The best coffee ever
The best coffee. I've been ordering this for years. The delivery is quick. I can describe the flavor as smooth, rich and leaves no after taste. I simply sweeten it with a teaspoon of organic honey and it's perfect. Leaves a wonderful aroma in your house in the mornings, too. Always fresh. It has been my go to and nothing else compares.

Great Laughing Man blend
Laughing man has always been one of my favorite coffees and this one is good. Their African blends are richer with a little acidic edge, but this Columbian is a bill smoother to me and is still a great coffee. Good for a change.

Laughing Man Coffee
I have been a fan of Colombian coffee all my life and I am 75 years old. This is the best Colombian Coffee I have ever drank and I drink a lot of coffee. You can't go wrong buying this brand. All of my friends love it also and have been pilfering my stock. This is why I buy so much of it from Keurig. My wife is a fan also.
