLID erection.

Plus…

…**restoring the strength in your arms, back, and legs**…

…replacing the soft flab on your stomach and chest with **lean muscle**…

And even **sharpening your memory and your mind**…

This could mean virtually **REWINDING your biological clock!**

How do I know for sure?

Because I have used it myself – and I'll share **EXACTLY how it worked for me**.

As I mentioned, my name is **Dr. Richard Gerhauser, M.D**.

I'm 66 years old and I still run a busy medical clinic in Tucson, Arizona.

I'm a board-certified doctor who **specializes in men's health issues**.

I also hold **2 Master's Degrees in medicine** – and I've taught about men's health at the University of Arizona.

I've even guided **celebrities and professional athletes** to regain their perfect health at the world-famous Canyon Ranch medical center.

About 10 years ago, I thought it was over for me

You see, in *my* early 50s… *I suddenly felt my youth* ***disappear***…

I could no longer jog or even hike, *because I'd feel short of breath*…

Soon… I was so weak and exhausted **I could barely get out of bed**.

"Is this it?" I wondered. "**Am I getting old**?"

But I didn't want to give up.

I knew from my medical training that a man – *biologically* – should be able to remain strong, sexually active, and energetic well into his 80s.

Fortunately, as a doctor, I have access to **exclusive medical research**…

So I made it **my personal mission** to discover the REAL reason I was feeling like this…

And why so many of my male patients seemed to be growing **frail and weak** *long before their time*…

It took years of research, but one day… in a little-known study out of the University of Exeter in England…

I found it.

I had uncovered something that most people – *even most doctors* – are completely missing

That something in our modern environment could be hurting men… *changing men*…

Taking them from the **dominant alpha males** of their youth…

And transforming them into weak, cloudy, frail old men…

Men who have **almost no interest in sex**…

And who now have smaller, softer erections…

In short…

Something in our country might be FEMINIZING men

And it's an absolute epidemic.

No one is talking about TFCs.

But I'm about to kick down the door and tell you everything you need to know in this short presentation.

I'll take you inside **the shocking studies**…

Show you **the horrifying results** that you won't find in the mainstream medical journals…

Plus, you'll see a jaw-dropping reason that may explain **why YOUR doctor has never mentioned it before**…

And you'll see **my tried-and-true insights** to naturally fight the TFC damage -- starting today.

So let's get started now…

I'm sure you know what **testosterone** is…

It's the "masculine hormone" that gives us strength, energy, and sexual potency…

And that brings us to a scary new fact…

In America today, **testosterone is DISAPPEARING**.

In fact, a study at The New England Research Institute found that…

TESTOSTERONE in America is plummeting 1% EVERY YEAR

And that study was done back in **1987**.

Let that sink in…

Since this research was published, total American masculinity has been freefalling **32%**.

At this rate, testosterone will be virtually EXTINCT by 2078.

And the respected journal *Human Reproduction Update* agrees…

They've also discovered this horrifying fact:

Male sperm counts have TAKEN AN ABSOLUTE NOSEDIVE – dropping 59% over the last 40 years

Do the math… and sperm counts will be **0% by 2079 if this rate keeps up**.

Friend, these are 2 major independent studies we're talking about…

So how did they BOTH get such terrifying results?

It's because it's not coincidence…

And even though we probably won't be around to see the 2070s…

Plummeting masculinity may already be wreaking havoc on our bodies.

You see "masculinity" – scientifically speaking – is the result of **testosterone**.

Your body NEEDS lots of testosterone to make you a man.

Without enough testosterone, *your body starts acting a lot more like a woman's body!*

In fact, as a man over the age of 55, THIS nationwide testosterone crisis could be the *direct* cause of…

…stubborn fat around the midsection or chest…

…shrinking muscles, and strength that declines year after year…

…an empty energy tank, keeping you from getting the most out of your days…

…worries about erections "standing at attention" on command…

All of this depends on your testosterone levels.

But let me be repeat myself… **NONE of this is your fault.**

No one has told you about the epidemic that could be stealing your manhood AND destroying your sex life

As I said before, most doctors still chalk it up to "normal aging"…

But I believe one of the major culprits of this "male wasting" crisis…

Is TFCs.

TFCs are "**Toxic Feminizing Chemicals**"…

And I'm about to expose how TFCs are ALL around us.

