SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF ALAMEDA

ENVIRONMENTAL RESEARCH
CENTER, INC.,

Plaintiff,

v.

VEVMA NUTRITION COMPANY,

Defendant.

Case No. **RG12627120**

~~PROPOSED~~ STIPULATED CONSENT
JUDGMENT

1. INTRODUCTION

1.1 This Action arises out of alleged violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.5, *et seq.* (also known as and hereinafter referred to as "Proposition 65").

1.2 Plaintiff Environmental Research Center, Inc. ("ERC"), a California non-profit corporation acting as a private enforcer of Proposition 65, brings this Action in the public interest pursuant to California Health and Safety Code §25249.7(d).

1 1.3 Defendant Vemma Nutrition Company ("Defendant") is an Arizona corporation.
2 For the purposes of this Consent Judgment, Vemma acknowledges that it employs ten or more
3 persons, and it is a "person in the course of doing business" within the meaning of Proposition
4 65.

5 1.4 Defendant and ERC are hereinafter sometimes referred to individually as a
6 "Party" or collectively as the "Parties".

7 1.5 On September 13, 2010, pursuant to California Health and Safety Code
8 § 25249.7(d)(1), ERC served a Notice of Violations of Proposition 65 ("Notice of Violations")
9 on the California Attorney General, other public enforcers, and Defendant. A true and correct
10 copy of the Notice of Violations is attached hereto as Exhibit A. The Notice of Violations
11 contains allegations that Defendant manufactured, distributed and/or sold in California the
12 following three products ("Covered Products"), which contain lead, a chemical listed under
13 Proposition 65 as a carcinogen and reproductive toxin:

14 New Vision Cleanse, Burn & Balance
15 New Vision OPC Grape Seed Extract
16 New Vision Organic Greens Green Apple Flavor

17 Neither the California Attorney General nor any other public enforcer has filed suit against
18 Defendant with regard to the Covered Products or the alleged violations.

19 1.6 More than 70 days after service of the Notice of Violations, ERC filed the
20 Complaint in this Action (the "Complaint") for injunctive relief and civil penalties. The
21 Complaint, based on the Notice of Violations, contains allegations that Defendant has exposed
22 and continues to expose persons in California who use and/or handle the Covered Products to the
23 chemical lead in excess of the exposure levels allowed under Proposition 65 without first
24 providing clear and reasonable warnings, in violation of California Health and Safety Code
25 §25249.6. Defendant denies all material allegations contained in the Notice of Violation and the
26 Complaint, asserts numerous affirmative defenses to the allegations of violations, and
27 specifically denies that the Covered Products require Proposition 65 warnings or otherwise harm
28 any person.

1 1.7 The Parties enter into this Consent Judgment in order to settle disputed claims
2 between them and to avoid prolonged litigation.

3 1.8 Nothing in this Consent Judgment, nor compliance with this Consent Judgment,
4 shall constitute or be construed as an admission by the Parties of any fact, issue of law, or
5 violation of law. Nothing in this Consent Judgment shall be construed as giving rise to any
6 presumption or inference of admission or concession by Defendant as to any fault, wrongdoing
7 or liability whatsoever, including, but not limited to, any alleged violation of Proposition 65.

8 1.9 Except as expressly provided herein, nothing in this Consent Judgment shall
9 prejudice, waive or impair any right, remedy or defense that the Parties may have in any other or
10 further legal proceedings. This paragraph shall not diminish or otherwise affect the obligations,
11 responsibilities, and duties of any Party to this Consent Judgment.

12 1.10 The "Effective Date" of this Consent Judgment shall be the date this Consent
13 Judgment is entered by the Court.

14 1.11 The only products covered by this Consent Judgment are the Covered Products,
15 and the only chemical covered by this Consent Judgment is the chemical lead as specifically
16 related to the Covered Products only.

17 **2. JURISDICTION AND VENUE**

18 For purposes of this Consent Judgment only, the Parties stipulate that this Court has
19 jurisdiction over the subject matter of this Action and personal jurisdiction over the Parties, that
20 venue is proper in this Court, and that this Court has jurisdiction to enter a Consent Judgment
21 pursuant to the terms set forth herein.

22 **3. INJUNCTIVE RELIEF**

23 3.1 **Testing of the Covered Products**

24 (a) Beginning the Effective Date and continuing for four years thereafter, Defendant
25 shall test for lead content in three randomly selected samples (in the form intended for sale to the
26 end-user) of every lot of each of the Covered Products that is manufactured on or after the
27 Effective Date. The three samples shall be randomly selected for such testing using a sound
28 statistical sampling plan, and shall be identified in Defendant's request to the laboratory for

1 testing as being submitted pursuant to this Consent Judgment.

