About Vemma

The most complete liquid nutrition around. It contains 12 full spectrum vitamins, and 65 major, trace and ultra trace minerals.

Vitamins
Essential
Minerals
Mangosteen
Aloe

The main ingredient is mangosteen(a super fruit from Asia). There are 43 xanthenes in every two ounces of Vemma. The xanthenes get into your blood stream, and immediately start to mop up the free radicals that are causing damage to your body. The doctors that are on the product, recommended that you take it daily for 90 days, before saying it doesn't agree with you. "You didn't get sick overnight, You're not going to feel better overnight." **Vemma is beneficial with conditions such as high blood**