But that's not all…

Once you understand what TFCs really are and how they may have been stealing your masculinity for DECADES…

I'll share the other **life-changing discovery** I have for you today…

My own insights on how you could **fight the damage and reclaim your manhood.**

Which could mean…

- **A more impressive penis…**
- **STRONGER erections…**
- **MORE weight loss**– in just a few weeks, you can trade in fat and replace it with strong, lean muscle…
- **Plus, SKYROCKETING strength and energy**

All because…

You'll have all the intel on the effects of the Toxic Feminizing Chemicals…

And know how to create MORE natural testosterone pulsing through your body.

Let me be clear…

This isn't hype… or one of those "get big quick" schemes that overpromise and underdeliver.

I'm going to share the natural key to help restore your STOLEN manhood – the testosterone you *should have* right now

You just have to know **HOW** to make it happen.

Today I'll reveal how to get the full story right here in this presentation – FREE when you take advantage of this exclusive opportunity.

It's the same system I use for myself… *and has worked for thousands of my male patients for years*…

So stay right here and I'll show you how…

As one of America's top natural anti-aging experts for men…

I'm putting my career on the line today to bring you this manhood information.

The medical mainstream would rather tell you these changes are "*totally NORMAL for an older man*."

They'd tell you to just ***accept it***…

Other doctors might even suggest pills, injections, diets, and other "therapies" to increase your testosterone.

That's the cheap band-aid work of the medical mainstream.

But, believe me, it never actually solves the problem.

That's why you need to see **this groundbreaking new research that confirms what I've known for *years…***

In fact, I've recommended it for more than a decade in my own clinic.

And thousands of my thrilled patients –AND their wives – report it's the ONLY thing that's delivered DRAMATIC results

Plus, **I've seen it work – firsthand.**

As I told you earlier, 10 years ago I could barely get my behind out of bed.

I had no strength or energy… *I felt dull and weak.*

I felt OLD.

But with the **complete male-restoration system** I discovered through my research…

Today – **at 66 years old**…

I can beat my 24-year-old son, a former college athlete, in a foot race… ***uphill***…

Every year I hike into the Colorado wilderness, sleeping at freezing altitude under the stars…

…**in order to track and hunt a wild elk**.

Then I carry **50 pounds of meat** out of the wilderness *on my back*…

It usually takes me about **4 roundtrips into the backcountry** to haul out all the meat.

I have so much energy… *so much stamina*…

And I feel as sharp, strong, and lean as I did in my 30s.

All it takes are a few easy tips – *the same ones I share with my male patients at my clinic.*

I feel confident I can help ANY man over the age of 55 restore his FULL manhood, giving you back your teenage libido – with the "juice" to have sex as many times a day as you feel like…

Plus, help **melt away extra fat** and build lean muscles without killing yourself at the gym…

And deliver a **240V current of energy** from sunrise through supper to check EVERYTHING off your to-do list.

Friend, if you've been worried about heading downhill for a couple years…

Or even a decade (or longer)…

Whether you're 55, 62, 77, *or older*…

I guarantee you'll want to know ALL the details I'm sharing today.

Because this target **Toxic Feminizing Chemicals (TFCs)** – and the results could be **life-changing**.

Because they target **Toxic Feminizing Chemicals (TFCs)** – and the results could be ***life-changing***.

Let me show you exactly why TFCs are such **a danger for men like us**…

You see, as I researched my own "male decline" *I noticed something strange*…

Right around the time masculinity began plummeting in the 80s, American manufacturing was BOOMING

Things were being made cheaper and cheaper, and more companies wanted to drive down their production line costs to be competitive.

One particular chemical was created to harden plastic … cutting costs *by a whopping 70%* and sending profits soaring.

But its invention ALSO created **an unexpected byproduct**…

Something brand new… and, for men, *an absolute disaster*…

TFCs. (Also known as **the first estrogen mutant.**)

Yes, **estrogen** – the FEMALE hormone.

Now if you were to compare the TFCs side by side against regular old estrogen, their chemical makeup is almost **identical**, so they behave **exactly like female estrogen** in your body…

And by 1980, TFCs were EVERYWHERE.

I'm talking soup cans, soda bottles, cash register receipts, tooth brushes, eyeglasses…

Everywhere.

TFCs became unavoidable, flooding men's bodies with fake female hormones

So… since the 1980s…

Every time you **cracked open an ice-cold beer**…

Or drank a bottled water or soda…

Every time you put on your **favorite vinyl record**…

…washed your car…

Or took a shower…

…and ***went about your daily routine***…

The estrogen mutant chemical "TFC" was there.

