Afternoon tea
A flavorful green tea, this is my afternoon pick-me-up.

Bolder than many
A bold tasting green tea here, not as subtle as many imports from China and Japan. Enjoy your next cuppa!

True to the Twinings Taste
I was a little hesitant to do the Twining's K-Cups and it is one of my favorite teas and I wasn't sure I would get the same experience from a K-Cup but I'll tell you, the flavor and richness is there with the convenience of the Kuerig. I will continue to not only purchase this but to try other teas as well.

Very good taste and good for a cold
Green tea is very good. I add pure lime juice with honey for a very bad cold

KEURIG

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

**Not recycled in many communities.*
Visit Keurig.com/Recyclable to learn more.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

*Check locally, not recycled in many communities.
