1 **TO ALL PARTIES AND THEIR COUNSEL OF RECORD:**

2 **PLEASE TAKE NOTICE** that on July 30, 2015 at 10:00 AM, or as soon thereafter as  
3 the matter may be heard before the Honorable Vince Chhabria, United States District Court  
4 Judge, in Courtroom 4, 17<sup>th</sup> Floor, of the United States District Court for the Northern District of  
5 California, located at 450 Golden Gate Avenue, San Francisco, CA 94102, Defendant Van's  
6 International Foods ("Van's") will and hereby does move for an order staying this case and  
7 vacating all motion and discovery response deadlines pending the outcome of the final approval  
8 hearing currently scheduled for September 17, 2015 regarding a settlement in a parallel action,  
9 *Miloro v. Van's International Foods*, Case No. 15PH-CV00642, filed in the Circuit Court of  
10 Phelps County, Missouri, that was preliminarily approved on June 16, 2015 by the Circuit Court  
11 judge in that case.

12 There is good cause to grant this motion. The *Miloro* action is an identical, parallel case  
13 to *Rhinerson*. In *Miloro*, Van's entered into a settlement with the same nationwide class of  
14 consumers who purchased Van's waffle and other frozen breakfast foods with respect to the  
15 same allegations as in *Rhinerson*, namely that Van's frozen waffle products containing sodium  
16 acid pyrophosphate were falsely labeled as "all natural" or "totally natural." Preliminary  
17 approval of the *Miloro* settlement was been granted. Accordingly, to avoid the unnecessary  
18 duplication of judicial and party resources and the associated expense, the Court should enter an  
19 order staying this action pending the outcome of the hearing on final approval of the *Miloro*  
20 settlement, which is currently scheduled for September 17, 2015.

21 This motion is based on this notice of motion and motion, the accompanying  
22 memorandum of points and authorities, the declaration of Keri E. Borders, the pleadings, orders,  
23 and other papers on file in this action and related actions, and on such other evidence and  
24 argument as may be presented to the Court at the time of hearing.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 This case, and the two related cases *Campbell* and *Frei* pending before the Court<sup>1</sup>, are  
4 three of the five identical lawsuits against Van's which assert that Van's waffle products were  
5 falsely labeled "natural" because they contain sodium acid pyrophosphate ("SAPP"), a common  
6 leavening agent used in baking powder (the "SAPP Cases").<sup>2</sup> After simultaneously litigating the  
7 SAPP Cases, and after months of settlement negotiations, on June 12, 2015, Van's and the  
8 plaintiffs in *Miloro v. Van's International Foods*, Case No. 15PH-CV00642, pending in the  
9 Circuit Court of Phelps County, Missouri, reached a nationwide class settlement finally resolving  
10 all issues underlying the SAPP Cases.

11 Van's notified the parties in *Rhinerson*, *Campbell*, and *Frei* on June 17, 2015 of the  
12 settlement in *Miloro* and sought their agreement to a stay of all three related cases pending the  
13 hearing on final approval scheduled for September 17, 2015. Van's has not yet heard from the  
14 plaintiffs as to whether they are agreeable to stay, and if plaintiffs do agree, Van's will submit an  
15 appropriate stipulation. Van's has spent considerable resources litigating and attempting to  
16 resolve the SAPP Cases. Now that a settlement has been reached which provides full and fair  
17 relief to a nationwide class of consumers who purchased the Van's products at issue, Van's seeks  
18 a short stay of this action (and the related *Campbell* and *Frei* cases) to allow the parties to focus  
19 on completing the settlement and providing relief to class members, preserve judicial resources,  
20 and avoid unnecessary expense and duplication of efforts associated with continuing to litigate  
21 these cases.

22 \_\_\_\_\_  
23 <sup>1</sup> As the Court was informed at the Case Management Conference, the plaintiffs in *Rhinerson*,  
24 *Campbell*, and *Frei* have agreed to consolidation although a stipulation to that effect has not yet  
25 been filed.

26 <sup>2</sup> The SAPP Cases consist of: (i) this action (*Rhinerson v. Van's International Foods*, No. 3:13-  
27 cv-5923-VC); (ii) *Campbell v. Van's International Foods*, No. 3:15-cv-01509-VC; (iii) *Frei v.*  
28 *Van's International Foods*, No. 3:15-cv-01723-VC; (iv) *Cunningham v. Van's International*  
*Foods*, No. 1422-CC10278 (Circuit Court of City of St. Louis, Missouri); and (v) *Miloro v.*  
*Van's International Foods*, Case No. 15PH-CV00642 (Circuit Court of Phelps County,  
Missouri). On June 17, *Cunningham* was transferred to Phelps County, Missouri so that it could  
be consolidated with the *Miloro* case.

