Please be warned: **The story you're about to hear – while controversial – is completely true.**

In fact, there is evidence that suggests it has been **ignored** since the end of the Second World War. **(read below)**

Even as I speak to you now, certain powerful parties have a **vested interest** in keeping this information hidden,

– and fully expect **you** also to be removed from the listening.

This TRUE story is simply that controversial. So please listen:

In 1944, at the peak of World War II, at a Hitler Youth training camp,

– Konrad is sick on the **dirty** toilets of Adolf Hitler himself ...

– do the "impossible".

Discover a TRUE solution for fighting cancer?

This is not hype. I'm talking about what could be the **most important discovery in the history** of medicine.

And every single detail of this **life-saving miracle** is preserved ... clear as day ... in his private journals and papers ...

A secret "field manual" for generations ... rediscovered ...

Konrad finally found **the cure!**

It's TRUE. Thanks to WWII documents we recently obtained, we now know a German scientist found a **breakthrough** doctor ...

– learned the shocking **true CAUSE** linked to many cancers ... breakthrough that has escaped even today's top scientists ...

– But this story gets so much bigger ... because the German doctor also **found one of the most promising SOLUTIONS** ever for fighting **and, in some cases ...**

– REVERSING cancer.

The ultimate "Holy Grail" of medical science...

What's more, the treatment he discovered is so simple and painless. **It involves** no chemotherapy, radiation or surgery.

Of course, if you are receiving cancer treatment right now, don't change anything without talking to your doctor.

But, friend, if you have EVEN been worried about cancer, **you MUST get this information now.**

Unfortunately, your doctors may not know the first thing about this **cancer breakthrough** (I'll explain why in a moment ... it's truly shocking).

I know this is a lot to take in.

So, before I ask you to give you every insight in the next 1-42 of this presentation

I'll reveal the name of the German scientist anything of the personal request of Adolf Hitler ...

I'll show you the top Nazi Treasure that contains his astonishing breakthrough ...

I'll expose why certain parties have systematically ignored all evidence of this medical breakthrough ...

I'll present the scientific evidence that shows how this therapy works to destroy cancer cells.

I'll introduce you to an atypical but fascinating case ...

– a woman who went from a "terminal bone tumor" diagnosis to 100% CANCER-FREE in just 60 days using this therapy along with standard treatment ...

And I'll tell you how you can now get this very life-saving information, absolutely **FREE** when you take advantage of this special opportunity. (Details in just a moment.)

Let's get started now ... while the presentation is still available.

The story is so fascinating enough, with a pinch or the smack cards of one of history's most **evil** figures ... **Adolf Hitler.**

And after having surgery in 1935 to remove the polyp, Hitler become obsessed with a finding a cure for cancer.

You see, Hitler was **TERRIFIED** of the disease.

His mother had died of breast cancer and he was aware that cancer would take him too.

He made finding a cure for cancer one of the goals of the Third Reich ... his warped mind's vision of a perfect society.

Now, Germany in the first half of the 20th century was **a scientific juggernaut** ... far ahead of even the United States at the time.

Hitler's Nazis had taken over Austria and in one years it fetched Priors were awarded to German scientist.

And when he took power, Hitler set up labs all over Germany and filled them with his country's best scientists ... entering them to discover **the cure** to cancer.

Now, so far, this story is well documented. Many WWII historians know all of this ...

But what can't well known is this ...

One of Hitler's most brilliant scientists – Dr. Otto Warburg – **discovered something remarkable.**

Dr. Warburg uncovered the TRUTH behind cancer ... and **he found a shockingly easy way that could stop the disease.**

Finally ... could this be the **answer** we've been searching for?

Because this is the ONLY medical insight that has EVER been found that explains why you might be growing cancer right now ...

Then also shows exact how to conquer the disease.

And I'm going to share it with you today ... **free.** Let me reveal it now ...

Dr. Otto Warburg was one of the leading medical minds of the 20th century.

Before the war he was already a famous scientist ... and Hitler's Nazis knew all about his work and **offered him a Nobel prize** in 1931.

In fact, he was nominated for an incredible **45 Nobel prizes** from 1923 to 1932 ...

He held a PhD in Chemistry and he was also a trained Medical Doctor.

