Product Details | Reviews | PURCHASE OPTIONS

- Classic and rich, our signature roast.
- Medium roast, caffeinated coffee
- Made with a blend of Arabica and Robusta coffee beans
- Certified Orthodox Union Kosher

Original Roast is Maxwell House's® signature medium roast coffee, made with a blend of Arabica and Robusta coffee beans.

Our Coffee was first served to guests of Nashville's Maxwell Hotel in 1892. After running out of coffee, the hotel had to return to their usual brand of coffee to the dismay of their guests. The patrons loved our coffee so much, they complained to the hotel and soon Maxwell House Coffee became the only coffee served at the hotel. That's how Maxwell House® got its name, and our coffee has been good to the last drop ever since.

PRODUCT HIGHLIGHTS

- CAFFEINATED

Best coffee around!
My hubby loves all the Maxwell House blends and prefers it over coffee. And it smells so good while brewing.

Find you Favorite brand at great prices.
Maxwell house has always been the staple coffee. I had a mis delivery from UPS and within a week I had my replacement. Thank You Keurig.. Works great in my new machine...

Maxwell House
I grew up when Maxwell House was the main coffee available. Taste just as good as it did back then.

Maxwell House, Still Good to the Last Drop!
I order many varieties of Keurig pods but I like to have the Maxwell House original roast on hand for days when I want something more basic. This coffee is smooth, tasty and pairs great with any Coffeemate creamer flavor I choose for the day.

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

**Not recycled in many communities.*
Visit Keurig.com/Recyclable to learn more.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

*Check locally, not recycled in many communities.

Inside the **Recyclable*** **K-Cup*** **Pod**

Freshly ground coffee **from leading coffee brands** fills our recyclable K-Cup® pods

Hot water saturates the freshly ground beans and **flows through the paper filter**

Gentle pressure extracts every ounce of **rich, full-flavored coffee**

*Check locally, not recycled in many communities.