2 (b) Defendant shall have either of the following two laboratories perform the testing
3 for lead content using Inductively Coupled Plasma-Mass Spectrometry (ICP-MS) or any other
4 testing method agreed upon in writing by the Parties:

5 (1) Exova, 9240 Santa Fe Springs Road, Santa Fe Springs, CA 90670;
6 telephone (562) 948-2225.

7 (2) American Analytical Chemistry Laboratories Corp., 711 Parkland Court,
8 Champaign, IL 61821; telephone (217) 352-6060.

9 Should neither of these two laboratories be available to perform the testing, Defendant shall use
10 another laboratory certified by the California Environmental Accreditation Program or a
11 laboratory that is approved by, accredited by, or registered with the United States Food and Drug
12 Administration.

13 (c) Defendant shall provide ERC any test results within 15 days of any written
14 request from ERC.

15 (d) For purposes of this Consent Judgment only, daily lead exposure levels shall be
16 measured in micrograms, and shall be calculated using the following formula: micrograms of
17 lead per gram of product (lead content found using the above described testing), multiplied by
18 grams of product per serving of the product (using the serving size appearing on the product
19 label), multiplied by servings of the product per day (using the largest number of servings in a
20 recommended dosage appearing on the product label), which equals micrograms of lead
21 exposure per day.

22 (e) Nothing in this Consent Judgment shall limit Defendant's ability to conduct, or
23 require that others conduct, additional testing of the Covered Products, including the raw
24 materials used in their manufacture.

25 (f) The testing and sampling methodology set forth in this Section 3.1 is a result of
26 negotiation and compromise, and is accepted by the Parties for the purposes of settling,
27 compromising, and resolving the issues in this action, including future compliance with Sections
28 3.1 and 3.2 of this Consent Judgment, and shall not be used for any purpose or in any other

1 matter, except for the purposes of determining future compliance with this Consent Judgment.

2 **3.2 Warnings**

3 If the above described testing shows an average daily lead exposure level of greater than
4 0.5 micrograms for any lot of the Covered Products, none of the product from that lot shall be
5 distributed or sold in California unless the following warning is provided on the product labels of
6 any of the product from that lot distributed or sold in California:

7 **WARNING: This product contains [lead], [a] chemical[s] known to the State of**
8 **California to cause [cancer and] birth defects or other reproductive harm.**

9 The text in brackets in the warning above is optional, except that the term "cancer" must
10 be included only if the maximum daily dose recommended on the label contains more than 15
11 micrograms of lead.

12 In the event that a warning is used, the warning shall be prominently affixed to or printed
13 upon the product label with such conspicuousness, as compared with other words, statements or
14 designs on the label, so as to render it likely to be read and understood by an ordinary purchaser
15 or user of the product. The warning shall be at least the same size as the largest of any other
16 health or safety warnings on the product and the word "warning" shall be in all capital letters and
17 in bold print.

18 **3.3 Change in Recommended Dosage for New Vision OPC Grape Seed Extract**

19 Defendant shall change the language of the Recommended Dosage on the product labels
20 for the product New Vision OPC Grape Seed Extract to include the following: "Do not exceed
21 two capsules per day."

22 **3.4 Discontinuation of Product New Vision Organic Greens Green Apple Flavor**

23 Defendant acknowledges that it has discontinued the distribution and sales of the product
24 New Vision Organic Greens Green Apple Flavor, and Defendant agrees it will not reintroduce
25 that product into the marketplace, meaning Defendant will not market, distribute and/or sell that
26 product at any time after the Effective Date.

27 **3.5 Products in the Stream of Commerce**

28 The injunctive relief set forth in this Section 3 shall not apply to Covered Products that

1 Defendant puts into the stream of commerce before the Effective Date.

2 **4. SETTLEMENT PAYMENT**

3 **4.1 Total Payment**

4 In full and final satisfaction of civil penalties, payment in lieu of further civil penalties,
5 ERC's expenses and costs of litigation, and ERC's attorney fees, Defendant shall, within 10 days
6 after the Effective Date, issue a single check in the amount of \$90,000 ("Total Settlement
7 Amount"), made payable to "Environmental Research Center – ERC Escrow Account", and send
8 the check by first-class registered or certified mail, or overnight delivery, directly to ERC at the
9 following address:

