- Deep, bold, smooth.
- Dark roast, caffeinated coffee
- 100% Arabica coffee
- Certified Orthodox Union Kosher

BREW FIRST, ASK QUESTIONS LATER. A bold and battle-ready dark roast that takes no prisoners and shows no mercy. Delightfully smooth. Devastatingly strong. So ditch the white flag. Raise a cup instead.

We are the early risers. The all-nighters. The daily grinders. We are the can't-stop-won't-stop kind of crowd. Those who wish nevermore to be shackled by sleep, burdened by burnout, or defeated by drowsiness. We live for strong coffee.

Back in 2010, we got sick of seeing the world through tired eyes, surrounded by underwhelming coffees that barely moved the needle. We needed something stronger, and we knew others did too. REVV® is our coffee. A rich and balanced, dark-roasted dynamo filed to the brim and loaded for bear with the strongest coffee we could find.

A nicely roasted dark coffee for mornings
This is a nice strong coffee that is great in the morning with a donut. No after taste, great aroma. I tried this one on a whim also and was pleasantly surprised at how good it is. Will be ordering this one again and put into the rotation.

Full-bodied and flavorful dark roast
This is the BEST at any time of the day or night! Flavorful, full-bodied, and smooth finish to enhance your enjoyment of this brew. Give it a try and you'll be glad you did! We would give this coffee 10 stars if we could. It IS that good!!!

Revv >>> Death Wish
For me, better than Death Wish coffee for providing real, sustained energy. I'm not sure what's unique and special in Revv's formula, but it delivers the goods where so many other brands offer false promises.

Great coffee
I've had this coffee before as a sample, and had to get it after that! It's strong, great aroma and taste. Definitely worth the 4 boxes I bought.

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

Inside the **Recyclable*** **K-Cup*** **Pod**

Freshly ground coffee **from leading coffee brands** fills our recyclable K-Cup® pods

Hot water saturates the freshly ground beans and **flows through the paper filter**

Gentle pressure extracts every ounce of **rich, full-flavored coffee**
