From the manufacturer

Product Description

We've been making our famous doughnuts since 1937, and we know nothing goes better with a delicious sweet treat than a fresh, hot cup of coffee. That's why we've been brewing our own since we first opened our doors. You might not be able to visit a Krispy Kreme Doughnuts shop every morning, but you can enjoy the goodness of our coffee at home. Krispy Kreme Doughnuts coffee comes in a variety of rich signature blends like Krispy Kreme Classic. Krispy Kreme Classic Medium Roast coffee is a balanced, easy-to-love blend that boasts bright fruit notes and a clean, sweet finish. Compatible with Keurig K-Cup pod single-serve coffee makers. Things are better enjoyed together, especially the sweet fluffy clouds of deliciousness we call doughnuts and Krispy Kreme coffee.
