Product Description

*** 100 % of Angels' Eyes' ingredients are products of the USA!**

Beef Ingredients:

100% Pure Beef Liver,
Tylosin as Tartrate

100% wheat corn, soy, & dye free!

Our bottles contain net contents 1.06 oz (30 grams), 2.12 oz (60 grams) and 4.23 oz (120 grams), 8.47 oz (240 grams) É larger sizes are for multiple dogs or cats' owners.

DIRECTIONS: SHAKE BEFORE DISPENSING.

Suggested use: Give daily until tear stains subside and continue use for an additional 30 days. If tear stains reappear, repeat procedure. Store bottle in a cool dry place.

DOSAGES PER BOTTLE SIZE

Pet’s Weight	Daily Dosage	Per 30 g bottle	Per 60 g bottle	Per 120 g bottle	Per 240 g bottle
Puppies up to 3 months	1/8 tsp.	120 days (4 months)	240 days (8 months)	480 days (16 months)	960 days (32 months)
Dogs 2 lbs to 5 lbs	¼ tsp	60 days (2 months)	120 days (4 months)	240 days (8 months)	480 days (16 months)
Dogs 5 lbs to 8 lbs	½ tsp.	30 days	60 days (2 months)	120 days (4 months)	240 days (8 months)
Dogs 8 lbs to 12 lbs	¾ tsp.	20 days	40 days	80 days (2.5 months)	160 days (5 months)
Dogs 12 lbs and up	1 tsp	15 days	30 days	60 days (2 months)	120 days (4 months)

Extremely palatable.

Suggestions on How to Administer Angels’ Eyes

Most of our customers have told us the easiest way to administer Angels’ Eyes is to add the recommended weight dosage directly into their pet’s food once daily. Some people use it as a treat and mix it with some baby food, cottage cheese, yogurt, peanut butter, etc. Another suggestion is to add water to the recommended dosage and use a syringe slowly directly into their mouth.

Before starting a supplement regimen, **please consult with your veterinarian.**
