-Go through the training on www.yprtraining.com (<http://www.yprtraining.com>) all the way through

-Make a list of the top 10 people who you think would kill it in this business, and write out all the different hobbies and traits of each

-Once you complete this list, than you need to contact your **upline** before you contact these people **alone**. Now hit all ten of them up with your upline, than proceed to make another list of 10

-Do not make a huge list and hit up everyone you know right away. Make sure you get in contact with your upline to use our proven system

-S - SAVE

-Y - YOUR

-S - SELF

-T - TIME

-E - ENERGY

-M - MONEY

Define your Why

What is your Why? It's your reason for building your Vemma business. Your Why becomes the foundation of your business... and is a good reminder of where you want to be headed.
