COMES NOW, Plaintiff LISA HALL ("Plaintiff"), individually, and on behalf of all other members of the general public similarly situated, and alleges, based on information and belief, as follows:

INTRODUCTION

1. This case is brought on behalf of all California based consumers who have purchased and/or consumed any menu item that purports to contain "Kobe" beef from or at a restaurant owned, managed or operated by Defendants within the State of California including, but not limited to, the "Kobe New York Steak 'Japonais'," "Kobe Meatballs in Lettuce Cups," "Kobe Beef Skewers Robata-yaki," "Kobe Beef Potsticker" or "Kobe New York Steak Toban-yaki 'Japonais'." (See EXHIBIT 1.)

2. "Kobe" beef is only available from Japan. The term "Kobe" signifies that the beef comes from the "Wagyu" bloodline of cattle which are isolated in the Kobe region of Japan, and further signifies that the beef comes from cattle slaughtered within the Kobe region of Japan. The United States Department of Agriculture has banned importation of beef and cattle from Japan, including "Kobe" beef and "Wagyu" cattle, since approximately May 2010 to prevent the spread of Foot and Mouth Disease as well as Bovine Spongiform Encephalopathy. (9 C.F.R. §94.1; 9 C.F.R. §94.18(a)(1)). The menu items at INNOVATIVE DINING GROUP, LLC owned, managed or operated restaurants that purport to contain "Kobe" beef do not actually contain "Kobe" beef because the importation of "Kobe" beef to the United States is prohibited. In addition, the importation of "Wagyu" cattle to the United States is prohibited.

3. Due to false and deceptive business practices and representations, Defendant INNOVATIVE DINING GROUP, LLC has misled the general public into believing that the menu items which purport to contain "Kobe" beef offered at INNOVATIVE DINING GROUP, LLC owned, managed or operated restaurants do in fact contain "Kobe" beef.

///

///

///

///

1 4. Defendant INNOVATIVE DINING GROUP, LLC owns, manages or operates
2 several chains of restaurants, including restaurants employing the trade name "Sushi Roku." The
3 menu items at INNOVATIVE DINING GROUP, LLC owned, managed or operated restaurants
4 advertised as "Kobe" beef or represented to be "Kobe" beef on the restaurant or on-line menus
5 will hereinafter be referred to as the "Subject Food Product."

6 5. Since it began operating restaurants in the State of California to the present,
7 Defendant INNOVATIVE DINING GROUP, LLC has failed to reasonably, equitably, or
8 adequately inform California based consumers that the Subject Food Product does not contain
9 "Kobe" beef.

10 **JURISDICTION AND VENUE**

11 6. This class action is brought pursuant to the California Code of Civil Procedure
12 section 382. The monetary damages and restitution sought by Plaintiff exceeds the minimal
13 jurisdiction limits of the Superior Court and will be established according to proof at trial.

14 7. This Court has jurisdiction over this action pursuant to the California
15 Constitution, Article VI, Section 10, which grants the superior court "original jurisdiction in all
16 other causes" except those given by statute to other courts. The statutes under which this action
17 is brought do not specify any other basis for jurisdiction.

18 8. This Court has jurisdiction over the named Defendants and DOES 1 through 100
19 because, upon information and belief, Defendants have sufficient minimum contacts with the
20 State of California or otherwise intentionally avail themselves of the California market so as to
21 render the exercise of jurisdiction over them by the California courts consistent with traditional
22 notions of fair play and substantial justice.

23 9. Venue is proper in this Court because, upon information and belief, Defendants
24 maintain offices, have agents, and/or transact business in the State of California, County of Los
25 Angeles. Plaintiff resides in the State of California, County of Los Angeles and the acts and
26 omissions alleged herein took place in the State of California, County of Los Angeles.

PARTIES

10. Plaintiff LISA HALL ("Plaintiff") resides in the State of California, County of Los Angeles.

11. Defendant INNOVATIVE DINING GROUP, LLC is a California limited liability company that owns and/or operates restaurants within the State of California and County of Los Angeles, and therefore, transacts business in the State of California, County of Los Angeles. Moreover, Defendant INNOVATIVE DINING GROUP, LLC, is headquartered within the County of Los Angeles, State of California.

