Re: U-Haul's Deceptive Price Advertising and Fee Scheme

Dear Attorney General Drummond and Attorney Carlson:

A recent Truth in Advertising, Inc. ("TINA.org") investigation into U-Haul Holding Company and its subsidiary U-Haul International, Inc. (collectively "U-Haul") has revealed a multifaceted, deceptive bait-and-switch pricing scheme that hides the true cost of its rentals by omitting mandatory fees and charges from advertised pricing. This results in consumers being charged more than they bargained for, in violation of Oklahoma law.¹

TINA.org has filed a complaint regarding U-Haul's marketing and business practices with the Federal Trade Commission (attached), but we bring this matter to your attention because of Oklahoma's dedication to addressing junk fees² and because Oklahoma consumers are being impacted by U-Haul's deception.³

As such, TINA.org urges your office to open an investigation into U-Haul and take appropriate enforcement action.

If you have any questions, please do not hesitate to contact us.

Sincerely,
