What people are saying about Paid At Home...

I was tired of working long hours and living paycheck to paycheck. I started this business part time around my job and in my first month I made over... **(read more on the next page)**

Kairrie M.

My husband was working 60 hour weeks in a factory and we were still getting further and further into debt. The support system was the key for us, 11 months later he... **(read more on the next page)**

Nancy & Rickey F.

I was laid off 4 times in 7 years in the corporate world. I vowed to myself that I would find a way to start my own business and I am doing it! I am now... **(read more on the next page)**

The incomes listed are verified and real, however the incomes depicted above are representative of some of the most successful participants and the majority of individuals earn less. These figures should not be considered as guarantees or projections of your actual earnings or profits. While most participants do not generate a profit, of those active leaders that do, 75% averaged earnings between \$667 and \$1,326 for 2012. Your

success in this method results only from successful sales efforts, which require hard work, desire, diligence, leadership and talent. See the detailed income disclosure [here \(https://www.vemma.com/backoffice/pdf/income-disclosure.pdf\)](https://www.vemma.com/backoffice/pdf/income-disclosure.pdf).
