BBB Ratings System Overview

BBB Business Reviews may not be reproduced for sales or promotional purposes.

BBB Accreditation

Whole Body Research is not BBB Accredited.

Businesses are under no obligation to seek BBB accreditation, and some businesses are not accredited because they have not sought BBB accreditation.

To be accredited by BBB, a business must apply for accreditation and BBB must determine that the business meets BBB accreditation standards, which include a commitment to make a good faith effort to resolve any consumer complaints. BBB Accredited Businesses must pay a fee for accreditation review/monitoring and for support of BBB services to the public.

Reason for Rating

BBB rating is based on 16 factors. Get the details about the factors considered.

This business has no rating at this time.

Additional Information

The BBB develops a report on a firm based on inquiry or complaint activity. The BBB has not received a sufficient volume of requests for information, nor has the BBB received any complaints on this firm to warrant the development of a report. The information provided, however limited, is presented to assist you in your purchasing decisions or for any other purpose you deem relevant.

The BBB suggests you read and understand company promotional materials and contracts and check company references and licensing, where applicable.
