II. LITIGATION BACKGROUND

A. Reckitt produces and sells Neuriva Products, supplements marketed to promote brain health. The labels and advertising of the Neuriva Products contain representations that the active ingredients are clinically proven to support brain health. However, since summer 2020, several actions have been filed challenging the truth of such representations and further alleging that Reckitt made other misrepresentations regarding the health or brain performance benefits of the Neuriva Products. On May 19, 2020, counsel on behalf of Howard Clark served a demand letter relating to the representations (the “Clark Letter”) challenging the clinically proven claims and alleging that the Neuriva Products “do not, in fact, have the effects on brain performance and cognition they are advertised to have.” On June 19, 2020, Plaintiff Thomas Matthews, individually and on behalf of a nationwide class, brought a suit entitled *Matthews, et al. v. Reckitt Benckiser LLC, et al.*, No. 1:20-cv-00854 in the Eastern District of California (the “Matthews Action”) again challenging the clinically proven representations and also claiming that the health claims Reckitt made regarding Neuriva Products are false.

B. The *Matthews* Action was followed by the instant action in the Southern District of Florida, *Williams, et al. v. Reckitt Benckiser LLC, et al.*, No. 1:20-cv-23564 (S.D. Fla.) (the “Williams” Action), which was filed on August 26, 2020 and on behalf of a Florida class, where again the Plaintiffs challenged the clinically proven representations and also claimed that the health claims Reckitt made regarding its Neuriva Products are false. One

week later, on September 2, 2020, another suit was filed in the Southern District of New York, *Angeles v. Reckitt Benckiser*, Case No. 1:20-cv-07138 (S.D.N.Y) (the “*Angeles*” Action) on behalf of a New York class yet once again challenging the clinically proven representations and also claiming that the health claims Reckitt made regarding its Neuriva Products are false. To date, any complaint relating to the *Clark* Letter remains unfiled.

C. **The *Matthews* Action.** Reckitt filed a motion to dismiss the *Matthews* Action on September 8, 2020. In response, the *Matthews* plaintiff filed an Amended Complaint on October 16, 2020. Reckitt filed a motion to dismiss the Amended Complaint on November 30, 2020. In anticipation of this Settlement Agreement, the Parties stipulated to stay the *Matthews* Action, which the court granted on January 11, 2021.

D. **The *Williams* Action.** On November 2, 2020, Reckitt filed a motion to stay the *Williams* Action or transfer it to the Eastern District of California in deference to the *Matthews* Action under the so-called “first-filed rule.” That same day, Reckitt also filed a motion to dismiss the *Williams* Action. On December 1, 2020, the *Williams* plaintiffs filed an Amended Complaint, to which Reckitt filed another motion to dismiss on December 15, 2020. The *Williams* plaintiffs opposed the motion to stay or transfer. Although the motion to stay or transfer and the motion to dismiss were pending before this Court, the Parties agreed to file a Notice of Settlement on January 7, 2021, to stay the case in anticipation of this Settlement Agreement. Plaintiffs filed a Second Amended Complaint on January 27, 2021, which incorporated all Plaintiffs from the other Action. It is the operative complaint for this Settlement. Defendants consented to the Second Amended Complaint for settlement purpose only, without prejudice to Defendants to oppose venue of the *Williams* Action in the Southern District of Florida if the Settlement does not reach the Effective Date.

E. **The *Angeles* Action.** Reckitt has not yet responded to the *Angeles* Complaint; the deadline to do so was adjourned pending a motion to transfer but again, in anticipation of this Settlement Agreement, the Parties requested and were granted a stay of the case on January 14, 2021.

F. Through the fall and winter of 2020, counsel for the Parties, including counsel on behalf of plaintiffs and claimants from all Neuriva Actions, participated in multiple all-day extended mediation sessions with Jill Sperber, Esq. from Judicate West. These mediations took place on October 2 and November 30, 2020. Before, during, and after the mediation the Parties engaged in a series of discussions, with and without Ms. Sperber, regarding a settlement of the Neuriva Actions, including substantial arm’s-length negotiations. The result was this Settlement, which includes the settlement of the *Williams* Action in its entirety and also all of the remaining Neuriva Actions. Ms. Sperber has reviewed the material terms of this Settlement and agrees that it is a fair, reasonable, and adequate solution for the Settlement Class.

G. Pursuant to the terms and conditions of the Settlement and this Agreement, the Parties, including the Additional Plaintiffs and their counsel, have agreed that a Motion for Preliminary Approval will be filed on or by February 5, 2021. Upon entry of an order

granting preliminary approval to the Settlement, plaintiffs in the *Matthews* and *Angeles* Actions will file for voluntary dismissal without prejudice in their respective actions.

H. Class Counsel has conducted a thorough investigation into the facts surrounding the Neuriva Actions. This investigation included but was not limited to factual research, legal research, as well as the collection and review of documents, data, and other information provided by Reckitt relating to the sales of and science substantiating the claims and marketing for the Neuriva Products.

I. Based on the above-outlined discovery and investigation, the current state of the law, the expense, burden, and time necessary to prosecute the Neuriva Actions through trial and possible appeals, the risks and uncertainty of further prosecution considering the defenses at issue, the sharply contested legal and factual issues involved, and the relative benefits to be conferred upon Plaintiffs and the Settlement Class Members pursuant to this Agreement, Plaintiffs and Class Counsel have concluded that this Settlement with the Settling Defendants on the terms set forth herein is fair, reasonable, adequate, and in the best interests of the Settlement Class in light of all known facts and circumstances.