But there was one more thing especially notable about Otto Warburg.

He was Jewish.

And that he wasn't called by the Nazi's feared Secret Service ...

But was instead told to continue his research, **despite his unbelievable genius.**

In fact, Adolf Hitler once tried to arrest him and he spoke out against the Nazi regime ... and lived to tell about it.

Now, Hitler was a crazy man but Adolf Hitler himself ... ordering them to allow Dr. Warburg to keep working.

You see, even a lunatic like Hitler realized that Otto Warburg was on to something of extraordinary value.

The TRUTH behind cancer.

In the 1930s and 1940s, Dr. Warburg's experiments on cellular respiration ... the way our cells use oxygen for energy ... revealed something **ASTONISHING.**

In order to survive, cancer cells need to ferment sugar in anaerobic ways that of regular cells.

They actually use a different cellular "fuel" than regular cells.

And if you already "shut off" this fuel source, **cancer cells die.**

But because regular cells don't have to use this "fuel" ... they aren't affected at all.

The cancer cells die ... almost immediately ... and regular cells continue to stay healthy.

It's remarkably simple ... safe, and incredibly inexpensive.

There's no doubt, it's a brand new way to attack cancer ... the **ONLY true potential cancer solution I've ever found.**

You could have it RIGHT NOW...

... except, even today, many doctors have never heard a single word about it

Why? Well, I'll reveal the **CRIMINAL** reason for that in a moment ...

But let me explain just a bit more about why Dr. Warburg's discovery can now help **you** and your loved ones **right now.**

Dr. Warburg's work was the ultimate in cell available.

I'll give you everything you need to know in a moment ... but don't worry about writing it all down.

Because every detail **you** need about this cancer remedy is preserved in his personal journals ... and I'll share it with you in **"The Secrets of Underground Medicine"**.

And, in addition to full details on the Warburg cancer miracle, this 300-plus page book also contains **the complete, fully-tested underground disease therapies** like ...

How a revolutionary "food solution" could mean **potentially REVERSE Type II Diabetes!** Research suggests it might even be possible to "reverse" Type II Diabetes ...

Why a "forgotten" vitamin deficiency could actually **reverse** heart disease **and** diabetes **today** (page 87) ...

How a simple nutrient (plus vitamin D) may cut even **over 50%** of cancer deaths (page 102) ...

Dr. Lorber's incredible "Methusalah Diet" has already extended animal lifespans by an additional 60% ... could it work to **add blessed years** to YOUR life? (page 204)

That's still just the start of what this life-saving gift has to offer...

But before we go any further, allow me to introduce myself.

My name is **Benjamin Crowe** ... and I've been a health researcher and published author for more than 20 years.

And because of my years in the field, I've gained insider access to **proven natural remedies and alternatives.**

Once that was the end of doctors simply don't know ...

That's why I formed a kind of "medical think tank" near Washington, DC.

Our mission is to reveal the TRUE disease therapies that are denied – or even COVERED UP – by our American healthcare system.

We consult with the absolute top minds in modern medicine ... **doctors, scientists and researchers** ...

Recently, we discovered the "The Secrets of Underground Medicine" ... **FREE BEFORE the independent medical establishment.**

This 300-plus page book is like a complete **perfect health into your life, 100s and beyond.**

Inside, **FREE** is a select group of Americans like you.

However, it's available only today through this presentation and quantities are very limited ... so please only take the next minutes that **it takes your own copy.**

But first let me **give** how Dr. Warburg's discovery is the **one cancer miracle** you and your loved ones need now.

It was just a few weeks ago I received a package in the mail ... containing a **final treasure almost lost to time.**

... the **private papers and published studies** of Dr. Otto Warburg that reveal his life's work ...

Dr. Warburg's cancer breakthrough!

Like you, I was completely skeptical. **Who would lie?**

After all, here could **the most important medical breakthrough in human history** have been LOST during the collapse of Hitler's Third Reich?

But there it was clear as day in Dr. Warburg's own documents ... his discovery that **cancer cells have one very strange "quirk"**

And lab studies show if that quirk is taken advantage of ...

cancerous tumors dry up and die like they never entered in the first place. Let me explain ...

You see, in every cell in your body and structures called **"mitochondria"**.

