- Vibrant and crisp, smooth-roasted.
- Medium roast, caffeinated coffee
- 100% Arabica coffee
- Certified Orthodox Union Kosher

These beans will brew up a cup that's vibrant and crisp, with smooth citrus notes that give a hint of extra brightness to the morning. Even when it's not sunny. And that's just the first sip. Enjoy.

Back in 1970, we set out to craft the best cup of coffee. By using only the finest beans and perfecting our signature smooth roast, we landed on something downright delicious. And because we knew we had something special, we entered a competition and were named "The Best Coffee in Seattle." We were thrilled – and knew that we had found our name. Today, we continue to obsess over our award-winning coffee, because our name reminds us just how high we've set the bar.

Was looking for a good breakfast blend coffee for first thing in the morning. This just might be it. Good flavor & not too heavy/strong. First time I have tried this brand. Loving it so far.

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.