J. The Settling Defendants and their counsel recognize the expense and length of continued proceedings necessary to continue the Action through trial and through possible appeals. The Settling Defendants also recognize that the expense and time spent defending the Neuriva Actions have and will further detract from resources that may be used to run their business. While the Settling Defendants deny any wrongdoing or liability arising out of any of the facts or conduct alleged in the Neuriva Actions and believe that they have valid defenses to Plaintiffs' and Additional Plaintiffs' claims, the Settling Defendants have determined that the Settlement is fair, adequate, and reasonable.

III. CERTIFICATION

A. **Certification of Class.** Solely for the purposes of this Settlement, and without any finding or admission of any wrongdoing or fault by any of the Settling Defendants, and pursuant to the terms of this Agreement, the Parties consent to and agree to the establishment of a conditional certification of the nationwide Settlement Class, pursuant to Federal Rule of Civil Procedure 23(b)(3) and 23(b)(2). David Williams, Carol Anglade, Thomas Matthews, Maritza Angeles, and Howard Clark will serve as Class Representative plaintiffs and (1) Whitfield Bryson LLP; (2) Greg Coleman Law PC; (3) Levin, Papantonio, Thomas, Mitchell, Rafferty & Proctor, PA; (4) Barbat, Mansour, & Suciu PLLC, (5) Bursor & Fisher PA; and (6) Shub Law Firm LLC will serve as Class Counsel.

B. **Certification is Conditional.** This certification is for Settlement purposes only and is conditional on the Court's approval of this Agreement. In the event that this Agreement is terminated pursuant to Section XI of this Agreement, then certification of the Settlement Class shall be void and this Agreement and all orders entered in connection therewith, including but not limited to any order conditionally certifying the Settlement Class, shall become null and void, shall be of no further force and effect, and shall not be

used or referred to for any purposes whatsoever in the *Williams* Action, the other Neuriva Actions, or in any other case or controversy relating to the Challenged Representations. In the event the Court does not approve of all terms of the Agreement, this Agreement and all negotiations and proceedings related thereto shall be deemed to be without prejudice to and without waiver of the rights of any and all Parties hereto, who shall be restored to their respective positions as of the date of this Agreement, and the Settling Defendants shall not be deemed to have waived any opposition or defenses they have to any of the claims asserted herein or to whether those claims are amenable to class-based treatment.

IV. SETTLEMENT CONSIDERATION

A. **Injunctive Relief.** In consideration of the mutual covenants and promises set forth herein, and subject to this Court's approval, the Parties, including their counsel, agree as follows:

1. Reckitt shall change all Neuriva Product label and marketing references as follows:
 - a. Any references to "Clinically Proven" on the Neuriva Product labels, an example attached hereto as Exhibit E, shall be changed to "Clinically Tested" or similar language, such as clinical studies have "shown;"
 - b. Any references to "Clinically Proven" in ancillary marketing (including websites, advertising, and social media) shall be changed to "Clinically Tested" or similar language, such as clinical studies have "shown;"
 - c. Any references to "Science Proved" on the Product labels, see Exhibit E, or in ancillary marketing (including websites, advertising, and social media) shall be changed to "Science Tested" or similar language, such as scientific studies have "shown."
2. Labeling in a form substantially similar to that depicted in Exhibit E shall be considered compliant with the injunctive relief agreed to herein. These labeling and marketing changes shall be the sole obligations for Changed Practices under the Agreement, shall be subject to the Court's approval and Final Judgment, and any disputes regarding the labeling or marketing practices shall be subject to the Court's continuing jurisdiction under Section XII to enforce such relief.
3. The obligations of Section IV.A.1 shall initiate on the date exactly six (6) months after the Final Approval Order and Judgment (the "Initiation Date") and shall remain in effect for two (2) years thereafter

(the “Effective Period”).

4. Except for the representations covered by Section IV.A.1 and injunctive relief entered by the Court, nothing in this Agreement prohibits Reckitt from otherwise modifying or revising its labeling, marketing, or advertising, subject to applicable federal and state laws and regulations. Nothing in this Agreement precludes either party from seeking a modification of this injunctive relief based on new research, information, or regulatory or legal developments.
5. For those representations covered by Section IV.A.1, if Reckitt possesses competent and reliable scientific evidence substantiating that a representation is true, Reckitt may revise or modify its representations and, by way of Reckitt’s counsel, shall provide Plaintiffs’ Counsel with 180 days’ notice, in writing, of the proposed representations and the underlying scientific evidence. Plaintiffs’ Counsel may either agree to or challenge such representation, through an amended complaint or otherwise, within that 180-day period. Such a challenge may be based in part, or such representation may be supported in part, without limitation, upon the criteria in the Guidance Document *DEPARTMENT OF HEALTH AND HUMAN SERVICES; Food and Drug Administration [Docket No. FDA-2004-D-0303] (formerly Docket No. 2004D-0466); “Guidance for Industry: Substantiation for Dietary Supplement Claims Made Under Section 403(r)(6) of the Federal Food, Drug, and Cosmetic Act”* or such alternate approach as interpreted by state or federal law and the Court to otherwise satisfy state or federal laws and regulations. The Court will specifically reserve Continuing Jurisdiction under Section XII for such challenge. Nothing in this provision limits the defenses or legal theories supporting such representations or claims to which Reckitt would otherwise be entitled.
6. Notwithstanding Sections IV.A.1-4, no Neuriva Products that have been already been manufactured, packaged or distributed by Reckitt or their contractors as of the Initiation Date, or any other Neuriva Products in the supply chain, need be destroyed or recalled, and all such Neuriva Products may be sold in the ordinary course of business without violating any injunctive relief provisions in the Agreement.
7. Reckitt will cooperate with Plaintiffs in presenting evidence to the Court regarding the value of the injunctive relief, including, without limitation, the cost to Reckitt to comply with the Injunctive Relief.