10 Environmental Research Center
11 3111 Camino del Rio North, Suite 400
12 San Diego, CA 92108

13 Defendant shall also issue a single IRS Federal Tax Form 1099 for the above payment to ERC.

14 Sections 4.2-4.5 below describe the agreed partition of the Total Settlement Amount.

15 **4.2 Civil Penalty**

16 As a portion of the Total Settlement Amount, \$10,000 shall be considered a civil penalty
17 pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$7,500) of
18 the civil penalties to the Office of Environmental Health Hazard Assessment ("OEHHA") for
19 deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California
20 Health and Safety Code §25249.12(c), and a copy of the transmittal letter will be sent to
21 Defendant's counsel. ERC will retain the remaining 25% (\$2,500) of the civil penalty.

22 **4.3 Payment in Lieu of Further Civil Penalties**

23 As a portion of the Total Settlement Amount, \$24,312.50 shall be considered a payment
24 to ERC in lieu of further civil penalties for activities such as (1) funding the investigating,
25 researching and testing of consumer products that may contain Proposition 65 listed chemicals;
26 (2) funding grants to California non-profit foundations/entities dedicated to public health;
27 (3) funding the ERC Eco Scholarship Fund for high school students in California interested in
28 pursuing an education in the field of environmental sciences; (4) funding ERC's Operation
Education Program designed to provide funding to educators in the State of California public

1 school system for creative and effective environment and environmental sciences teaching
2 projects; (5) funding ERC's Voluntary Compliance Program to work with companies not subject
3 to Proposition 65 to reformulate their products to reduce potential consumer exposures to
4 Proposition 65 listed chemicals; (6) funding ERC's RxY Program to assist various medical
5 personnel to provide testing assistance to independent distributors of various products;
6 (7) funding ERC's Got Lead? Program to assist consumers in testing products for lead content;
7 (8) funding post-settlement monitoring of past consent judgments; (9) funding to maintain ERC's
8 database of lead-free products, Proposition 65-compliant products and contaminated products;
9 (10) funding to track and catalog Proposition 65-compliant, contamination-free sources of
10 ingredients used in the products ERC tests; and (11) funding the continued day to day business of
11 enforcement of Proposition 65 matters which address contaminated ingestible products, similar
12 to the subject matter of this Action.

13 4.4 Reimbursement of Expenses and Costs

14 As a portion of the Total Settlement Amount, \$15,000 shall be considered a
15 reimbursement to ERC for its reasonable investigation costs associated with the enforcement of
16 Proposition 65 and other expenses and costs incurred as a result of investigating, bringing this
17 matter to Defendant's attention, litigating and negotiating a settlement in the public interest.

18 4.5 Attorney Fees

19 As a portion of the Total Settlement Amount, \$40,687.50 shall be considered a
20 reimbursement to ERC for its attorney fees.

21 5. COSTS AND FEES

22 Except as expressly set forth herein in Section 4, each Party shall bear its own attorneys'
23 fees, costs and expenses in this Action.

24 6. RELEASE

25 6.1 This Consent Judgment is a full, final, and binding resolution between ERC, on its
26 own behalf and in the public interest, and Defendant of any alleged violation of Proposition 65 or
27 its implementing regulations for the Covered Products regarding lead.

28 6.2 ERC, acting on its own behalf and in the public interest, releases Defendant, and

1 its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions,
2 affiliates, franchisees, licensees, successors, assigns and attorneys, and suppliers, manufacturers,
3 distributors, wholesalers, retailers and all other entities in the distribution chain of any of the
4 Covered Products ("Released Parties"), from all claims for violations of Proposition 65 up
5 through the Effective Date based on exposure to lead from the Covered Products as set forth in
6 the Notice of Violations and the Complaint.

7 6.3 Compliance with the terms of this Consent Judgment constitutes compliance with
8 Proposition 65 with respect to exposures to lead from the Covered Products as set forth in the
9 Notice of Violations.

10 6.4 ERC, on behalf of itself only, hereby also releases and discharges the Released
11 Parties from any and all known and unknown past, present, and future rights, claims, causes of
12 action, suits, damages, penalties, liabilities, injunctive relief, declaratory relief, and attorney's
13 fees, costs, and expenses arising from or related to the claims asserted, or that could have been
14 asserted, under state or federal law, regarding the presence of lead in the Covered Products that
15 were manufactured before the Effective Date or the facts alleged in the Notice of Violations or
16 the Complaint, including without limitation any and all claims concerning exposure of any
17 person to lead in the Covered Products that were manufactured before the Effective Date.