12. The true names and capacities, whether corporate, associate, individual or otherwise, of defendants DOES 1 through 100, inclusive, are unknown to Plaintiff who sues said defendants by such fictitious names. Plaintiff is informed and believes, and based on that information and belief alleges, that each of the defendants herein designated as a DOE is legally responsible for the events and happenings referred to in this Complaint, and unlawfully caused the damages to Plaintiff and the class members alleged in this Complaint. Plaintiff will seek leave of court to amend this Complaint to show the true names and capacities when the same has been ascertained.

13. At all times herein relevant, INNOVATIVE DINING GROUP, LLC and DOES 1 through 100, and each of them, were the agents, partners, joint venturers, joint employers, representatives, servants, employees, successors-in-interest, co-conspirators and assigns, each of the other, and at all times relevant hereto were acting within the course and scope of their authority as such agents, partners, joint venturers, joint employers, representatives, servants, employees, successors, co-conspirators and assigns, and that all acts or omissions alleged herein were duly committed with the ratification, knowledge, permission, encouragement, authorization and consent of each defendant designated herein.

14. Defendants INNOVATIVE DINING GROUP, LLC and DOES 1 through 100 will hereinafter be collectively referred to as Defendants.

///

///

FACTS

15. Plaintiff is informed and believes, and based thereon alleges, that at all relevant times mentioned in this Complaint, Defendants have owned and/or operated restaurants in the State of California, including in the County of Los Angeles.

16. Plaintiff is informed and believes, and based thereon alleges, that Defendants fail to disclose in their online or in-store menus that the Subject Food Product does not contain "Kobe" beef.

17. At all times mentioned in this Complaint, Defendants through their online and/or in-store menus have suppressed and concealed and continue to suppress and conceal the fact that the Subject Food Product does not contain "Kobe" beef. For example, Defendants do not state anywhere in their restaurants, on their website, in their online menus, or in their in-store menus that the Subject Food Product does not contain "Kobe" beef.

18. At all times herein relevant, Plaintiff purchased and ate the Subject Food Product at one or more restaurants owned, operated or managed by Defendant, including Sushi Roku, in the State of California, including in the County of Los Angeles, believing and having been led to believe that the Subject Food Product actually contained "Kobe" beef.

19. At all times herein relevant, when Plaintiff purchased the Subject Food Product, she was exposed to Defendants' online and/or in-store menus, which did not disclose that the Subject Food Product did not contain "Kobe" beef. To her detriment, Plaintiff relied upon these online and/or in-store menus when purchasing and consuming the Subject Food Product.

20. Plaintiff is informed and believes, and based thereon alleges, that Defendants' concealment of the fact that the Subject Food Product does not contain "Kobe" beef, and being explicitly informed by Defendants' online and/or in-store menus that the Subject Food Product contains "Kobe" beef, was the immediate cause of Plaintiff and the other class members consuming the Subject Food Product.

///

///

///

21. In light of Defendants' representations and omissions, as alleged herein, regarding the Subject Food Product, Plaintiff and members of the putative class reasonably believed that the Subject Food Product contained "Kobe" beef.

22. Plaintiff is informed and believes, and based thereon alleges, as a result of Defendants' false and misleading representations, as alleged herein, Plaintiff has suffered damages including, but not limited to, monetary loss, caused by the fact she was misled by Defendants' online and/or in-store menus into consuming the Subject Food Product, which did not contain "Kobe" beef.

CLASS ALLEGATIONS

23. Plaintiff brings this action on her own behalf and on behalf of all other members of the general public similarly situated, and, thus, seeks class certification under Code of Civil Procedure section 382.

24. The proposed class is defined as follows:

All California-based consumers who were exposed to Defendants' online and/or in-store menus, and who purchased the Subject Food Product at or from an INNOVATIVE DINING GROUP, LLC owned, managed and/or operated restaurant located in the State of California at any time during the period of four years preceding the filing of this Complaint to final judgment.

25. Plaintiff reserves the right to establish subclasses as appropriate.

26. The class is ascertainable and there is a well-defined community of interest in the litigation:

- a. Numerosity: The class members are so numerous that joinder of all class members is impracticable. The membership of the entire class is unknown to Plaintiff at this time. The class will include thousands of consumers.
- b. Typicality: Plaintiff's claims are typical of all other class members' as demonstrated herein. Plaintiff will fairly and adequately protect the interests of the other class members with whom she has a well-defined community of interest.