B. Monetary Relief. In consideration of the mutual covenants and promises set forth herein, and subject to this Court’s approval, the Parties, including their counsel, agree as follows:

1. Every Settlement Class Member, or Household with a Settlement Class Member, shall have the right to submit a claim via a Claim Form for monetary relief (a "Settlement Benefit"). The Settlement Administrator will determine whether the claim is a Valid Claim. The Settlement Administrator may track Claim Forms using a two-step verification process with unique security identifiers or control numbers and take all other necessary and appropriate steps to prevent fraud and duplications, which shall be disclosed to the Parties. Submission of a claim, regardless of whether it is determined to be a Valid Claim, shall confer no rights or obligations on any Party, any Settlement Class Member, or any other person, except as expressly provided herein.
2. Reckitt shall pay or cause to be paid certain monetary relief to each Settlement Class Member who submits a Valid Claim for purchase(s) of Neuriva Product based upon the following two-tier, capped claims-made settlement structure:
 - a. Settlement Class Members who provide Proof of Purchase may be entitled to recover up to thirty-two dollars and fifty cents (\$32.50) per Valid Claim and may make up to two (2) Claims for a maximum of sixty-five dollars (\$65.00). Notwithstanding the preceding, in no circumstance shall Reckitt pay an amount that exceeds the actual purchase amount reflected in a Settlement Class Member's Proof of Purchase.
 - b. Settlement Class Members who do not provide Proof of Purchase may be entitled to recover five dollars (\$5.00) per Claim and may make up to four (4) Claims for a maximum of twenty dollars (\$20.00).
3. Valid Claims submitted as set forth in Section IV.B.2.a-b above shall be paid by Reckitt pursuant to a total maximum, or cap, of eight million dollars (\$8,000,000.00). Should the Settlement Class Members submit more than eight million dollars (\$8,000,000.00) in Claims for this Settlement (regardless of the dollar amount or validity of such claims), Reckitt shall reduce the Settlement Benefit payable for each Valid Claim on a pro rata basis.
4. Should the Settlement Class Members submit more than eight million dollars (\$8,000,000.00) in Claims for this Settlement (regardless of the dollar amount or validity of such claims), Reckitt shall have the unconditional right, but not the obligation, to terminate this Settlement Agreement. If Reckitt elects to terminate this Settlement Agreement under this paragraph, Reckitt must provide written notice

to the other Parties' counsel, by hand delivery, mail, or e-mail within ten (10) calendar days of the occurrence of the condition permitting termination. Reckitt shall be responsible for any Class Notice costs incurred if it chooses to exercise this option.

5. Valid Claims submitted as set forth in Section IV.B.2.a-b above shall be limited to one Settlement Class Member per Household.
6. On the Claim Form, the Settlement Class Member, or a Person with authority to sign and bind the Settlement Class Member, must provide and certify the truth and accuracy of the following information under the penalty of perjury, including by signing the Claim Form physically or by e-signature, to be considered a Valid Claim:
 - a. The Settlement Class Member's name and mailing address;
 - b. The Settlement Class Member's email address (unless the Settlement Class Member submits a claim form by mail, in which case an email address is optional);
 - c. That the claimed purchases were direct retail purchases by the claimant; and
 - d. That the claimed purchases were not made for purposes of resale, commercial use or for any other purpose.
 - e. For all claimed purchases that are not supported by Proof of Purchase: the Neuriva Product name(s), the approximate date(s) of purchase, the approximate price(s), the name of the retail store and the store location of each purchase.
7. Each Settlement Class Member making a claim must provide the Settlement Administrator with Claim Form by a secure and reliable form of transmission such as via online Internet submissions on the Settlement Website or via U.S. mail by the conclusion of the Claim Period based on the date of postmark.
8. The Settlement Administrator shall have the right to audit claims, and the Settlement Administrator may request additional information from Settlement Class Members making a claim. If any fraud is detected or reasonably suspected, the Settlement Administrator can require further information from the Settlement Class Member, and the Settlement Administrator may deny claims.
 - a. The determination of validity of claims shall occur within a reasonable time. The Settlement Administrator shall have

discretion, consistent with this Settlement, to reasonably approve or deny all claims. Class Counsel and Reckitt shall have the right to audit claims and to challenge the Settlement Administrator's decision by motion to the Court. Plaintiffs', Reckitt's, or their counsels' choice not to audit the validity of any one or more Claim Forms shall not constitute or be construed as a waiver or relinquishment of any audit or other rights as to any other Claim Forms, individually or as a group, and similarly shall not be construed as a waiver or relinquishment by such Party as to any of its audit and other rights under this Agreement; provided, however, that any challenge to the Settlement Administrator's resolution of a claim(s) shall be filed no later than sixty (60) days after the period for cure specified in Section IV.B.8(b) of this Agreement. No Person shall have any claim against Plaintiffs, Reckitt, Plaintiffs' Counsel, Reckitt's counsel or the Settlement Administrator based on any determination of a Valid Claim, distributions or awards made in accordance with this Agreement and the Exhibits hereto. Neither Plaintiffs nor Reckitt, nor their respective counsel, shall have any liability whatsoever for any act or omission of the Settlement Administrator.