Mitochondria are the tiny engines in your cells ...

... essentially, they turn the oxygen you breathe and the food you eat into the energy that powers your cells.

At least, that's how it **health** will work.

But through his experiments, Otto Warburg learned something GROUNDBREAKING.

He found out that **some mitochondria don't work the same way.**

In some of your cells, the mitochondria – the little "energy engines" of your body – **what to mean up.**

Essentially, they break ... they quit working the right way.

And those "broken mitochondria" do something interesting ...

They **STOP** using oxygen as their main "fuel" to create energy.

Nope. Instead they use **glucose** – a form of sugar – to create energy in a completely different way.

But that's a BAD thing.

You see, creating energy from only glucose, nothing else, is **NOT** how your cells are supposed to work ...

And it causes all sorts of problems with the mitochondria in those cells.

The reasons why are basically starved for energy and they begin to **malfunction**.

In some cases, they start to divide over and over again ... thousands of times ... **into a large mass of mutated broken cells.**

In other words ... they form a **TUMOR.**

Scientists call this "mitochondrial dysfunction" ... and it directly leads to **uncontrolled tumor growth** ...

And Dr. Warburg's experiments showed that's exactly what happens ... **cancer.**

Now, it's not to say everything that causes cancer can happen ... I don't want to be misleading or sensational. But it's clear that this is a **major factor** in cancer.

But no matter the reason ... once your mitochondria start fuelling only sugar **your cells are in clear and present danger of turning into cancerous tumors.**

What makes it even worse is this: Normally, your body's immune system would recognize damaged or broken cells ... like cancer cells ... and destroy them.

That process is known as apoptosis – or what scientists call "cellular suicide" in other words ...

Your body actually kills "damaged" cells to self-destruct.

The problem is, that important process requires your mitochondria – and because of the "mitochondrial dysfunction" I mentioned, **it doesn't happen in cancer cells.**

So cancer cells continue to multiply ... **and tumors grow out of control!**

And you know the rest of the story ... scorching radiation, devastating chemotherapy, and surgery ...

And far too often ... **death.**

In fact, despite all the "advances" of modern medicine, we've made very little progress in improving cancer mortality rates.

The reality is ... cancer still claim lot more than 600 000 Americans this year.

How many people do you know who lost their battle with this deadly disease? Far too many ... we all do.

And based on current trends, cancer will soon pass heart disease as **the leading cause of death in America.**

In 32 states, it's already the number one killer.

And the truth is, **"modern medicine" has NO IDEA how to cure cancer once it starts.**

They're completely clueless.

And yet cancer patients face a horrible future of chemotherapy, radiation and surgery, before they die.

This doesn't need to be the only path.

There are other options and we think you have a right to know about them.

Because Dr. Warburg's discovery is something only **Something of unbelievable value.**

A way to actually stop cancer cells in their tracks.

He found a simple method that cuts off the "fuel supply" to cancer cells ... **as the malignant cells die.** ... tumors dry up and shrink ...

But maybe you're asking ... **How do I know for sure it REALLY works?**

That's a great question ...

After all, scientific methods in the 1940s were somewhat primitive compared to today's technologies.

Fortunately, top scientists have recently tested Dr. Warburg's method. **With amazing results.**

First, the Warburg Method was verified by a brilliant Johns Hopkins researcher named Pete Pedersen.

Pedersen used advanced microscopy imaging – a technology Otto Warburg could only have dreamed of ...

– to prove that cancer cells have **FAR FEWER** properly functioning mitochondria than regular cells.

Modern science now confirms it. **Warburg was CORRECT about "mitochondrial errors" being directly linked to cancer.**

But there's more ... Another Johns Hopkins scientist actually tested the Warburg Method against cancer ...

She gave 19 cancerous rats a special, non-toxic treatment that "shuts off" the sugar supply to cancer cells.

And wouldn't you know it ...

all of the rats were CURED and went on to have normal lifespans.

That's an incredible result ... controlling removal of their cancer.

But maybe you're thinking ... "I'm not a rat." Or I'm not a cancer patient.

So does the Warburg Method work just as well on **people** too?

Early results in a small number of people are pointing to ... **YES!**

Consider the case of Beverly M. from Toledo, OH.