- 1 c. Adequacy: Plaintiff will fairly and adequately protect the interests of each
2 class member, with whom she has a well-defined community of interest
3 and typicality of claims, as demonstrated herein. Plaintiff has no interest
4 that is antagonistic to the other class members. Plaintiff's attorneys, the
5 proposed class counsel, are versed in the rules governing class action
6 discovery, certification, and settlement. Plaintiff has incurred, and during
7 the pendency of this action will continue to incur, costs and attorneys'
8 fees, that have been, are, and will be necessarily expended for the
9 prosecution of this action for the substantial benefit of each class member.
- 10 d. Superiority: A class action is superior to other available methods for the
11 fair and efficient adjudication of this litigation because individual joinder
12 of all class members is impractical.
- 13 e. Public Policy Considerations: Certification of this lawsuit as a class action
14 will advance public policy objectives. Businesses of this great State
15 violate consumer protection laws every day. Therefore, this action will
16 allow for the vindication of consumers' rights with respect to the Subject
17 Food Product.

18 27. There are common questions of law and fact as to the class members that
19 predominate over questions affecting only individual members. The following common
20 questions of law or fact, among others, exist as to the members of the class:

- 21 a. Whether Defendants engaged in a pattern or practice of concealing, suppressing
22 and/or misrepresenting in their online and/or in-store menus the fact that the
23 Subject Food Product does not actually contain "Kobe" beef.
- 24 b. Whether Defendants thereby engaged in consumer fraud, deceptive trade
25 practices, or other unlawful acts.
- 26 c. Whether class members are entitled to damages including punitive damages,
27 restitution, disgorgement of profits, and injunctive relief, and the proper measure,
28 nature and extent of such relief.

FIRST CAUSE OF ACTION

(Intentional Misrepresentation)

(Against all Defendants and Does 1 through 100)

28. Plaintiff incorporates by reference the allegations contained in paragraphs 1 through 27, and each and every part thereof with the same force and effect as though fully set forth herein.

29. Defendants represented to Plaintiff and the other class members that important facts were true. More specifically, Defendants represented to Plaintiff and the other class members through their online and/or in-store menus that the Subject Food Product contained "Kobe" beef.

30. Defendants' representations were false.

31. Defendants knew that the representations were false when Defendants made them, or that the Defendants made the representations recklessly and without regard for their truth.

32. Defendants intended that Plaintiff and the other class members rely on the representations.

33. Plaintiff and the other class members reasonably relied on Defendants' representations.

34. Plaintiff and the other class members were financially harmed and suffered other damages including, but not limited to, emotional distress of the type that would naturally flow from said allegations.

35. Plaintiff's and the other class members' reliance on Defendants' representations was the immediate cause of the financial loss and emotional distress (of the type that would naturally from being lead to believe that the food product you are purchasing and consuming contains "Kobe" beef when in fact it does not) sustained by Plaintiff and the other class members.

36. Defendants' misrepresentation and/or nondisclosure were the immediate cause of Plaintiff and the other class members purchasing the Subject Food Product.

///

(Against all Defendants and Does 1 through 100)

1 46. In absence of Defendants' negligent misrepresentations and/or nondisclosure, as
2 described above, Plaintiff and the other class members, in all reasonable probability, would not
3 have purchased the Subject Food Product from Defendants.

4 **THIRD CAUSE OF ACTION**

5 **(Fraud)**

6 **(Against all Defendant and Does 1 through 100)**

7 47. Plaintiff incorporates by reference the allegations contained in paragraphs 1
8 through 46, and each and every part thereof with the same force and effect as though fully set
9 forth herein.

10 48. The misrepresentations, nondisclosure and/or concealment of material facts made
11 by Defendants to Plaintiff and the other class members, as set forth above, were known by
12 Defendants to be false and material and were intended by Defendants to mislead Plaintiff and the
13 other class members.

14 49. Plaintiff and the other class members were actually misled and deceived and were
15 induced by Defendants to purchase the Subject Food Product.

16 50. Defendants had a duty to disclose that the Subject Food Product did not contain
17 "Kobe" beef because this information was a material fact of which Defendant had exclusive
18 knowledge; Defendant actively concealed this material fact; and Defendant made partial
19 representations about the Subject Product but suppressed some material facts. Had Plaintiff and
20 the other class members known that the Subject Food Product did not contain "Kobe" beef, they
21 would not have purchased the Subject Food Product.

22 51. Defendants' misrepresentation and/or nondisclosure were the immediate cause of
23 Plaintiff and the other class members purchasing the Subject Food Product.