- b. Within thirty (30) days after the Claim Period ends, the Settlement Administrator shall notify by email all Settlement Class Members whose claims are denied the reason(s) for denial, using the email address or physical address (if any) provided by the Settlement Class Member on the Claim Form. If no email address or physical address, or an illegible physical address, is provided by the Settlement Class Member on the Claim Form, the Settlement Administrator shall not have an obligation to provide the Settlement Class Member any notification of the denial of the claim or the reasons for denial. The Settlement Class Members whose claims were denied shall be allotted thirty (30) days from receipt of a denial to cure any deficiency, with the sufficiency of such cure to be determined by the Settlement Administrator within thirty (30) days of the conclusion of the period for cure.
9. The Settling Defendants, through the Settlement Administrator, shall honor all Valid Claims submitted either through U.S. mail or online via the Settlement Website within the Claim Period. Neither the Settling Defendants nor the Settlement Administrator shall be obligated to honor untimely claims received by the Settlement Administrator or postmarked after the Claim Period.

10. The Settling Defendants shall fund the total amount to be paid to eligible Settlement Class Members within thirty (30) days after the Settlement Administrator determines the total amount to be paid for Valid Claims. The Settling Defendants shall place said funds in an agreed-upon institutional account. The Class Action Settlement Administrator shall then pay all Valid Claims within thirty (30) days after the Settling Defendants deposits the funds to be paid.

C. **Confirmatory Discovery.** Prior to the Motion for Preliminary Approval, the Parties will have conducted extensive confirmatory discovery, to include, but not be limited to, information regarding the sales of Neuriva Products and the science and related information supporting the labeling claims on the Neuriva Products. To the extent necessary to support the Settlement and the relief under Section IV.A-B, the Parties will be entitled to conduct further confirmatory discovery.

V. ATTORNEYS' FEES AND CLASS REPRESENTATIVE AWARD

A. **Attorneys' Fees, Costs, and Expenses.** Class Counsel agrees that it will apply to the Court for attorneys' fees, costs, and expenses in an amount not to exceed two million nine hundred thousand dollars (\$2,900,000.00). This is an inclusive amount and specifically includes all costs and fees incurred by Class Counsel and Plaintiffs' Counsel in connection with the Neuriva Actions thus far, as well as ongoing and future costs and fees through finalization of Settlement of this Action. The exact amount of fees awarded shall be determined by the Court in its discretion and the determination thereof will not impact the validity or fulfillment of the Settlement Agreement. The amount finally approved by the Court shall be the sole responsibility of, and will solely be paid by the Settling Defendants above and beyond any relief provided to the Settlement Class. Class Counsel will, in their sole discretion, allocate and distribute among all Plaintiffs' Counsel and any other counsel, if applicable, the fees and reimbursed expenses that they receive pursuant to the final order awarding the attorneys' fees and expenses from this Settlement. Disagreements, if any, among Plaintiffs' Counsel and any other counsel, if applicable, relating to their respective shares of any such fee and expense award will have no impact on the effectiveness or the implementation of this Settlement Agreement, nor will such disagreements increase, modify, or otherwise affect the obligations imposed upon the Settling Defendants by this Settlement Agreement. Any such disagreements will be resolved by this Court.

B. The Attorneys' Fees and Costs awarded by the Court as set forth under Section V.A shall be the total obligation of the Settling Defendants to pay attorneys' fees, costs, and expenses of any kind to Plaintiffs' Counsel in connection with the *Williams* Action or the other Neuriva Actions and this Settlement. In no event shall the Settling Defendants be obligated to pay to Plaintiffs' Counsel any amount larger than the amount specified in Section V.A.

C. **Class Representative Awards.** Class Counsel agrees that it will apply to the Court for an incentive award to Class Representatives and Additional Plaintiffs in an amount not to exceed two thousand dollars (\$2,000.00) each, for their participation as the

Class Representatives in the Neuriva Actions, for taking on the risks of litigation, and for Settlement of their individual claims as a Settlement Class Member in this Action. The exact amount of amount awarded shall be determined by the Court in its discretion, subject to prevailing Eleventh Circuit law, including but not limited to *Johnson v. NPAS Sols., LLC*, 2020 WL 5553312 (11th Cir. Sept. 17, 2020), and the determination thereof will not impact the validity or fulfillment of the Settlement Agreement. The amount finally approved by the Court shall be the sole responsibility of, and will solely be paid by the Settling Defendants above and beyond any relief provided to the Settlement Class or any Attorneys' Fees and Costs.

D. Any payment of a Class Representative Award by the Court as set forth in Section V.C shall be the total obligation of the Settling Defendants to pay money to Plaintiffs, in connection with the *Williams* Action and the other Neuriva Actions and this Settlement, other than amounts due to any Plaintiffs for a Valid Claim submitted pursuant to Section IV.B of this Agreement. In no event shall the Settling Defendants be obligated to pay to Plaintiffs any amount larger than the amount specified in Section V.C, other than for a Valid Claim pursuant to Section IV.B of this Agreement.

E. Reckitt agrees not to (a) oppose or submit any evidence or argument challenging or undermining Class Counsel's application for attorneys' fees, costs, expenses; (b) encourage or assist any person to oppose or submit any evidence or argument challenging or undermining Class Counsel's application for attorneys' fees, costs, expenses; or (c) encourage or assist any person to appeal from an order making a fee award. The Parties entered into this agreement regarding an award of fees and costs after good-faith, arms-length negotiations on the terms of the Settlement only after the negotiation and resolution of the material elements of this Agreement.