18 6.5 Unknown Claims

19 It is possible that other injuries, damages, liability, or claims not now known to the
20 Parties arising out of the facts alleged in the Notice of Violations or the Complaint and relating
21 to the Covered Products that were manufactured before the Effective Date will develop or be
22 discovered. ERC, on behalf of itself only, also waives California Civil Code section 1542 as to
23 any such unknown claims. California Civil Code section 1542 reads as follows:

24 **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH**
25 **THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS**
26 **OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE,**
27 **WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY**
28 **AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.**

6.6 ERC on behalf of itself only, on the one hand, and Defendant, on the other hand,

1 release and waive all claims they may have against each other and their respective officers,
2 directors, employees, agents, representatives and attorneys for any statements or actions made or
3 undertaken by them or their respective officers, directors, employees, agents, representatives and
4 attorneys in connection with the Notice of Violations or this Action.

5 **7. MOTION FOR COURT APPROVAL**

6 7.1 Upon execution of this Consent Judgment by the Parties, ERC shall notice a
7 Motion for Approval & Entry of Consent Judgment in Alameda County Superior Court pursuant
8 to 11 California Code of Regulations §3000, *et seq.* This motion shall be served upon all Parties
9 and upon the California Attorney General's Office. Defendant and ERC shall use their best
10 efforts to support entry of this Consent Judgment in the form submitted to the Court for approval.

11 7.2 If, after service of the Motion for Approval & Entry of Consent Judgment, the
12 California Attorney General objects in writing to any term in this Consent Judgment or files an
13 opposition to the motion, the Parties shall use their best efforts to resolve the concern in a timely
14 manner prior to the hearing on the motion. If the concern of the California Attorney General is
15 not resolved prior to the hearing on the motion, any Party may withdraw from this Consent
16 Judgment prior to the date of the hearing, with notice to all Parties in accordance with Paragraph
17 16 below and notice to the California Attorney General's Office, and upon such notice this
18 Consent Judgment shall be null and void.

19 7.3 This Consent Judgment shall be effective only after it has been entered by the
20 Court and shall be null and void if, for any reason, it is not approved and entered by the Court
21 within one year after it has been fully executed by all Parties.

22 **8. RETENTION OF JURISDICTION**

23 This Court shall retain jurisdiction of this matter to enforce, modify, or terminate this
24 Consent Judgment.

25 **9. MODIFICATION OF CONSENT JUDGMENT**

26 This Consent Judgment after its entry by the Court may be modified only upon written
27 agreement of the Parties and upon entry of a modified Consent Judgment by the Court thereon,
28 or upon a regularly noticed motion of any Party to modify the Consent Judgment and upon entry

1 of a modified Consent Judgment by the Court.

2 **10. ENFORCEMENT OF CONSENT JUDGMENT; GOOD FAITH ATTEMPT TO**
3 **RESOLVE DISPUTES**

4 In the event a dispute arises with respect to any Party's compliance with the terms and/or
5 conditions of this Consent Judgment after its entry by the Court, the Party seeking compliance of
6 another Party shall make a good faith attempt to resolve the dispute by conferring with the other
7 Party in person, by telephone or by correspondence before seeking relief from the Court. If the
8 dispute is not resolved after such an attempt, this Consent Judgment may be enforced in this
9 Court pursuant to Code of Civil Procedure §664.4 or any other valid provision of the law. The
10 prevailing party in any such dispute brought to this Court for resolution shall be awarded all
11 reasonable costs and attorney's fees. As used in the preceding sentence, the term "prevailing
12 party" means a party who is successful in obtaining relief more favorable to it than the relief the
13 other party was agreeable to providing during the Parties' good faith attempt to resolve the
14 dispute that is the subject of such an enforcement proceeding.

15 **11. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

16 In the event that, after entry of this Consent Judgment in its entirety, any of the provisions
17 hereof are subsequently held by a court to be unenforceable, the validity of the enforceable
18 provisions shall not be adversely affected.

19 **12. GOVERNING LAW**

20 The terms of this Consent Judgment shall be governed by the laws of the State of
21 California and apply within the State of California.