24 52. In the absence of Defendants' misrepresentation and/or nondisclosure, as
25 described above, Plaintiff and the other class members, in all reasonable probability, would not
26 have purchased the Subject Food Product.

27 ///

28 ///

53. As a result of Defendants' conduct, Plaintiff and the other class members have been damaged financially and have suffered other damages including, but not limited to, emotional distress as herein alleged. In addition to such damages, Plaintiff and the other class members seek punitive or exemplary damages pursuant to Civil Code section 3294 in that Defendants engaged in "an intentional misrepresentation, deceit, or concealment of a material fact known to the defendant[s] with the intention on the part of the defendant[s] of thereby depriving a person of property or legal rights or otherwise causing injury."

FOURTH CAUSE OF ACTION

54. Plaintiff incorporates by reference the allegations contained in paragraphs 1 through 53, and each and every part thereof with the same force and effect as though fully set forth herein.

55. Defendants engaged in unfair and deceptive acts and practices, in violation of California Business and Professions Code § 17500, et seq., by marketing and/or selling the Subject Food Product without disclosure of the material fact that the Subject Food Product did not actually contain “Kobe” beef.

56. These acts and practices, as described above, have deceived Plaintiff and other class members, causing them to lose money and suffer emotional distress as herein alleged, and have deceived and are likely to deceive the consuming public, in violation of those sections. Accordingly, Defendants' business acts and practices, as alleged herein, have caused injury to Plaintiff and the other class members.

57. Defendants had a duty to disclose that the Subject Food Product did not contain “Kobe” beef because this information was a material fact of which Defendant had exclusive knowledge; Defendant actively concealed this material fact; and Defendant made partial representations about the Subject Product but suppressed some material facts.

///

1 58. Defendants' misrepresentation and/or nondisclosure of the fact that the Subject
2 Food Product did not actually contain "Kobe" beef were the immediate cause of Plaintiff and the
3 other class members purchasing the Subject Food Product.

4 59. In the absence of Defendants' misrepresentation and/or nondisclosure, as
5 described above, Plaintiff and the other class members would not have purchased the Subject
6 Food Product.

7 60. Plaintiff and the other class members are entitled to relief, including full
8 restitution and/or disgorgement of all revenues, earnings, profits, compensation, and benefits
9 which may have been obtained by Defendants as a result of such business acts or practices, and
10 enjoining Defendants to cease and desist from engaging in the practices described herein.

11 **FIFTH CAUSE OF ACTION**

12 **(Violation of the California Unfair Business Practices Act –**

13 **Business & Professions Code §§ 17200, et seq.)**

14 **(Against all Defendant and Does 1 through 100)**

15 61. Plaintiff incorporates by reference the allegations contained in paragraphs 1
16 through 60, and each and every part thereof with the same force and effect as though fully set
17 forth herein.

18 62. California Business and Professions Code section 17200 prohibits any "unfair
19 deceptive, untrue or misleading advertising." For the reasons discussed above, Defendants have
20 engaged in unfair, deceptive, untrue and misleading advertising in violation of California
21 Business & Professions Code sections 17200, et seq.

22 63. California Business & Professions Code section 17200 also prohibits any
23 "unlawful . . . business act or practice." Defendants have violated Sections 17200, et seq.'s
24 prohibition against engaging in unlawful acts and practices by, among other things, making the
25 representations and omissions of material facts, as set forth herein, and violating, among other
26 things, Section 1770 of the Consumers Legal Remedies Act. Defendants violated Section 1770
27 by: misrepresenting the source of goods (California Civil Code § 1770(a)(2)); using deceptive
28 representations of geographic origin in connection with goods (California Civil Code §

1 1770(a)(4)); representing that goods have a characteristic that they do not have (California Civil
2 Code § 1770(a)(5)); representing that goods are of a particular standard, quality or grade when
3 they are of another (California Civil Code § 1770(a)(7)); and advertising goods with the intent
4 not to sell them as advertised (California Civil Code § 1770(a)(9)).

5 64. Business & Professions Code sections 17200, et seq. also prohibits any
6 "fraudulent business act or practice." Defendants' claims, nondisclosures, and misleading
7 statements, as set forth above, were false, misleading, and/or likely to deceive reasonable
8 consumers within the meaning of Business & Professions Code sections 17200, et seq.
9 Defendants' business acts and practices are fraudulent because they are likely to, and in fact, did
10 deceive reasonable consumers, including Plaintiff and the other class members, into believing
11 that the Subject Food Product contains "Kobe" beef.