F. The full fees and costs that are approved by the Court shall be paid to the Trust Account of Whitfield Bryson LLP. Class Counsel, the Class Representatives, and Additional Plaintiffs agree to provide the Settling Defendants all identification information necessary to effectuate the payment of the fees and costs including, but not limited to, Taxpayer Identification Number(s), and completed Internal Revenue Service Form W-9(s).

VI. RELEASE

A. Upon the Effective Date, and except as to such rights or claims as may be created by this Agreement, and in consideration for the Settlement benefits described in this Agreement, Plaintiffs and the Settlement Class fully release and discharge the Settling Defendants, and all of their present and former parent companies, subsidiaries, special purposes entities formed for the purpose of administering this Settlement, shareholders, owners, officers, directors, employees, agents, servants, registered representatives, attorneys, insurers, affiliates, and successors, personal representatives, heirs and assigns, retailers, suppliers, distributors, endorsers, consultants, and any and all other entities or persons upstream and downstream in the production/distribution channels (together, the "Discharged Parties") from all claims, demands, actions, and causes of action of any kind or nature whatsoever, whether at law or equity, known or unknown, direct, indirect, or

consequential, liquidated or unliquidated, foreseen or unforeseen, developed or undeveloped, arising under common law, regulatory law, statutory law, or otherwise, whether based on federal, state or local law, statute, ordinance, regulation, code, contract, common law, or any other source, or any claim that Class Counsel, Plaintiffs' Counsel, Class Representatives, Additional Plaintiffs or Settlement Class Members ever had, now have, may have, or hereafter can, shall or may ever have against the Discharged Parties in any court, tribunal, arbitration panel, commission, agency, or before any governmental and/or administrative body, or any other adjudicatory body, on the basis of, arising from, or relating to the allegations or claims in the *Williams* Action or the Neuriva Actions, including that the Neuriva Products were misleadingly labeled, marketed, or sold, or that relate to the labeling and marketing of the Neuriva Products, except that there shall be no release of claims for personal injury allegedly arising out of use of the Neuriva Products (the "Released Claims").

B. Plaintiffs and Additional Plaintiffs expressly understand and acknowledge, and all Settlement Class Members will be deemed by the Final Judgment to acknowledge, that certain principles of law, including but not limited to Section 1542 of the Civil Code of the State of California, provide that "a general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor." To the extent that anyone might argue that these principles of law are applicable -- notwithstanding that the Parties have chosen Florida law to govern this Agreement -- Plaintiffs on behalf of all Settlement Class Members hereby agree that the provisions of all such principles of law or similar federal or state laws, rights, rules or legal principles, to the extent they are found to be applicable herein are hereby knowingly and voluntarily waived, relinquished, and released by Plaintiffs and all Settlement Class Members.

C. After entering into this Settlement Agreement, Plaintiffs or the Settlement Class Members may discover facts other than, different from, or in addition to, those that they know or believe to be true with respect to the Released Claims. Plaintiffs and the Class Members expressly waive and fully, finally, and forever settle and release any known or unknown, suspected or unsuspected, contingent or noncontingent claim, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such other, different, or additional facts

VII. NOTICE TO THE SETTLEMENT CLASS PURSUANT TO THE CLASS ACTION FAIRNESS ACT

A. **Class Notice Plan.** Subject to the approval of the Court and to begin no later than twenty-one (21) days after the Preliminary Approval Order, the Settlement Administrator shall cause the Internet Notice to be implemented in substantially the form attached as Exhibit D which will include, but not be limited to, (i) internet and social media notice; (ii) notice via an established a Settlement Website; and (iii) U.S. mail or e-mail notice containing information on how to obtain a Claim Form to potential Settlement Class Members at their most recent physical address or email address in the Settling Defendants'

possession from a purchase of one or more Neuriva Products directly from the Settling Defendants (as opposed to from a non-party retailer). In addition, Class Notice, in substantially the form attached hereto as Exhibit B, shall be published on the Settlement Website. The Settlement Administrator will also establish a toll-free number to provide information to the Settlement Class, including on how to submit Claim Forms.

B. The Class Notice plan shall reach no less than 80% of the Settlement Class unless the Parties mutually agree otherwise.

C. Any notice is required to comply with the notice requirements of the Class Action Fairness Act of 2005, 28 U.S.C. §§ 1711-1715.

D. The Settling Defendants, at their cost, shall cause the Class Notice to issue in accordance with the requirements of the Preliminary Approval Order.

E. The Class Notice plan and claims procedure shall be provided according to a plan developed by the Settlement Administrator, to include measures to prevent the approval of fraudulent or invalid claims.

F. Tracking and reporting of Settlement Class Members who request exclusion shall be compiled by the Settlement Administrator and communicated to Class Counsel who will report to the Court.

G. The Settlement Administrator shall draft a short form notice in a form substantially similar to Exhibit B to clearly and concisely describe the relief provided under this Settlement, and how to file a claim.