And that's a huge problem.

Once inside the body, mutant estrogens – the TFCs – *do the unthinkable*: **they absolutely destroy testosterone**.

When TFCs enter the body…

Like heat-seeking missiles, they find and convert any testosterone in their path *to estrogen*…

Let me repeat that…

These estrogen *imposters* turn male hormones into female hormones faster than your body can react and stop it

What does that mean?

Well, soon it becomes a losing battle at testosterone's expense.

So just like when you pull the tub stopper after a long bath:

Testosterone is slowly drained out of your body at the hands of the mutant estrogens, the TFCs.

And after fighting DECADES of these estrogen mutant attacks, I see the same "fallout" with nearly every guy over 55…

- **A belly hanging over your belt**that won't shrink no matter how many calories you count
- **Having 2, 3, or even 4 cups of coffee a day**and still feeling sluggish
- **Struggling to lift things**that you once could toss over your shoulder like a sack of feathers
- And the worst part? When your wife wants to get intimate, **you can't "be ready" on command**…

If you're worried about ANY of these warning signs creeping in…

Don't worry, *you're very far from alone*…

Because these estrogen mutants can rob EVERY red-blooded man in America.

There's no mistake… **TFCs are to blame.**

Turning our mighty "Redwoods" into "Crepe Myrtles"…

Making American men, biologically speaking, ***closer to women.***

And here's the most shameful part…

Our own government KNEW all about it.

And they've done nothing to stop it.

In fact, our own National Institutes of Health conducted a massive study and discovered…

93% of Americans have these "feminizing mutant" TFCs in our bodies

So where were the breaking news bulletins?

The front page headlines?

The urgent press releases?

They didn't do a DARN thing about it.

Why?

You guessed it… money.

Once scientists saw the havoc these mutants were causing… they *tried* to sound the alarm.

(And this was all the way back in 1987).

Scientific studies showed that TFCs could SHRINK male genitals

And if that's not scary enough, there's even more scientific proof they're causing bizarre testicular growths…

…destroying fertility…

And other side-effects too graphic to show you here…

TFC damage has even been labeled, **"the most important public health issue of our time."**

And it's been described as, **"an unplanned science experiment we're doing on our families."**

But the most damning proof of all comes from Andrew Pask, who leads a male reproduction research team at Melbourne University:

"Exposure to these chemicals is the No.1 issue for men"

Friend, **these are DIRECT quotes from scientific experts.**

So why is no one else talking about it?

Why hasn't your doctor told you about how TFCs are robbing your manhood…

And ruining your golden years?

The truth is – the studies were lost decades ago…

So he has no idea how devastating TFCs really are.

But other countries around the world know the truth…

China, Canada, England, Germany, and the *entire* European Union have already made it illegal to use these chemicals in any product that comes into contact with food

But here in America, the greatest country in the world…

TFCs are still in more than HALF of the products you use every day.

In fact, manufacturers **don't even have to tell us** that TFCs are in the products you're bringing into your home.

TFCs are in beer cans, coffee pots, canned food, water bottles, cell phones, computers, food containers … *the list goes on and on*

Scientists call TFCs the **"everywhere chemicals"** because you simply can't avoid them…

Even if you lived in an underground bunker…

You'd ***still*** be exposed to manhood-shrinking TFCs.

They're that widespread in America.

It's so shocking – *and outrageous*…

But it ends **TODAY**.

So, right now…

I'll give you all my secrets on how to FIGHT the TFC damage in your body, and BOOST your manhood, naturally.

These are the same secrets I have used myself and shared with 5,000 of my male patients…

It's called my AlphaPrime System – and, for the first time ever, I'm sharing all the details on how you can get your hands on it for FREE today

Full details on that in just a moment.

Let me be clear…

This is NOT testosterone therapy, an "enlarger" pump, injections, snake oil supplements, or Viagra…

My AlphaPrime System is completely different…

Because it shares science-backed research aimed at **the root cause of your stolen manhood**…

…and ***the truth about*** Toxic Feminizing Chemicals already in you.

Plus, why every man needs **potent NEW testosterone to start** flooding your body…

Pumping up your muscles, memory, AND your member.

It's the PERFECT combination of groundbreaking information…

So you can safely enjoy a **full, manhood rejuvenation.**

*Are you ready for your body to feel **YOUNG again**?*

Then let's get started with Step 1.