12 65. Plaintiffs and the other class members reserve the right to allege other violations
13 of law which constitute other unlawful business acts or practices. Such conduct is ongoing and
14 continues to this date.

15 66. Defendants had a duty to disclose that the Subject Food Product did not contain
16 "Kobe" beef because this information was a material fact of which Defendant had exclusive
17 knowledge; Defendant actively concealed this material fact; and because Defendant made partial
18 representations about the Subject Product but suppressed some material facts. Plaintiff and the
19 other class members would not have purchased the Subject Food Product had they known that
20 the Subject Food Product did not actually contain "Kobe" beef.

21 67. Defendants' acts, omissions, misrepresentations, practices and non-disclosures as
22 alleged herein also constitute "unfair" business acts and practices within the meaning of Business
23 & Professions Code sections 17200, et seq. in that Defendants' conduct is substantially injurious
24 to consumers, offends public policy, and is immoral, unethical, oppressive, and unscrupulous as
25 the gravity of the conduct outweighs any alleged benefits attributable to such conduct. Plaintiff
26 asserts violations of the public policy of engaging in false and misleading advertising, unfair
27 competition, and deceptive conduct towards consumers. There were reasonable alternatives
28 available to further Defendants' legitimate business interests, other than the conduct described

1 herein. This conduct constitutes violations of the unfair prong of California Business &
2 Professions Code sections 17200, et seq.

3 68. Defendants' misrepresentations and/or nondisclosure of the fact that the Subject
4 Food Product contained "Kobe" beef were the immediate cause of Plaintiff and the other class
5 members purchasing the Subject Food Product.

6 69. As a result of Defendants' misrepresentations and omissions, Plaintiffs and the
7 other class members lost money or property because had they known the Subject Food Product
8 does not actually contain "Kobe" beef, they would not have purchased it from Defendants, but
9 rather, they would have used their money to purchase another product.

10 70. Defendants' conduct caused and continues to cause substantial injury to Plaintiff
11 and the other class members. Plaintiff and the other class members have suffered injury in fact
12 and have lost money as a result of Defendants' wrongful conduct.

13 71. Pursuant to Business & Professions Code section 17203, Plaintiff and the other
14 class members seek an order requiring Defendants to immediately cease such acts of unlawful,
15 unfair, and fraudulent business practices and requiring Defendants to engage in a corrective
16 advertising campaign.

17 72. Unless Defendants are enjoined from continuing to engage in these unfair,
18 unlawful and fraudulent business practices, Plaintiff and the other class members will continue to
19 be injured by Defendants' actions and conduct.

20 73. Defendants have thus engaged in unlawful, unfair, and fraudulent business acts
21 and practices, entitling Plaintiff and the other class members to judgment and equitable relief
22 against Defendants, as set forth in the Prayer for Relief, including full restitution and/or
23 disgorgement of all revenues, earnings, profits, compensation, and benefits which may have been
24 obtained by Defendants as a result of such business acts or practices, and enjoining Defendants
25 to cease and desist from engaging in the practices described herein.

26 ///

27 ///

28 ///

PRAYER FOR RELIEF

WHEREFORE, Plaintiff, individually and on behalf of all other members of the general public similarly situated, prays for relief and judgment against Defendants, and each of them, jointly and severally, as follows:

Class Certification

1. That this action be certified as a class action;
2. That Plaintiff be appointed as the class representative;
3. That counsel for Plaintiff and the putative class be appointed as class counsel;

As to the First through Fifth Causes of Action

4. That Plaintiff and the other class members be awarded compensatory and general damages according to proof;
5. That Plaintiff and the putative class be awarded restitution and/or disgorgement and other equitable relief as the Court deems proper;
6. That Plaintiff and the other class members be awarded interest on the monies wrongfully obtained from the date of collection through the date of entry of judgment in this action;
7. For injunctive relief to ensure compliance with the California False Advertising Act and the California Unfair Business Practices Act;
8. That Plaintiff and the other class members be awarded punitive damages as to the appropriate cause of action;
9. That Plaintiff and the other class members be awarded their reasonable attorneys' fees, expert witness fees, and other costs pursuant to statutes as may be applicable; and
10. All such other and further relief as the Court deems just and proper.
