What is the Fast Start program?
4Life Fast Start is a bonus program for new Preferred Customers who sign up on or after September 1, 2023 who are looking to start fast and go far. Participants are eligible to earn over $40,000 in additional bonuses during their first 12 months when they sign up and purchase a Fast Start Pack.

When is the qualification period?
The Fast Start qualification period begins September 1, 2023 and runs through December 31, 2024. Participants have 12 full months, which means the remaining days in their month of signup, plus the following 12 consecutive months, to qualify for the Fast Start and Double Builder Bonuses.

Is the program open to existing Affiliates?
Existing Preferred Customers and Affiliates who signed up with 4Life before September 1, 2023 can not join the Fast Start program, but they can still benefit when their team members join the Fast Start program and share 4Life with others.

What bonuses can I earn for advancing in rank or achieving new levels?
Fast Start Bonus
Double Builder Bonus

What if I advance more than one rank in one month? How will my Fast Start Bonuses be calculated?
When a new Preferred Customer becomes an Affiliate and advances more than one rank in a month's time, they earn all related Fast Start Bonuses; bonuses are cumulative.

What if I achieve more than one Double Builder Bonus level in one month?
An Affiliate can only earn one Double Builder Bonus in a given month, and the highest amount will be paid. Double Builder Bonuses are not cumulative.

When will Fast Start Bonuses be paid?
After qualifying for a new rank or level, Fast Start and Double Builder Bonuses are paid by the 7th of the following month.

What if I signed up and only paid the 4Life Preferred Customer membership fee and still have not yet placed an LP order?
You can join the Fast Start program by placing a first LP order with a Fast Start Pack or with a first LP order of 400 LP or more.

What if I signed up for 4Life with a first LP order of less than 400 LP?
You can still join the program. You can participate by purchasing a Fast Start Pack within your first two months in 4Life.