1 **II. FACTUAL BACKGROUND**

2 On May 26, 2015, the parties in *Rhinerson, Campbell, and Frei* attended a case  
3 management conference. On May 28, 2015, the Court issued an Order setting all of the pre-trial  
4 deadlines to be applied to all three cases. (Order, Dkt. No. 86.) Specifically, the close of fact  
5 discovery is October 16, 2015, initial expert disclosures are due October 16, 2015, rebuttal expert  
6 disclosures are due November 13, 2015 and the close of expert discovery is December 4, 2015.  
7 *Id.* Plaintiffs are required to file their class certification motion by December 17, 2015, and  
8 Van's response is due on January 14, 2016, with a hearing date set for February 18, 2016. *Id.*

9 On June 12, 2015, Van's and Plaintiffs Diana Jill Miloro and Jennifer Cunningham, on  
10 behalf of themselves and all class members, entered into a Stipulation of Class Action Settlement  
11 (the "Settlement"). (Declaration of Keri E. Borders ("Borders Decl."), Exh. A, Stipulation of  
12 Class Action Settlement). On June 16, 2015, the Circuit Court of Phelps County entered an  
13 order granting preliminary approval of the Settlement and setting a hearing on final approval of  
14 the Settlement for September 17, 2015 (the "Final Approval Hearing"). (Borders Decl., Exh. B,  
15 Order Granting Preliminary Approval of Settlement, ¶¶ 1-2.)

16 The settlement class with respect to the Settlement (the "Settlement Class") consists of all  
17 persons in the United States who, from January 1, 2009 to the present, purchased Van's frozen  
18 waffles, frozen pancakes, frozen French toast sticks, frozen waffle sticks, frozen English muffins  
19 or frozen muffin crowns which contained the labeling statements: "Van's Natural Foods,"  
20 "Totally Natural," "Naturally Delicious," "All Natural" and/or any term substantially similar  
21 thereto indicating that the product is all natural. (Borders Decl., Exhibit A, ¶¶ 28,39; Exh. B, ¶  
22 4.) The Settlement Class is the same as, and/or subsumes the proposed class, in  
23 *Rhinerson/Frei/Campbell*. (See Compl., ¶ 19.)

24 Moreover, there is overlap between the identity of the products at issue between *Miloro*  
25 and *Rhinerson, Campbell, and Frei*. In fact, the Settlement covers all of Van's products  
26 identified in the *Rhinerson, Campbell, and Frei* cases in addition to other Van's products which  
27 contain SAPP. (Borders Decl., Exh. A, ¶ 28.)

28 ///

1 **III. LEGAL ARGUMENT**

2 **A. The Standard For Granting A Stay**

3 Van's respectfully requests that the Court stay proceedings in *Rhinerson* (and the related  
4 cases) pending the outcome of the Final Approval Hearing, at which time Van's anticipates that  
5 the Phelps County Court will enter final approval of the Settlement and enter a judgment in  
6 *Miloro*. Accordingly, this Court should utilize its inherent authority "to control the disposition of  
7 the causes on its docket with economy of time and effort for itself, for counsel, and for litigants"  
8 by granting a short stay. *Landis v. N. Am. Co.*, 299 U.S. 248, 254 (1936); *see also*  
9 *Mediterranean Enterprises, Inc. v. Ssangyong Corp.*, 708 F.2d 1458, 1465 (9th Cir. 1983) (a  
10 court may "stay an action before it, pending resolution of independent proceedings which bear  
11 upon the case"). When evaluating whether a stay is proper:

12 Where it is proposed that pending proceeding be stayed, the  
13 competing interests which will be affected by the granting or  
14 refusal to grant a stay must be weighed. Among those competing  
15 interests are the possible damage which may result from the grant  
16 of a stay, the hardship or inequity which a party may suffer in  
being required to go forward, and the orderly course of justice  
measured in terms of the simplifying or complicating of issues,  
proof, and questions of law which could be expected to result from  
a stay.

