Kinda creepy ★ ★ ★ ★ ☆

by Doggy6565 – Sep 1, 2014

It asked me a question about one of my contacts and it came up with a pic of her and i dont have a contact pic f or any pics of her in my camera roll. Also, when it was asking me a question about a dif person it came up with h nickname, not the name i have in my contact list for him. I was pretty creeped out. Also, the questions r kinda...

by Marcellorlando02424 – Aug 31, 2014

This app is misleading and offensive in every way. I can't even understand how it got passed apple and is allowe downloaded through the App Store. The app isn't all happy and fun as it seems in the description. It's hurtful and mean, and it destroys friendships. What it does is it allows you to answer a random question about anyone in...!
