Thank you for your interest.

Dear Mr. Gibbs,

Hello. I am editor of [Truthinadvertising.org](http://Truthinadvertising.org), a national nonprofit consumer advocacy and news site. I had a question regarding TEFL Institute's accreditation NATEFLAC. Can you provide further information about this accrediting agency as the link on your site leads to a dead end. Where is this accreditation agency located. How long has it been in service and can you put me in contact with them? A reader has contacted us with concerns about the validity of this accreditation agency. Thanks,

Fran Silverman
