WHY CHOOSE ACCLAIM™ CASEMENT WINDOWS?

- **SIMPLE OPERATION** - Elegant hardware offers smooth, easy operation and features a folding handle that nests neatly and doesn't interfere with curtains or blinds.
- **CONVENIENCE** - Easily clean the glass from inside with our standard hinge hardware. Select corner-pivot hinge hardware when large/egress openings are needed.
- **COMFORT** - When fully open, casements provide the most ventilation of all window styles. Easily accessible lever locks the window at multiple points for a weather tight seal and enhanced security.
- **ELEGANCE** - Mortise-and-tenon frame and sash construction provides a traditional hand-crafted look.
- **VERSATILITY** - Casements are a particularly good choice for above counters or cabinets or anywhere opening a window requires a reach. In addition, custom grille patterns can mimic double-hung styling, making them an option for restoration and renovation projects where historic accuracy is important.

Eunice, Connor, and everyone else Ive dealt with have been great. The first Install crew in my December job was better than my second Install crew from a personality and friendliness factor, but the second Install crew from the current job got more friendly throughout the day.