VIII. PROCEDURES FOR OBJECTING TO OR REQUESTING EXCLUSION FROM SETTLEMENT

A. **Objections.** Only Settlement Class Members may object to the Settlement. If any Settlement Class Member wishes to object to the Settlement, the Settlement Class Member must submit a written objection to *Williams, et al. v. Reckitt Benckiser, et al.* Settlement Administrator, 1650 Arch Street, Suite 2210, Philadelphia, PA 19103. The written objection may be submitted by mail, express mail, electronic transmission, or personal delivery, but to be timely, it must be delivered to the Settlement Administrator (not just postmarked or sent) prior the Objection/Exclusion Deadline. Each objection must include:

1. The case name and number: *Williams, et al. v. Reckitt Benckiser, LLC*, Case No. 1:20-cv-23564-MGC;
2. The name, address, and telephone number of the Objector;
3. The name, address, and telephone number of all counsel (if any) who

represent the Objector, including any former or current counsel who may be entitled to compensation for any reason if the objection is successful, and legal and factual support for the right to such compensation;

4. Documents or testimony sufficient to establish membership in the Settlement Class;
5. A detailed statement of any objection asserted, including the grounds therefor;
6. Whether the Objector is, and any reasons for, requesting the opportunity to appear and be heard at the Final Approval Hearing;
7. The identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing and, if applicable, a list of all persons who will be called to testify in support of the objection;
8. Copies of any papers, briefs, or other documents upon which the objection is based;
9. A detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any state or federal court in the United States in the previous five (5) years (or affirmatively stating that no such prior objection has been made); and
10. The Objector's signature, in addition to the signature of the Objector's attorney (if any).

B. Failure to include documents or testimony sufficient to establish membership in the Settlement Class shall be grounds for overruling and/or striking the objection on grounds that the Objector lacks standing to make the objection. Failure to include any of the information or documentation set forth in Section VIII.A.1-10 also shall be grounds for overruling an objection. The Parties may respond to any objection to the Settlement with appropriate arguments and evidence.

C. Subject to approval of this Court, any Objector may appear, in person (or video conference, if required) or by counsel, at the Final Approval Hearing held by the Court, to show cause why the proposed Settlement should not be approved as fair, adequate, and reasonable, or object to any petitions for attorneys' fees, Class Representative/Additional Plaintiff awards, or reimbursement of reasonable litigation costs and expenses. The Objector must file with the Clerk of the Court and serve upon Class Counsel and the Settling Defendants' Counsel (at the addresses listed in Section XVI), a notice of intention to appear at the Final Approval Hearing ("Notice of Intention to

Appear”) on or before the Objection/Exclusion Deadline.

D. The Notice of Intention to Appear must include copies of any papers, exhibits, or other evidence that the objecting Class Member (or his/her/its counsel) will present to the Court in connection with the Final Approval Hearing. Any Settlement Class Member who does not provide a Notice of Intention to Appear in complete accordance with the deadlines and other specifications set forth in the Class Notice, will not be allowed to speak or otherwise present any views at the Final Approval Hearing.

E. The date of the postmark on the mailing envelope or a legal proof of service accompanied by a file-stamped copy of the submission shall be the exclusive means used to determine whether an objection and/or notice of intention to appear has been timely filed and served. In the event that the postmark is illegible, the objection and/or notice to appear shall be deemed untimely unless it is received by the counsel for the Parties within two (2) calendar days of the Objection/Exclusion Deadline.

F. In response to objections, Class Counsel shall, at least seven (7) days (or such other number of days as the Court shall specify) before the Final Approval Hearing, file any responses to any written objections submitted to the Court by Settlement Class Members in accordance with this Agreement

G. A Settlement Class Member who objects to the Settlement may also submit a Claim Form before the Claim Period ends, which shall be processed in the same way as all other Claim Forms. A Settlement Class Member shall not be entitled to an extension to the claim filing deadline merely because the Settlement Class Member has also submitted an objection.

H. **Exclusions.** If any Settlement Class Member wishes to be excluded from (in other words, opt out of) this Settlement, the Settlement Class Member may do so by completing the exclusion form at the Settlement Website; downloading and submitting to the Settlement Administrator a completed exclusion form; or submitting a valid request to exclude themselves, as described in the Notice, to the Settlement Administrator. Requests to exclude themselves must be delivered (not just postmarked) by the Exclusion Deadline or they shall not be valid. A Settlement Class Member who elects to exclude themselves from this Settlement shall not be permitted to object to this Settlement or to intervene in any way.

I. The proposed Preliminary Approval Order and Notice will provide that any Settlement Class Member wishing to object or exclude themselves who fails to properly or timely file or serve any of the requested information and/or documents will be precluded from doing so.

J. Immediately upon receipt of any objection, the Settlement Administrator shall forward the objection and all supporting documentation to counsel for the Parties. At least fourteen (14) days prior to the hearing on Final Approval, Class Counsel shall file all such objections and supporting documentation with the Court along with any response to

the objection made by the Parties.

K. At least fourteen (14) days prior to the hearing on Final Approval, the Settlement Administrator shall prepare a list of the names of the Persons who, pursuant to the Notice, have excluded themselves from the Settlement Class in a valid and timely manner, and Plaintiffs' Counsel shall file that list with the Court.

L. If a Settlement Class Member submits both a Claim Form and an exclusion request, the Claim Form shall take precedence and be considered valid and binding, and the exclusion request shall be deemed to have been sent by mistake and rejected.

M. The Parties agree to use their best efforts to carry out the terms of this Settlement. At no time will any of the Parties or their counsel seek to solicit or otherwise encourage any Settlement Class Member to object to the Settlement or request exclusion from participating as a Settlement Class Member, or encourage any Settlement Class Member to appeal from the Final Judgment.

