My Vemma Story:	Tom Bergey introduced me to Vemma in June 2009. My husband and I both started taking Vemma and felt great. We experienced more energy while drinking the product. My husband has had wonderful results with the Vemma product. His cholesterol has dropped from 211 to 170, his liver enzymes have gone from High to Normal and he has not had to take anything for his allergies since the Spring. John normally experiences horrible allergy problems in both the Spring and the Fall. This is the first time for John that he has not had to take anything for his seasonal allergies.
