Success **Stories**

Charles & Judith Njeru

5 Ruby Director, Kenya

"Since joining NeoLife nearly 20 years ago we were able to give our children a world-class education. We have personally developed beyond a level we could ever have imagined. We've been able to travel all over the world and learn about different people, their cultures and their countries. We have even flown across the north pole - that's something not many people have done! Today, we live in a lovely home and don't have to settle for anything less than the best. Thank you again NeoLife."

Opportunity **FAQs**

What is a Nutrition Startup?

With the NeoLife Distributor opportunity, we help people have success with startups. It's kind of like a tech startup but with nutrition. There's low barriers to entry because we provide the infrastructure that any successful business needs, as well as a consumable product and compensation plan. So instead of having to raise hundreds of thousands of shillings to get started, NeoLife makes entrepreneurship accessible to everyone. It's your business on your terms, that can also be passed down as an asset to future generations.

Other companies gain legitimacy and brand awareness with ads on tv and splash marketing campaigns. We do it through people. Because we believe in people. So we don't spend on advertising, we pay our Distributors instead... purely and simply based on performance.

How can I earn money?

There are many ways to earn as a NeoLife Distributor:

You earn retail profits by buying at Distributor Cost and selling at Suggested Retail Price.

- Simply have 100 Personal PV and you're eligible to earn a Sales Volume Bonus of up to 25%.
- When you achieve the Director title you also earn Leadership Development Bonuses on other Directors developed in your downline organisation.
- As you achieve President's Team you qualify for a Network Development Bonus on your entire network.
- You can also qualify for regular incentives, personal recognition and travel rewards based on your performance.

1. **Sell at Retail**
   Distributors shop at wholesale price, also known as DP (Distributor Price). You can choose to sell products directly to customers at a retail price, and your profit equals the difference. This can serve as a quick way to get cash in your pocket but there are also ways to earn that do not require you keep a large on-hand inventory.
2. **Compensation Plan**
   The NeoLife Compensation plan pays you based on your personal orders and the orders of Distributors in your team. Payout is calculated based on volume of product sold. A sliding scale Sales Volume Bonus (SVB) determines the percentage you earn.

	Total Monthly QPV	Sales Volume Bonus
DIRECTORS	4,000	25%
	3,000	20%
	2,000	15%
	1,000	10%
	500	5%
	250	3%

When you achieve the Director title you also earn Leadership Development Bonuses on other Directors developed in your downline organisation.

As you achieve President's Team you qualify for a Network Development Bonus on your entire network

3. **Incentives, Recognition & Travel**
   You can also qualify for regular incentives, personal recognition and travel rewards based on your performance.
