bestwebdesignagencies.com Reveals Rankings of 10 Top Explainer Video Companies for January 2015

NAPLES, FL--(Marketwired - January 19, 2015) - The independent authority on web design and development, bestwebdesignagencies.com, has announced the ten best explainer video agencies in the January 2015 edition of the ratings released online. Businesses looking for well-known explainer video agencies access the ratings at bestwebdesignagencies.com. Each agency highlighted within the ratings has been put through a rigorous evaluation to uncover how well they perform compared to industry standards and competitors.

The process for analyzing and naming explainer video firms involves a month-long process of analyzing the top contending firms based on the use of a set of analysis criteria and learning more about their solutions and their communications with their customers through referrals. Often times the bestwebdesignagencies.com independent analysis team communicates directly with customers in order to inquire about the solutions and performance from the standpoint of the customer. Other times customers visit bestwebdesignagencies.com in order to produce their opinions about the firms which they use.

The 10 best explainer video agencies for January 2015 are:

- 1- The Creative Momentum
- 2- Bread n Beyond
- 3- Veracity Colab
- 4- Grumo Media
- 5- Lumeo
- 6- Revolution Productions
- 7- Firestarter Videos
- 8- Walker Gary
- 9- Mypromovideos
- 10- RocketWheel
