Coming back to the farm in Sonoma County was a big step for me after living and working in the big city. I'm happy to have returned to join my mom (Judy) and dad on our organic egg farm. Proudly, we were one of California's first certified organic egg farms. We're dedicated to providing fresh, local eggs. Please see us at [www.judysfarm.com](http://www.judysfarm.com).

Thank you for supporting our family.
