I got started in this business because I was tired of the daily grind. The training and support provided got me on the road to success!  
- Gary B.

I am so happy to be surrounded by such amazing people and belong to an organization who wants the best for everyone involved. I work around my families needs and I am here for my family every single day!  
- Lissa M.

The Business Success Pack leaders taught me step by step how to build a profitable business. If I can do this anyone can!  
- Shannon

I love this business! My willingness to work is paying off and finally were able to earn what I feel I'm worth.  
- Dave T.

The incomes listed are verified and real, however the incomes depicted above are representative of some of the most successful participants and the majority of individuals earn less. These figures should not be considered as guarantees or projections of your actual earnings or profits. While most participants do not generate a profit, of those active leaders that do, 75% averaged earnings between \$667 and \$1,326 for 2012. Your success in this method results only from successful sales efforts, which require hard work, desire, diligence, leadership and talent. See the detailed income disclosure [here](#).

Income and affidavits confirmed in April 2013.