17 *Lockyer v. Mirant Corp*, 398 F. 3d 1098, 1109 (9th Cir. 2005) (citing *CMAX, Inc. v.*  
18 *Hall*, 300 F.2d 265, 268 (9th Cir. 1962). In particular, Courts in the Ninth Circuit have found  
19 that a stay is proper where, as here, a settlement in a parallel class action would have a preclusive  
20 effect on the case in which the stay is sought. *Perryman v. Litton Loan Servicing, LP*, 2015 WL  
21 895638, at \*6 (N.D. Cal. Feb. 26, 2015); *In re JPMorgan Chase LPI Hazard Litig.*, 2013 WL  
22 3829271, at \*5 (N.D. Cal. July 23, 2013); *Jaffe v. Morgan Stanley DW, Inc.*, 2007 WL 163196,  
23 at \*2 (N.D. Cal. Jan. 19, 2007); *De Simas v. Big Lots Stores, Inc.*, 2007 WL 686638, at \*7 (N.D.  
24 Cal. Mar. 2, 2007); *Advanced Internet Technologies, Inc. v. Google, Inc.*, 2006 WL 889477, at  
25 \*2 (N.D. Cal. Apr. 5, 2006). Applying these factors favors the granting of a temporary stay of  
26 proceedings in favor of awaiting the hearing to determine final approval of the Settlement.

27 ///

28 ///

1           **B. No Damage Will Result From The Grant Of The Stay**

2           No party will be prejudiced by granting a short stay of this action pending the Final  
3 Approval Hearing on the Settlement. *See In re JPMorgan Chase LPI Hazard Litig.*, 2013 WL  
4 3829271, at \*4 (finding that plaintiffs would not be prejudiced by a stay pending finalization of a  
5 settlement agreement); *Chartener v. Provident Mut. Life Ins. Co.*, 2003 WL 22518526, at \*4  
6 (E.D. Pa. Oct. 22, 2003). The Settlement provides full and fair relief to the putative class and  
7 staying this case will allow all parties, including the plaintiffs, to preserve resources as outlined  
8 above, pending finalization. Moreover, a very short stay of proceedings – and the attendant  
9 continuation of the dates – will maintain the status quo until it can be confirmed that this case  
10 should be dismissed. There is no danger of prejudice to any party as a result of a brief stay.

11           **C. Van’s And All Parties Will Suffer Hardship And Inequity If A Stay Is Not**  
12           **Granted**

13           A stay in this action “is in the interest of judicial economy because a settlement [in a  
14 parallel proceeding] will obviate any further litigation of issues in this case” and “will allow both  
15 parties to conserve their resources should a settlement . . . be finalized.” *In re JPMorgan Chase*  
16 *LPI Hazard Litig.*, 2013 WL 3829271, at \*5. If a stay is not issued in this case, Van’s, the  
17 plaintiffs, and this Court will be forced to squander resources litigating a case that will be moot  
18 upon entry of an order granting final approval of the Settlement and entering judgment. *See*  
19 *Packer v. Power Balance, LLC*, 2011 WL 1099001, at \*2 (D.N.J. Mar. 22, 2011) (it is wasteful  
20 of judicial resources to consider the merits of a complaint while a separate court considers a  
21 nationwide settlement).

22           The parties to this action face several looming deadlines that will require investment of  
23 time, effort, and expense if a stay is not entered. The Court’s May 28, 2015 Order requires that  
24 the parties move quickly to complete both fact and expert discovery and begin preparation of  
25 class certification motions. Without the relief provided by a stay or an order vacating the  
26 deadlines set by the Court, the parties will be required to continue document discovery, expert  
27 discovery and depositions leading up to the Final Approval Hearing. Document discovery, in  
28 particular, is daunting because of the voluminous number of documents (over 40,000) that are

1 required to be reviewed and, if responsive, produced. This expense of party resources is  
2 unnecessary in light of the fact that a settlement has already been reached and approved by a  
3 court of competent jurisdiction on a preliminary basis, and is scheduled for a hearing on final  
4 approval which, if granted, will resolve this case in its entirety.

5       Moreover, even if the plaintiffs assert that the settlement is unfair or improper, a stay will  
6 still not result in prejudice to plaintiffs. The proper forum in which plaintiffs must contest the  
7 settlement will be in the *Miloro*, rather than the *Rhinerson*, court. *See Nesbit v. Fornaro*, WL  
8 1869917, at \*3 (D. Nev. Mar. 31, 2011) *aff'd*, 2011 WL 1869934 (D. Nev. May 16, 2011)  
9 (finding that objection to a proposed settlement should be raised in the proceeding in which the  
10 settlement was reached); *Annunziato v. eMachines Inc.*, 2006 WL 5014567, at \*5 n.5 (C.D. Cal.  
11 July 24, 2006) (stating that the proper place for objection to a preliminary state-court settlement  
12 is in the state court itself). To the extent that plaintiffs are concerned that their control over the  
13 Van's litigation will be threatened by such a stay, where, as here, "the real fight . . . is for control  
14 of a class action between two warring plaintiffs' firms," a stay is proper. *See, e.g., Branca v.*  
15 *Iovate Health Sciences USA, Inc.*, 2013 WL 1344306, at \*1-2 (S.D. Cal. Apr. 2, 2013). Thus, no  
16 prejudice could result and the stay should be granted.