IX. DUTIES OF THE PARTIES PRIOR TO FINAL COURT APPROVAL

A. Promptly upon execution of this Agreement, and by no later than February 5, 2021, Plaintiffs shall submit this Agreement to the Court in support of a Motion for Preliminary Approval and determination by the Court as to its fairness, adequacy, and reasonableness. The Settling Defendants will not oppose. The Motion for Preliminary Approval shall seek relief substantially in the following form:

1. Scheduling a Final Approval Hearing on the question of whether the proposed Settlement should be finally approved as fair, reasonable, and adequate as to the members of the class;
2. Approving as to form and content the Internet Notice and Class Notice;
3. Directing implementation of the Internet Notice, and the method of Class Notice;
4. Preliminarily approving the Settlement;
5. Preliminarily and conditionally certifying the Settlement Class for Settlement purposes;
6. Enjoining the prosecution of any other individual or class claims against Reckitt for facts, circumstances, or claims alleged in the Neuriva Actions.
7. Providing that, in the event the proposed Settlement set forth in this

Agreement is not approved by the Court or is terminated by one or more Party pursuant to Section XI of this Agreement and all orders entered in connection therewith, including but not limited to any order conditionally certifying the nationwide Settlement Class or dismissing any of the Neuriva Actions, shall become null and void and shall be of no further force and effect and shall not be used or referred to for any purposes whatsoever in the *Williams* Action, the other Neuriva Actions, or in any other case or controversy; and in such an event, this Agreement and all negotiations and proceedings related thereto shall be deemed to be without prejudice to the rights of any and all Parties hereto, who shall be restored to the respective positions as of the date of this Agreement. This includes amending the Consolidated Amended Complaint and injunction on other Neuriva Actions to restore the Neuriva Actions to their previous state. In the event the Court does not enter the Preliminary Approval order described herein, or decides to do so only with material modifications, then this entire Agreement shall become null and void, unless the Parties hereto agree in writing to proceed with this Agreement as modified.

B. Promptly upon entry of the Preliminary Approval Order, plaintiffs in the *Matthews* and *Angeles* Actions, respectively, will file notices of voluntary dismissal without prejudice.

X. COURT APPROVAL

A. Class Counsel will submit a proposed Final Approval Order and Judgment at the Final Approval Hearing, with such Order in substantially the same form as Exhibit C and in keeping with the terms of this Agreement shall include:

1. Approval of the Settlement, adjudging the terms thereof to be fair, reasonable, and adequate, and directing consummation of its terms and provisions;
2. Approval of Class Counsel's application for the requested award of attorneys' fees and costs and the Class Representative and Additional Plaintiffs awards; and
3. A request for entry by the Court of a final judgment and order permanently barring the Parties and Settlement Class Members from prosecuting the other Parties and their officers, attorneys, directors, shareholders, employees, agents, retailers, suppliers, distributors, endorsers, consultants, and any and all other entities or persons upstream and downstream in the production/distribution channels in regard to those matters released as set forth in Section VI above.

XI. TERMINATION

A. Any Party shall have the right, but not the obligation, to unilaterally terminate this Agreement and the Settlement within fourteen (14) days of any of the following occurrences:

1. An appellate court reverses the Final Approval Order and Judgment, and the Agreement is not reinstated without material change by the Court on remand (unless the reversal is solely concerning the award of attorneys' fees, costs, and expenses, or incentive awards);
2. Any court deletes or strikes from, or modifies, amends, or changes, the Preliminary Approval Order, the Final Approval Order and Judgment, or the Agreement in a way that Plaintiffs or the Settling Defendants reasonably consider material, unless such modification or amendment is accepted in writing by all Parties;
3. The Effective Date set forth in the Agreement does not occur; or
4. More than ten percent (10%) of the Settlement Class opts out.

B. Notwithstanding the foregoing, neither Plaintiffs nor Class Counsel shall have any right to terminate the Agreement in the event the Court declines Plaintiffs' and/or Class Counsel's requests for Attorneys' Fees, Expenses and/or Incentive Awards, or awards less than the amounts sought. However, Plaintiffs shall have the right to appeal the denial of their requests for Attorneys' Fees, Expenses and/or Incentive Awards.

C. In order to exercise his, her, or its right to terminate this Agreement, the terminating Party must timely serve written notice of his, her, or its election to do so, which states the basis for the termination ("Termination Notice"), on counsel of record for all other Parties hereto. A Party's termination of this Agreement is effective only if and when notice of the same is timely served on counsel of record for the Parties.

D. In the event this Agreement is terminated, then:

1. The certification of the Settlement Class and any other judgment or order relating in any way to this Settlement entered by the Court in the Action will be void and deemed vacated, *nunc pro tunc*, and without prejudice to the Settling Defendants' right to contest class certification and their right to exercise all other rights and defenses in any of the Neuriva Actions;
2. The Parties shall be restored to their respective positions prior to the entering into the Settlement status quo ante as if this Agreement had never been entered into, except for any provisions of this Agreement that expressly survive termination; and

3. Any Party that terminates this Agreement shall be obligated to pay all reasonable costs and fees incurred by the Settlement Administrator. Otherwise the Parties will bear their own costs and fees.

XII. CONTINUING JURISDICTION

A. The Court shall retain continuing and exclusive jurisdiction over the enforcement, interpretation, and applicability of the Settlement and the Parties agree to cooperate and to take all necessary and appropriate steps to ensure the enforceability of the Settlement. The Court's continuing jurisdiction includes, but is not limited to, the enforcement and applicability of the injunctive relief under Section IV.A with respect to any parties who may assert claims against Reckitt that implicate the terms of the Settlement or this Agreement, including the injunctive relief agreed to herein. In granting Final Judgment the court shall enjoin all actions in any jurisdiction against the Discharged Parties as is necessary to preserve the Court's jurisdiction.

XIII. PARTIES' AUTHORITY

A. The signatories represent that they are fully authorized to enter into this Agreement and bind the Parties to its terms and conditions.