22 **13. DRAFTING**

23 The terms of this Consent Judgment have been reviewed by the respective counsel for the
24 Parties prior to its signing, and each Party has had an opportunity to fully discuss the terms and
25 conditions with its counsel. The Parties agree that, in any subsequent interpretation or
26 construction of this Consent Judgment, no inference, assumption or presumption shall be drawn,
27 and no provision of this Consent Judgment shall be construed against any Party, based on the
28 fact that one of the Parties and/or one of the Parties' counsel prepared and/or drafted all or any

1 portion of this Consent Judgment. It shall be conclusively presumed that all of the Parties
2 participated equally in the preparation and drafting of this Consent Judgment.

3 **14. ENTIRE AGREEMENT**

4 This Consent Judgment contains the sole and entire agreement and understanding of the
5 Parties with respect to the entire subject matter hereof, and supersedes and replaces any and all
6 prior agreements or understandings, written or oral, with regard to the matters set forth herein.
7 No other agreements or understandings not specifically referred to herein, oral or otherwise, shall
8 be deemed to exist or to bind any of the Parties.

9 **15. EXECUTION IN COUNTERPARTS**

10 This Consent Judgment may be executed in counterparts, which taken together shall be
11 deemed to constitute one document. A facsimile or pdf signature shall be construed as valid as
12 the original signature.

13 **16. NOTICES**

14 All notices required by this Consent Judgment to be given to any Party shall be sent by

Re: Notice of Violations of California Health & Safety Code §25249.5 *et seq.*

Dear Sirs,

This firm represents the Environmental Research Center (hereafter, "ERC"), a non-profit corporation organized under California's Non-Profit Public Benefit Corporation Law in connection with this notice of violations of California's Safe Drinking Water & Toxic Enforcement Act of 1986, codified at Health & Safety Code §25249.5 *et seq.* (also referred to as "Proposition 65").

ERC is dedicated to, among other causes, reducing the use and misuse of hazardous and toxic substances, consumer protection, worker safety and corporate responsibility. ERC has documented the violations of Proposition 65 described herein, and this letter serves to provide notification of these violations to you and to the public enforcement agencies. Pursuant to §25249.7(d) of the statute, ERC intends to bring an enforcement action sixty (60) days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations. A summary of the statute and its implementing regulations, which was prepared by the lead agency designated under the statute, is enclosed with the copy of this notice served upon the violator(s).

The names of the violator(s) covered by this notice are: New Vision USA, Inc., and Vemma Nutrition Company (hereafter, the "Violator(s)"). The Violator(s) manufacture, market, distribute and/or sell in California the following products causing exposures to lead and lead compounds:

New Vision Cleanse, Burn & Balance
New Vision OPC Grape Seed Extract
New Vision Organic Greens Green Apple Flavor

On February 27, 1987, the State of California officially listed lead as a substance known to cause reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as a substance known to cause cancer.

Route of exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products by consumers. Accordingly, consumer exposures have occurred and continue to occur primarily through the ingestion route, but also may occur through the inhalation and/or and dermal contact routes of exposure.

Duration of violations. Each of these ongoing violations has occurred on every day since at least September 13, 2007, as well as every day since the products were introduced in the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users.

Based on the allegations set forth in this Notice, ERC intends to file a citizen enforcement action against the Violator(s) unless the Violator(s) agree in an enforceable written instrument to: (1) recall products already sold; (2) take effective measures to prevent unwarned lead exposures from being caused by products sold in the future; and (3) pay an appropriate civil penalty. In keeping with the public interest goals of the statute and my client's objectives in issuing this notice, ERC is interested in seeking a constructive resolution of this matter. Such resolution will avoid both further unwarned consumer exposures to lead and expensive and time-consuming litigation. ERC's Executive Director is Chris Heptinstall and the organization's mailing address is: 5694 Mission Center Road, #199, San Diego, CA 92108. Tel. (619) 309-4194. However, ERC has retained this firm in connection with this matter; therefore, all communications regarding this Notice of Violation may be directed to my attention at the above-listed firm address and telephone number.

Very Truly Yours,

Andrew L. Packard

CERTIFICATE OF MERIT

Re: the Environmental Research Center's Notice of Proposition 65 Violations Issued to New Vision USA, Inc., and Vemma Nutrition Company

I, Andrew L. Packard, declare:

1. This Certificate of Merit accompanies the attached sixty-day notice in which it is alleged the party in the notice has violated Health & Safety Code §25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who has reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the action.

4. Based on the information obtained through those consultations, and on all other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged violator will be able to establish any of the affirmative defenses set forth in the statute.

5. The copy of this Certificate of Merit served on the Attorney General attaches to it factual information sufficient to establish the basis for this certificate, including the information identified in Health and Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.