And it starts with the truth you now know.

"Toxic Feminizing Chemicals" are ruining American men's lives…

Shrinking your muscles and manhood…

And **stealing every last shred of what makes you a red-blooded man.**

And – thank God – we finally understand how TFCs work way down at the cellular level…

And what to do about them.

So, in STEP 1 of my AlphaPrime System…

You can learn how to STOP mutant estrogen TFCs dead in their tracks…

That's right…

As soon as this system is in your hands… you'll see just how easy it is to transform your body BACK to its youthful, powerful state.

Let me explain how…

Picture this:

You're in a rowboat, out in the middle of a lake, *reeling in a HUGE bass*…

…when you notice your boat has sprung a leak…

And is now quickly filling with lake water.

You have to act fast…

But what do you do first?

Grab a bucket and start bailing out the water?

Or plug the hole so more water can't get in?

You plug the hole, of course.

In other words, *you fix the root cause of the problem*.

Well, it's the same with your body…

Before you can restore your testosterone, you need **to secure your manhood.**

By that I mean: **STOP the TFCs from coming in and turning testosterone to female estrogen…**

Without this critical piece – **you may NEVER win the battle**.

It blows my mind that that SO MANY doctors miss this…

Instead, they'd rather shoot you up with loads of fake testosterone… which is a BIG mistake.

That's like choosing to bail water first!

It doesn't do a darn thing to stop the invading mutant estrogen.

Luckily, you could start protecting your testosterone AND stop invading TFCs with the first part of my AlphaPrime System…

The AlphaPrime System gives you solid research about a powerful male nutrient found in the strangest of places…
inside an indestructible WEED?

Just listen to this…

It's called "Japanese Armor Weed" – **and it's next to impossible to destroy.**

Botany experts even call it **the toughest thing** in the plant kingdom.

Seriously…

You have to smother it, poison it, cut it down, THEN dig up every single inch of its roots if you want it gone.

So why am I telling you all this?

Because while Armor Weed might be a nightmare in your vegetable garden…

It's a miracle for protecting testosterone from TFCs.

See, scientists have learned there's an **incredible male enzyme** found in the roots of this plant.

It's a type of antioxidant.

Yup, meaning it's just like Vitamin C **– *but Armor Weed is stronger. MUCH stronger.***

When Japanese Armor Weed comes into contact with TFCs, this Armor Weed enzyme acts like an impenetrable shield for your testosterone – blocking all that "fake estrogen" – on contact.

It turns out, that Armor Weed enzyme is what scientists call a powerful "**aromatase inhibitor**."

And "aromatase" is the scientific term for **the process that converts testosterone to estrogen…**

So by STOPPING that chemical process, **you stop losing testosterone**.

Even better… **your body LOVES Armor Weed**.

Since the special nutrient found in its roots is a potent antioxidant… your body absorbs it **fast**.

Let me repeat that…

Once you use the special nutrient from "Armor Weed," it starts working **quick** to help…

SHIELD testosterone from these estrogen-mimicking mutants.

And STOP them from turning man hormones into woman hormones.

There's more.

Armor Weed is so powerful it helps boosts healthy blood flow from head to toe, to your brain, your heart… even to generate bigger, harder erections

And once that happens… it'll only be a matter of days before you'll start noticing some pretty pleasant "side effects."

You may find that you feel less mentally "fuzzy" and more sharp…

Your annoying "senior moments" could be gone…

Or you'll realize you've stopped writing lists… and started doing faster math in your head…

You may even be able to physically push yourself to do all the things you didn't before…

Biking… mowing the lawn in one afternoon… *with nothing holding you back.*

Plus, won't it feel great knowing that your impressive, rock-hard erection is **100% all you**?

By simply learning how to block Toxic Feminizing Chemicals with the Armor Weed extract…

Testosterone can thrive – as naturally as it did in your 25-year-old heyday.

But there is one thing: **You must know where to find pure Armor Weed extract**…

How to get it…

And **how much you'll need** to take for maximum testosterone protection.

That's why I've written down everything you need to know and published it specifically for men over 55. I call it my *AlphaPrime Guidebook for Men*

I have to be honest, Amor Weed is very effective **all on its own.**

But my entire AlphaPrime System was designed for guys who are looking for a complete approach…

Especially since you're over the age of 55…

You've been exposed to these toxins for decades.