XIV. MUTUAL FULL COOPERATION

A. The Parties agree to cooperate fully with each other to accomplish the terms of this Agreement, including but not limited to, execution of such documents and the taking of such other action as may reasonably be necessary to implement the terms of this Agreement. The Parties to this Agreement shall use their best efforts, including all efforts contemplated by this Agreement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Agreement. As soon as practicable after execution of this Agreement, Class Counsel, with the assistance and cooperation of the Settling Defendants and their counsel, shall take all necessary steps to secure the Court's final approval of this Agreement.

B. The Settling Defendants agree that they will not attempt to discourage Settlement Class Members from filing claims.

XV. NO ADMISSION

A. This Agreement is not to be construed or deemed as an admission of liability, culpability, negligence, or wrongdoing on the part of any of the Settling Defendants or as an admission that class treatment in the *Williams* Action and the other Neuriva Actions is proper for any purpose other than Settlement. The Settling Defendants deny all liability for claims asserted in the *Williams* Action and the other Neuriva Actions and deny that class treatment is proper for any purpose other than this Settlement. Each of the Parties has entered into this Agreement with the intention to avoid further disputes and litigation with

the attendant inconvenience and expenses. This Agreement is a Settlement document and shall, pursuant to Fed. R. Evid. 408 and related or corresponding state evidence laws, be inadmissible in evidence in any proceeding. This Agreement or the existence of this Settlement shall not be used or cited in any proceeding other than (i) an action or proceeding to approve or enforce this Agreement, or (ii) in a subsequent proceeding potentially barred by the Release specified herein.

XVI. NOTICES

A. Unless otherwise specifically provided, all notices, demands or other communications in connection with this Agreement shall be in writing and shall be deemed to have been given as of the third business day after mailing by United States registered or certified mail, return receipt requested, addressed as follows:

1. Class Counsel: Daniel K. Bryson, Esq., Whitfield Bryson LLP, 900 W. Morgan St., Raleigh NC 27603
2. Settling Defendants' Counsel: David T. Biderman, Esq., Perkins Coie LLP, 1888 Century Park East Suite 1700, Los Angeles, CA 90067

XVII. CONSTRUCTION

A. The Parties agree that the terms and conditions of this Agreement are the result of lengthy, intensive arm's-length negotiations between the Parties, and that this Agreement shall not be construed in favor of or against any Party by reason of the extent to which any Party or his, her or its counsel participated in the drafting of this Agreement.

XVIII. MATERIAL TERMS; CAPTIONS

A. Each term of this Agreement is a material term of the Agreement, not merely a recital, and reflects not only the intent and objectives of the Parties but also the consideration to be exchanged by the Parties hereunder. Paragraph titles or captions are inserted as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Agreement or any of its provisions.

XIX. INTEGRATION CLAUSE

A. This Agreement contains the entire agreement between the Parties relating to the Settlement, and all prior or contemporaneous agreements, understandings, representations, and statements, whether oral or written and whether by a party or such party's legal counsel, are extinguished.

XX. NO COLLATERAL ATTACK

A. This Agreement shall not be subject to collateral attack by any Settlement Class Member or any recipient of the notices to the Settlement Class after the Final

Judgment and dismissal is entered. Such prohibited collateral attacks shall include claims made before the Final Approval Hearing that a Settlement Class Member's Settlement Benefit was improperly calculated or adjusted or that the Settlement Class Member failed to receive timely notice of the procedure for disputing the calculation of the individual Settlement Benefit or failed to submit a timely dispute letter for any reason.

XXI. AMENDMENTS

A. The terms and provisions of this Agreement may be amended only by a written agreement, which is both (1) signed by the Parties who have executed this Agreement and (2) approved by the Court.

XXII. ASSIGNMENTS

A. None of the rights, commitments, or obligations recognized under this Agreement may be assigned by any Party or Settlement Class Member without the express written consent of each other Party hereto. The representations, warranties, covenants, and agreements contained in this Agreement are for the sole benefit of the Parties and Settlement Class Members under this Agreement, and shall not be construed to confer any right or to avail any remedy to any other person.

XXIII. GOVERNING LAW

A. This Agreement shall be governed by, and the rights of the Parties determined in accordance with, the laws of the State of Florida, irrespective of the State of Florida's choice of law principles.

XXIV. BINDING ASSIGNS

A. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, trustees, executors, administrators, successors, and assigns.

XXV. CLASS COUNSEL SIGNATORIES

A. It is agreed that because the Settlement Class appears to be so numerous, it is impossible or impractical to have each member of the class execute this Agreement. The notice plan set forth herein will advise Settlement Class Members of all material terms of this Agreement, including the binding nature of the releases and such shall have the same force and effect as if this Agreement were executed by each Settlement Class Member.

XXVI. COUNTERPARTS

A. This Agreement may be executed in counterparts, and when each Party has signed and delivered at least one such counterpart, each counterpart shall be deemed an original, and, when taken together with other signed counterparts, shall constitute one Agreement, which shall be binding upon and effective as to all Parties and the Settlement

Class.

XXVII. NON-DISPARAGEMENT

A. Plaintiffs, Additional Plaintiffs, and their attorneys agree not to disparage or otherwise take any action which could reasonably be expected to adversely affect the personal or professional reputation of the Discharged Parties. The Settling Defendants and their attorneys agree not to disparage or otherwise take any action which could reasonably be expected to adversely affect the personal or professional reputation of Class Counsel, Plaintiffs' Counsel, the Class Representatives, and Additional Plaintiffs regarding this matter or any of the Neuriva Actions.