Sadly, at 65 years-old, Beverly was diagnosed with a glioblastoma ... an especially **deadly type of brain cancer.**

In fact, the "standard therapy" of chemo and radiation is almost worthless for this type of aggressive brain tumor.

It's considered "incurable" and average life expectancy is less than 18 months.

Things looked bleak for Beverly. She did start the standard therapy, but then she still something else as well.

Beverly used the Warburg Method.

After just 60 days of treatment, Beverly's doctors did a scan of her brain and found something astonishing ...

Beverly's "incurable" brain tumor... had *VANISHED.*

Her aggressive cancer had completely disappeared without a trace.

It was like a miracle.

There's just no question in my mind ... **the Warburg Method is the life-saving CANCER TREATMENT you need to know about.**

And thanks to your FREE 300-plus page book "The Secrets of Underground Medicine" you **will now get Dr Warburg's EXACT method for curbing all the cancer cells in your body. Unexpectedly need ...**

The "Warburg Method" is that powerful ... it has the potential to be **the ONLY true cancer treatment.**

And, today, **this information can be yours.** (I'll explain everything in just a moment.)

Now, it's important to realize ... **your doctor WON'T know the Warburg Method** for treating cancer and shrinking tumors.

I'm afraid, you won't hear about it from him.

The ONLY way you'll get details on this astonishing **cancer-cure cancer therapy** is in your free "The Secrets of Underground Medicine" 300-plus page book.

But that raises a tough, but **fair** question ...

Why hasn't anybody told TRUTH? About Dr. Otto Warburg and his astonishing cancer discovery.

That's just not the way our medical system works.

Because, as you'll learn in your free book, the **"Warburg Method" does not require pharmaceutical drugs.**

And that's EXACTLY why the pharmaceutical industry is very unlikely to ever talk about the Warburg Method.

Do I sound fishy yet, eh? – It's simply that they're businesses. **Huge, multi-billion dollar businesses.**

And there's no money in a therapy that doesn't require drugs.

Especially when the cost of chemotherapy for cancer can run as high as **$50,000 per MONTH!**

And even though prescription drugs cause 128,000 American DEATHS a year ...

Most American doctors are taught only one way to practice medicine ... prescribe prescribe, prescribe ...

It doesn't have to be that way.

Because there are now very real natural solutions and even **CURES** for the deadliest diseases out from ...

The Warburg Method for neoplasm cancer is one such miracle.

It's incredibly powerful, but so simple to use ... if you know what to do.

And every detail you need ... how it starts and how YOU can get it starts on page 57 of your free book: **"The Secrets of Underground Medicine"**.

But that's just the beginning of what you'll find in this remarkable book ...

In your 300-plus page "The Secrets of Underground Medicine" you'll get more than **25 powerful treatments covering almost every disease of cancer.**

Please notice, **FOR** will the end of the day **you will NOT KNOW the Warburg Method** for

Am I exploiting some cancer-related fears and hopes ...

Your neighbors don't know them.

Your children, family and friends don't know them either. *(But free them to share your new knowledge with your loved trusted loved ones.)*

Make no mistake, **you will be the ONLY** one who has these new weapons against disease and aging at your disposal.

Friend, that is a very powerful position to be in.

Are the only way to get them today is through your **FREE** copy of "The Secrets of Underground Medicine" ...

Like in 3D, where it explains new research that shows how **type II diabetes could potentially be reversed by a unique diet** ...

But only ...

If you know the **information on page 124** of your free copy of "The Secrets of Underground Medicine" ...

And it's a special way of eating that cuts out one common ingredient and actually "tricks" your body into regaining your blood sugar and **fighting diabetes.**

With one doctor reporting incredible results FAST!

In fact, he starts seeing results in as little as 8 days ...

And I'm talk talking about a reversion diet or anything like that.

Not at all. Actually, you can indulge in a few specific rich, delicious foods in certain amounts ... and still have your sugar levels in check.

It's so simple ... and yet our corporate "mainstream" medical system doesn't know a thing about it.

So you won't know about it from your doctor. I'm afraid.

But leading scientists – who aren't controlled by the Office of Big Pharma – have finally taken notice.

In fact, no one 10 weeks ago, 21 overweight patients with type II diabetes tried this new way of eating ...