And lost most of your testosterone over time…

Remember, Step 1 of my AlphaPrime system was to **STOP "feminizing" TFCs in their tracks**…

But the 2nd step is to learn about FIGHTING the damage they've already done…

That's why I've included a 2nd proprietary secret in my AlphaPrime system that will tell you all about taking your manhood to a whole new level

So now that you've already seen how to STOP TFCs in their tracks…

How would you like to be able to lift an extra 45 pounds – *that's like hoisting 5 gallons of milk at the same time*…

***…without breaking a sweat*?**

Because Step 2 of my AlphaPrime system reveals a secret that **FIGHTS the damage TFCs have done**…

Restoring your raw strength and lean muscle.

Imagine how impressed the Mrs. will be when you **carry ALL the groceries through the front door** – *in ONE trip.*

Or you rip a drive down the fairway… *while your buddies gawk in amazement*…

Imagine being able to effortlessly lift your wife and carry her to bed like you did on your wedding night – *I'll let your imagination take it from there*

All this can happen just a few weeks from now…

You just have to get the details in Step 2 of my AlphaPrime System…

By adding the "Stallion Herb" to your routine.

You see, I'm constantly searching for the best time-tested, underground health secrets for men…

But I never expected my quest to find **the ultimate testosterone restorer** would lead me to a remote village in the mountains of West Bengal, India…

For the past 3,000 years, the senior members of this village have been secretly using a powerful herb for the most MIND-BLOWING lovemaking sessions with their wives

Here's a picture of what it looks like:

With the help of a translator, I talked to dozens of men in the village who were 60 and even OLDER – and was shocked to hear them all report the same thing:

This purple herb made them feel like they have the vigor and vitality of a stallion

I knew I had to bring a sample of the "**Stallion Herb**" to my clinic for more research…

So I started digging through piles of clinical studies that had been done on the Stallion Herb…

And I found THIS:

In a study of 150 adult and middle-aged Indian men dealing with fertility issues…

Those lucky enough to use the Stallion Herb…

Suddenly were full of 40% MORE TESTOSTERONE in just 12 weeks.

(**Talk about feeling like MORE of a man!)**

These guys went from testosterone "weaklings" to baby-making *machines.*

Now, I know you're probably chuckling at the idea of having kids at your age… and, trust me, that's not what I want for you either!

But this study shows… if the Stallion Herb can turn around *their* wimpy testosterone, **imagine what it can do for yours.**

And here's where the Stallion Herb gets really exciting…

Because it's also been **scientifically shown to increase your raw strength and power**…

In another study of 57 men, the ones who tried Stallion Herb saw their strength skyrocket in just 8 weeks…

By the end of the study, the men stunned researchers on the weight bench… lifting an average of 43.2 MORE pounds than before

Remarkably, Stallion Herb even **GREW bigger, thicker muscles in their chest and arms – almost like magic!**

Think about it…

Wouldn't it feel great to walk down the street – or even take a shortcut down ANY dark city alley…

…with the confidence that you can handle any young punk who tries to cross you?

You'll laugh as you quickly overpower him…

And see the fear in his eyes as he realizes he messed with the wrong "old" guy…

All from just taking a tiny bit of this **incredible natural "muscle builder" herb**…

And it has no side effects – except a massive boost in masculine testosterone…

So how is Stallion Herb able to work so well?

It's all because it is actually something called an "adaptogen" herb.

Which is a scientific term for a "rebalancing" nutrient.

Meaning, the Stallion Herb restores a man's most important systems – neurological, immune, and endocrine – **to perform at their peak**…

Leaving you feeling as powerful as a *superhero* – while the other guys around you sadly grow old and weak.

Friend, the Stallion Herb is how you can help **RESTORE the strength that TFCs stole from you**.

It's the 2nd vital tip in my full AlphaPrime protocol for **guys over 55**…

And **you'll find full details**… on *the rock-solid science*…

PLUS even more **jaw-dropping results** you could soon see for yourself…

And **exactly where to get the most potent American source of Stallion Herb**…

Starting on page 15 of your FREE ***AlphaPrime Guidebook for Men.***

Remember, this new report is your blueprint for everything you need to know about the battle against TFCs, and the root cause of "male wasting" issues.

Now…

You don't have to suffer in silence…

Or deal with **embarrassing symptoms** that you can't control…

In fact, you don't have to fear getting older.

For the first time …

You can finally have the tools you need to help wind back the clock… *to RECLAIM the manhood you earned…*

And that is your God-given RIGHT.

