Are you signing up to become an Avon representative but can't decide if the Avon Starter Kit 2023 is right for you?

Have you researched all the selling Avon pros and cons?

You are confident that you want to become an Avon Rep but want to know if the Avon Starter Kit 2023 is really worth it.

I'm happy you found this post as you've come to the right place. Let me guide you in your decision.

Avon Sign Up (Kit or Free?)

When you become an Avon representative in 2023, you have the choice to pay $30 for an Avon Business Starter Kit.

However, even though there may be an opportunity to join Avon for free, as an experienced Avon Rep and Leader with over 15 years of experience, I would highly recommend you choose the $30 option.

With the Avon zero-cost option, you will not receive any brochures or products.

The best way to get your business started is by sharing the Avon brochure, which is your storefront.

Most importantly, let's take a look at what you will receive when you become an Avon Representative with the Avon starter kit.

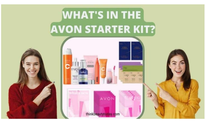
What Does the Avon Starter Kit 2023 Include?



By choosing the $30 sign-up option, you will get full-size Avon products (worth over $100) and brochures to share with your friends. The kit ships for free, all tax included, no annual fees, and includes free digital tools and perks.

Let me show you what you will get in the current Avon Starter Kit. **At the time of this writing, this is what's in the Avon starter kit 2023. However, the products change frequently.**

How do I find Avon customers?

How do Avon Reps get paid?

Getting paid is simple! There are two ways to get your money:

1. Sign up for Direct Deposit and you'll get paid for your online sales 2 business days after your customer's order ships! That's money in your bank account that you can spend right away.
2. Place an order on behalf of your customer, and you'll earn the difference between the discounted amount you pay and the full price your customer pays you.
3. Share the opportunity for others to sell Avon. You will receive commissions from your team sales.

You don't have to place an Avon order for each campaign. However, reps who haven't placed an order in 6 campaigns will be removed. New reps earn on $40+ orders.

Successful Representatives share their free personalized online store for 24/7 sales and commissions and place their own orders in each campaign, about every two weeks.
