At Green Mountain Coffee Roasters®, there's a story behind every perfect cup of coffee. But every story begins the same — with farmers. The true magic of coffee begins in the soil. That's why we work alongside farmers like Rafael Costa, whose family has cultivated coffee for centuries, passing down knowledge as rich as the soil itself. Together, we support practices that advance soil conservation. Healthier soil can foster stronger, more resilient coffee plants, leading to better harvests. All while bringing you the bold, complex flavors of Dark Magic®. As deep as the night itself, the intense taste of this extra bold blend is enlivened by notes of dried fruit and bittersweet dark chocolate. Dark Magic® is Certified Orthodox Union Kosher and grown and sold in adherence to credible sourcing programs that align with our company's Responsible Sourcing Guidelines. These single serve K-Cup® pods are compatible with all Keurig® single serve coffee makers. Each K-Cup® pod is filled with the freshest dark roast ground coffee and brews a flavorful cup of coffee every time. Enjoy the same great-tasting coffee you know and love, and when you're done, please empty and recycle.*

Perfect again
Always right in time. Great job. I did order Decaf in error. Any chance I can return and get the Dark Magic non Decaf? I have 94 for which 3 boxes never opened. Please reply