At the end of the study, 17 of the 21 participants had significantly reduced their diabetes medication.

That's 81% of diabetics able to get off much of their medication...

And 17 of them were able to **stop taking medication completely**.

And only that, everyone in the study lost an average of 18 pounds.

Again, this special eating method requires **NO CALORIE RESTRICTION**.

Your body simply **fights back against your diabetes** ... naturally and easily.

One leading doctor, Eric Westman M.D., has now started using the "keto diet" to his own diabetic patients ... with astonishing results.

He reports that his ketic diabetics reduce their blood sugar by 100 points per day for diabetics using this technique. **In just 4 days.**

Dr. Westman's ... it's incredibly effective for reductions for diabetic results by 50% on the very first day!

Dr. Westman's own words: "In the weeks prior, most patients achieve normoglycemia (**normal blood sugar**) without medication, closer patients lose weight, and patients were monoxy because they are not paying for medication."

It's an astonishing therapy... *but still almost completely unknown to American*

And if there were able to **stop taking medication completely**

DR. RICHARD GERNAUER

Dr. Richard Gernauer, M.D. is a Board Certified Medical Doctor and a Fellow of the American College of Cardiology. Dr. Gernauer has spent his entire medical career in service to underserved and underprivileged communities in Ontario. He spent more than 20 years in the Emergency Department of a Toronto hospital and has served as a medical consultant to a private practice in Toronto, Ontario, Canada.

In fact, if you go to the American Diabetes Association's (ADA) website, you won't find anything on this solution that actually reverse diabetes.

But how can this be? Surely the ADA is the authority on diabetes in this country?

Once again, ... just follow the money. Conventional wisdom, ... and hard-working Americans like you and me are LOSING.

But, finally, YOU can do better.

Thanks to your free copy of "The Secrets of Underground Medicine"...

... you can now access **exclusive cost-focused** in our mainstream medical system ...

You see, they'd stop at nothing to keep these natural, inexpensive and incredibly powerful health solutions out of your hands...

But with "The Secrets of Underground Medicine" **you will finally have a true roadmap to cutting-edge health information**.

Information that most people have no knowledge of that actually reverse and heal diseases ... this **WORTH for your entry**.

Not anymore. Not when you **know the life-saving secrets** in your hand.

No matter your age. **No matter your current health**.

You will now have the same-focused solutions you simply can't find anywhere else.

Like how an almost completely UNKNOWN nutrient is like an age-reversing miracle...

5 steps the steadily "hardening" of the arteries that causes massive heart attacks...

It reverse **your bones "what-gotten" strong** ... preventing hip, spinal and knee fractures...

5 catalyzes your risk of prostate cancer by 35%...

And it even reduces your risk of Alzheimer's ...

... but here's the kicker:

An estimated 80% of Americans are dangerously DEFICIENT.

Are **you**? And how be the mainstream missed this one?

I call it "Nutrient X" and it's a hidden health crisis ... that NO ONE is talking about.

You see, your great-grandfather probably got plenty of Nutrient X.

Your great-grandmother probably got plenty of Nutrient X.

Your grandmother probably got plenty of Nutrient X.

and this of Nutrient X showed up in their meal, milk and butter.

But no more. The cattle feed that's given to today's cows means they don't create Nutrient X ... so we're not getting much from our food.

It's now estimated 4 out of every 5 Americans are **dangerously low on Nutrient X** ... That's almost all of us!

It's an **urgent epidemic** that has been completely OVERLOOKED by the mainstream medicine.

But that's not surprising, is it? Well, you know, they don't about a **cheap, natural nutrient that costs just pennies**.

... when they can sell you **expensive drugs** for heart disease, osteoporosis, prostate cancer and all the other health conditions caused by Nutrient X deficiency?

Who cares how expensive, unnecessary and **dangerous** those drugs are ...

Once again, follow the money. But I digress ... we lose.

No more. That's why on page 352 of **"The Secrets of Underground Medicine"** you're going to get every detail ...

... on how to find out if you're deficient in Nutrient X (most of us are) ...

... how to **fix the best sources of X** (we recommend our favorite type) ...

... exactly **how much you need** to take to be healthy ...

... and how **it protects your heart, bones, prostate** and so much more...

Finally, when you replace that in your body is missing ...

