## Sinus Issues

### Testimonials:

**Sammy** : "I had sinus problems for so long that I just learned to cope with them thinking there wasn't much hope of anything changing. The first week I began drinking the mangosteen and mineral product I experienced a lot of drainage. I realized that the drainage was from my sinuses clearing up. I no longer have sinus issues. I have also been able to knock out colds much quicker by doubling up on the mangosteen and mineral formula when sick."
