Dr Hulda Clark's Comments:

"Frequency generators come in all sizes and costs and capabilities. If you can purchase one that reads out the frequency for you in numbers (Digital Type) and lets you produce a fraction of a kilohertz by turning a dial, it meets your most elementary needs. It should also be possible to set it on positive offset (100% positive) and still give you 5 volts." Zapper Digital specifications.

Dr Hulda Clark

Dr Hulda Clark wrote her book "Cure For All Diseases" based on the research sourced from her Frequency Generator Zapper. Dr Clark tested millions of frequencies in order to discover the actual resonating frequencies of pathogens, and destroyed these same pathogens by Zapping at the actual resonant frequency of each and every Parasite, Virus and Bacteria.

Zapper Digital is not an ordinary Zapper, rather it is a hand held duplication of Dr Clark's Frequency Generator Zapper machine. In the 1980's people could not afford to purchase these expensive devices, so many cheap "copies" were sold, so beware of these low standard copies today. Stay away from "Gimmick" Zappers being sold under the brand "Auto Zap", "Terminator 2" and Z4eX

Dr Clark's investigations with the Digital Frequency Generator Zapper

"Dr Hulda Clark's investigations continued to discover the links between Parasites and medically "incurable diseases". What was originally thought to be an irreversible medical disease or condition, was theorized by Dr Clark to be a disease created by the incubation of parasites in the human body. By eliminating these Parasites by using carefully selected Frequencies on her Digital Frequency Generator, Dr Hulda Clark hallmarked a possible alternative treatment using Frequencies and electrical current".

Dr. Hulda Clark owned a "Frequency Generator Zapper", which was capable of programming thousands of selected frequencies that resonated with the "bandwidth" of Parasites, Virus and Bacteria. You can also own this Advanced Programmable Zapper, which is capable of running 1 million possible frequency selections. A Frequency Book is also supplied with the actual frequencies discovered by Dr Clark ... See below:

"No matter how long and confusing are the list of symptoms a person has, from chronic fatigue to

infertility to mental problems, I am sure to find only two things wrong: they have in them pollutants and/or parasites. I never find lack of exercise, vitamin deficiencies, hormone levels or anything else to be a primary causative factor. So the solution to good health is obvious:

(1) Parasites Electronic and herbal treatment

(2) Pollution Avoidance

It's a valiant quest: The quest for health. With optimism in one hand and determination in the other, you too can work the miracles for yourself that my clients accomplished in the case histories. More good news is that it is not expensive. The cost will range from a few hundred dollars to only a few thousand in order to eliminate both problems and cure your chronic diseases."

The Zapper Digital Series

The Zapper Digital Series use specific frequencies from the 3500 frequency list book to stimulate a altering of Bioresonance in the cells, reversing the change caused by the disease. Transmitting these frequencies over the same electrodes (straps) over a period of time generates healing signals that have a curative effect. With this method of treatment, practitioners claim to be able to detect and cure a variety of diseases and addictions without drugs.

Used successfully in Germany for more than 16 months, and with over 3000 users, The Zapper Digital Series are a German model which is now available to USA. The Zapper Digital Megahertz Plus specializes in running all of the Clark frequencies pertaining to Dr Clark's original machine. It is a high powered device using 12v DC, 2000ma, averaging an output of about 10volts and 1 million Hertz frequencies to the body. This model now exceeds the standards of all Zappers on the market. All Zapper Digital Series now incorporate Harmonics, and DAC to name a few new features.

Introducing the Zapper Digital Ultra Model in October 2011. Specifications: 16v, 4500ma makes this Zapper the most powerful zapper on the planet! Serious problems? Look no further than the Ultra model.

The Previous 2009-2010 Zapper Digital models are now being superseded by the new The Zapper Digital Series (Plus and Ultra). These models are much easier to use, with simplified easy edit menu systems, pause and play function, essential for those bathroom breaks, special comfortable straps designed for use on hands and feet, direct connect silver button on the straps for 100% conductivity to the healing frequencies.

Testimonials

Willis Robinson:

I have a friend that is using the product "Zapper Digital" and she has become a new person because of it. When they gave her 2 months to live she had no hope. We prayed and I remembered Dr. Calvin Dence, ND would some years ago share with a group that his knowledge on destroying viruses and germs. We laugh at him because he said if you would get shocked by a car battery a few times this would destroy germs and bacteria. Then I heard a Dr. Robert Beck on a Youtube video say the same thing. That's when I began to take it serious. Then I look up Aloe Vera which is one of my favorite plants and I came across your site and the rest is history. You have the machine or instrument that makes people who are curious believe. My friend is a living testimony that it works.

Judy Winchel:

I Continue to use Zapper Digital daily. Thank you for such an incredible opportunity. I am a 26 year cancer survivor & my intention is to remain cancer free.. I bow to your magnificence, Dr Clark... Thankyou & Respect, Judy

Christina:

Christina***@Hotmail.Com Just a note to let you know that I have been promoting your work. A woman at work cured her daughter of uterine cancer with Zapper Digital. Says that it is the best \$400 she ever spent! All we need to do is read and apply! Thank you so very much for thinking of us.