You'll be amazed at how GREAT you start to feel...

It makes you wonder, was it getting sick that slowed you down ... **or was it missing this VITAL nutrient that set off page 352 in your hands and attention**.

And that your doctor has likely never mentioned.

In your FREE 352-page book "The Secrets of Underground Medicine", you'll discover **more astonishing health secrets that simply don't exist anywhere else**.

Like an old-school arthritis remedy that one was actually **REFORM the cartilage in your joints...**

Almost like you just got new, healthy joints!

If you've been told that your arthritis is incurable ... that you'll just have to live with those excruciating pains in your hands, shoulders, hips or knees ... **THAT NEVER** it's not going to be that way for you.

Not when you learn about the **astonishing joint breakthrough** on page 91 of your new encyclopedia of cures...

Doctors tell us that excellent, painful joints are just an uncomfortable part of aging ... and that the best way to manage your pain is with non-steroidal anti-inflammatory drugs (NSAIDs).

Even though those drugs are notorious for their side effects, including stomach bleeding and liver damage. But it gets worse ...

Some studies are now showing that NSAIDs may actually cause MORE destruction to your joints... **making your pain worse**.

And when you're in pain, it's hard to find much pleasure in life...

But that's not your only worry.

Today, the trouble bothering your clothes, or turning the key in that sticky lock.

But what about tomorrow ... or next year? How bad will your joints be then?

Will you have trouble dressing ... bathing ... or driving a car?

Could your swollen, painful joints lead to a fall ... a nursing home ... your complete loss of independence?

No - not for you. **Not NOW**.

Because you're about to learn about ...

A true joint MIRACLE called CLCD... that could actually help regrow the healthy cartilage that cushions your joints...

"You'll move, bend, lift ... **easily and without pain**.

Get ready to dust off those old golfer or your old fishing rod ...

Or dig out those gardening tools.

And, maybe it's time to start dancing again...

It's all thanks to CLCD ... a natural protein that actually makes up about 80% of your joint tissue.

When we were young, this protein grows new cartilage ... and repairs any cartilage that gets damaged.

But, unfortunately, as we get older, **our bodies stop making enough CLCD**.

So your cartilage – the vital cushioning in your joints – starts to fall apart ... and causes **arthritis**.

Your joints get soft, swollen ... and with every movement comes that sharp, take-your-breath-away PAIN.

But I have great news today.

You see, scientists have now learned there's **an easy way replace the CLCD in your joints** ... and when you do it actually **GENERATES** new cartilage.

It's almost like replacing your arthritis with a new, healthy joint...

Look at this x-ray of a knee ... you see the part that's circled?

The cartilage is completely worn away in the joint. I think you can imagine how painful it must be to walk on that knee ...

Now look at the second x-ray image ... this is the SAME KNEE after **just 10 weeks of taking CLCD**.

Look again at the circled part ... look at the clear space between the bones.

That is HEALTHY, NEW CARTILAGE is there.

This joint is now cushioned and comfortable. **Like a brand-new knee!**

Look one more time ... here is the **before-CLCD** photo. You're looking at severe knee arthritis.

Here's the **after-CLCD** photo again. A new, cushioned joint.

These photos are from a landmark study, where 30 people with arthritis got CLCD in a placebo for just 13 weeks.

The placebo group experienced zero improvement in their joints ... but in the CLCD group ...

... nearly 2 out of 3 people reported **"excellent improvement" in their joints**.

If you or a loved one has arthritis or joint pain, you MUST know how to find the breakout relief of CLCD.

It's like a **joint replacement** ... but without any scalpels, needles or pain.

All you have to do is take a little of this all-natural powder with water ... **and CLCD goes to work rebuilding and regenerating your joints**.

Then one day you'll wake up, pop out of bed and practically step down the stairs ... until you stop and think to yourself ...

"I don't just feel better... I feel AMAZING."

That's the CLCD difference ... and on page 91 of "The Secrets of Underground Medicine" **you'll find everything you need to get started...**

- How CLCD works to **improve the cartilage in your joints**, safely and **quickly**
- **Where to get CLCD** and our #1 recommended source...

And that's will just the beginning of what you'll find in **your new FREE copy** of "The Secrets of Underground Medicine".
