I've enjoyed this journey of better health. I've felt good on the cleanse days that I didn't think I could do. The sour cream and chive thins are good.

Isagenix Starter Kit

The most popular Isagenix Starter Kit is the 30-Day Cleansing and Fat Burning System.

Most people start with this plan because it is simple, easy to follow, and has the basic products you need to lose weight.

You don't need all the extras to get started.

You can get the starter kit, use it for a month, gauge how you feel, and then add or subtract products.