It all begins with your complimentary copy of my new ***AlphaPrime Guidebook for Men.***

(Your chance is coming up soon…)

It's the easiest-to-understand guide you'll find on the planet.

With Step 1 you'll learn about **Armor Weed**: *The secret that destroys fake estrogen TFCs…*

Then, in Step 2, read all about **Stallion Herb,** and…

In just weeks you could see a dramatic increase in your natural testosterone…

Your strength SKYROCKET – lifting more than you could before…

Thicker arms and chest – as new muscle starts to grow almost by magic…

Erections that stand to attention…

And are **naturally, 100% you**, and rise on demand – *whenever you want them to.*

With these 2 secrets alone, in just a few short weeks, with lots of new testosterone coursing through your veins…

Your sexual stamina could be through the roof…

And your **new energy and strength** will put even the YOUNG colts to shame.

Remember, Step 1 in my AlphaPrime System teaches you about Armor Weed to **STOP "mutant estrogen" from destroying your testosterone…**

And Step 2 is all about how Stallion Herb helps FIGHT **the damage TFCs have done to your body**…

But I've saved the final (and BEST) Step for last…

And THIS one is a doozy…

There's a little-known "man mineral" I use as the 3rd and final piece of my AlphaPrime System…

That helps *boost* your body to create EVEN MORE TESTOSTERONE naturally over time.

And can help pump your male hormone levels back up… *way, way up.*

Its scientific nickname is: ***MINERAL 12***

And you already have it inside your body now.

In fact, it's **inside every cell in your body.**

Especially **the ones in your testes that make testosterone.**

The problem is… as you get older, **your Mineral 12 levels fall over time**.

And your body can't keep up and make enough on its own.

Scientists are still trying to figure out **why** it happens…

But here's what they **DO** know:

When your Mineral 12 levels drop, the cells that produce testosterone just don't work as well

They're like an engine trying to run without gas… *they just kind of sputter and fail…*

So your testosterone levels fall and fall…

And with them goes your strength, your sex drive, your penis size, and even your mental sharpness…

Everything that makes you a MAN.

Luckily, if you're between 55 and 89, and you boost your levels by giving your body *more* Mineral 12, *it can be like rewinding your age to when you were in your PRIME*

Let me ask you…

How would you like to have **double the** testosterone in your body – just a few months from now?

That *isn't* some superhuman or unsafe amount…

As an M.D., I am talking about **RESTORING *your* testosterone** to the level your body was always MEANT to enjoy.

Because that much more testosterone means you could feel like you're in your 20s again.

How?

Because a *senior* man's body CRAVES testosterone to keep him strong, lean, and **rock-hard in the bedroom.**

Take a look at this…

In a clinical study of men 64 and older, adding Mineral 12 to their diet for just 24 weeks DOUBLED their amount of natural testosterone

Yes, you heard that right.

These men had 2X the testosterone than they did before.

Scientists were absolutely flabbergasted…

So they put Mineral 12 through the wringer… looking for ANYTHING that proved Mineral 12 didn't work.

But **dozens of separate tests on animals and humans** all came to the same conclusion:

Mineral 12 is a bona fide MIRACLE.

No doubt you've heard of the legendary "Fountain of Youth"?

Well, I don't believe in tall tales… **I believe in science**.

And I'm telling you, in my opinion as a doctor who's seen it all…

Mineral 12 is the closest thing you'll find on the planet to a Fountain of Youth

…especially for men over the age of 55.

That's why…

Mineral 12 is the final –and most important – testosterone-boosting tip you'll learn about in my AlphaPrime system

It's something every man over 55 needs to know about…

But here's the thing…

You **CAN'T** just pump your body full of Mineral 12 to see these effects.

It doesn't work like that.

In fact, if you take *too* much, **you won't see any of the benefit**.

But when you add the **perfect amount** – just once a day…

Your body could receive **an incredible boost in testosterone** – that you haven't felt in DECADES.

That's why it's so important you get these essential details today.

I'll show you everything you need to know on page 19 in your copy of the ***AlphaPrime Guidebook for Men.***

Including exactly **WHERE** to get Mineral 12…

Remember, if you take too much or too little, **it won't work**.

But when you take the perfect amount, **the results can be life-changing**…

In just 90 days, I've seen my own patients transformed from couch-bound weaklings to brawny John Waynes

They went from "giving up" life's little joys…

To raiding their garages for old tennis rackets, golf bags, push mowers, and hiking shoes.

