If you have ever had McDonald's coffee, then you already know what this tastes like. If not, then you should. Nice mild coffee flavor without the bitterness.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.