They went from feeling *helpless and frail…*

To tossing their blushing wife over their shoulder – carrying her into the bedroom (and dropping off her grocery bags on the way…)

They used to be embarrassed… **or feel forgotten and overlooked**…

Now they're standing straighter… ***prouder***.

With a **brand-new confidence** they thought was lost years ago.

They feel like they **FINALLY** have total control over their lives again—as MEN.

It's already happened for thousands of my patients…

*Are you ready for **YOUR** turn?*

In just a moment, you'll be able to RSVP for your personal copy of the*AlphaPrime Guidebook for Men*

That will give you everything you need to know about total manhood restoration.

Including…

Step 1: "Japanese Armor Weed"

The only solution that can help DESTROY fake estrogen AND shield testosterone in one fell swoop.

Step 2: "Stallion Herb"

The potent secret that can fight TFC damage, help restore 40% of your testosterone, AND have your muscles bigger and stronger in just weeks.

Step 3: "Mineral 12"

The scientifically researched "Fountain of Youth" that can help men to DOUBLE testosterone… even back to the levels of your youth.

Learn about each one in detail and you can restore your TRUE manhood and look forward to growing younger… NOT older as the years go by.

You'll bring back the **strength** you need to break loose a rusted lug nut, split a cord of firewood, move an old mattress…

Or **impress your wife** by rearranging the living room – moving **all** the furniture yourself…

You'll **resurrect your sex life**…

Naturally restoring **firm, impressive erections**… on command…

So **you finally enjoy your full God-given size**…

You'll reclaim EVERYTHING that made you a man… and more.

And it all begins when you open to page 1 in your new ***AlphaPrime Guidebook for Men***,

Your chance to claim it is just moments away, but I have one final story to share with you

…mine.

See, I would never recommend **anything** to you that I didn't use myself.

So, before I ever prescribed the **AlphaPrime System** to a patient… **I tested it first.**

When it first happened, it almost felt like I was getting **superhero powers**.

I know that sounds ridiculous, but…

I'm **66 years old**.

It makes me **laugh** because people say I'm "retirement age."

I still see patients every day and the thought of retiring seems so far off it never crosses my mind…

I suppose I could retire… *but why would I?*

After all, **I'm not an old man**, no matter what my driver's license might say.

I feel as strong and energetic as I did as a **teenager** – *that's not an exaggeration.*

My fatigue was replaced by new, limitless energy. Now, I don't get sick. I don't feel weak or feeble – I feel strong. I feel more masculine than ever before.

And after experiencing these results myself, I knew I had to share this system with as many American men as possible.

That's why I'm giving away a copy of my *AlphaPrime Guidebook for Men* –FREE

Inside this 68-page guidebook, I've compiled every detail you need to know about my **AlphaPrime System**…

My recommended U.S. sources to get all **3 male-restoration secrets**, *the correct dosages…*

…and ALL the science that shows why this **manhood rejuvenation guide could be the answer you've been looking for**.

*You'll get **everything** you need to know about:*

AlphaPrime Step #1: The powerful "Armor Weed" that works at the cellular level to **STOP Toxic Feminizing Chemicals** from ruining your manhood

AlphaPrime Step #2: The "Stallion Herb" that **FIGHTS the damage fake estrogen** has already done to your body

AlphaPrime Step #3: "Magical" Mineral 12 that **RESTORES your manhood** to youthful levels, *by boosting your testosterone.*

(I can't stress this enough… #3 is a GAME CHANGER.)

Friend, once you have this information…

Your confidence will go through the roof. Your unsightly belly fat can finally be GONE… replaced by a flat, lean stomach

You could be **lifting heavier weights** than you have in decades… *they'll feel like nothing to you*…

You could find that **your sex drive has come back**… and how!

I imagine your wife will comment on your new potency (and probably brag to her friends as well).

***That's* how you'll really know the system is working.**

Just read up on each of the 3 EASY secrets to see how **your full manhood will be restored.**

And that's still not all…

Your free **AlphaPrime Guidebook** holds SO much more.

I also included ALL my best-kept secrets for men over 55. Think of it like 12 FREE consultations with me

All without the trip to my Arizona clinic… *the embarrassment of talking to a doctor*…

Your AlphaPrime Guidebook also holds 9 powerful BONUS "secrets" that I wouldn't have time to share during an appointment