17       **D. The Orderly Course Of Justice Favors Granting The Stay**

18       Because of the identity of the represented class, products, and claims between *Miloro and*  
19 *Rhinerson, Campbell, and Frei*, the judgment in *Miloro* would fully and finally resolve the  
20 claims at issue in all of those cases, and Van's would be entitled to assert the preclusive effect of  
21 the *Miloro* judgment. *See Matsushita Elec. Indus. Co. v. Epstein*, 516 U.S. 367, 373 (1996) ("The  
22 Full Faith and Credit Act mandates that the 'judicial proceedings' of any State 'shall have the  
23 same full faith and credit in every court within the United States ... as they have by law or usage  
24 in the courts of such State ... from which they are taken.' 28 U.S.C. § 1738."). Accordingly, the  
25 interests of justice favor granting a stay.

**IV. CONCLUSION**

For the foregoing reasons, Van’s respectfully requests that this Court enter a stay of the *Rhinerson, Campbell, and Frei* cases pending the outcome of the Final Approval Hearing on the Settlement, which is currently set for September 17, 2015.

**STIPULATION OF CLASS ACTION SETTLEMENT**

This Stipulation of Settlement is entered into by and among Plaintiffs Diana Jill Miloro and Jennifer Cunningham,<sup>1</sup> on behalf of themselves and the Settlement Class Members and Defendant Van's International Foods ("Van's"). Capitalized terms used herein are defined in Section II of this Stipulation or indicated in parentheses elsewhere in this Stipulation. Subject to the Court's approval, the Parties hereby stipulate and agree that, in consideration for the promises and covenants set forth in the Stipulation and upon the entry by the Court of a Final Approval Order and the occurrence of the Effective Date, the Action shall be settled and compromised upon the terms and conditions contained herein.

**I. RECITALS**

A. On April 29, 2015, Plaintiff Diana Jill Miloro filed this Action against Van's on behalf of herself and all Persons who purchased certain Van's Products during the Class Period. Plaintiff alleges in the complaint that, among other things, the Product packaging was false and

<sup>1</sup> Plaintiff Cunningham is currently the plaintiff in *Cunningham v. Van's International Foods*, No. 1422-CC10278 in the Circuit Court of the City of St. Louis, Missouri. The parties have agreed to consent to transfer and consolidate the *Cunningham* case with the Action for purposes of settlement.

deceptive in that it led purchasers to believe that the Product was “All Natural,” when in fact it included one or more synthetic ingredients. Plaintiff contends that Van’s representations give rise to claims for breach of express and implied warranties and unjust enrichment, among others.

B. Van’s, to avoid the costs, disruption and distraction of further litigation, and without admitting the truth of any allegations made in the Action, or any liability with respect thereto, has concluded that it is desirable that the claims against it be settled and dismissed on the terms reflected in this Stipulation.

Without limiting the foregoing, the release specifically extends to claims that the Releasing Parties do not know or suspect to exist in their favor at the time that the Settlement, and the release contained herein, becomes effective. This Paragraph constitutes a waiver of, without limitation as to any other applicable law, section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

The Releasing Parties understand and acknowledge the significance of these waivers of California Civil Code section 1542 and any other applicable federal or state statute, case law, rule or regulation relating to limitations on releases. In connection with such waivers and relinquishment, the Releasing Parties acknowledge that they are aware that they may hereafter discover facts in addition to, or different from, those facts that they now know or believe to be

true with respect to the subject matter of the Settlement, but that it is their intention to release fully, finally and forever all Released Claims with respect to the Released Parties, and in furtherance of such intention, the release of the Released Claims will be and remain in effect notwithstanding the discovery or existence of any such additional or different facts.

C. The Final Approval Order shall further provide for and effect the release of all actions, causes of action, claims, administrative claims, demands, debts, damages, costs, attorney's fees, obligations, judgments, expenses, compensation, or liabilities, in law or in equity, whether now known or unknown, contingent or absolute, that Van's now has against Plaintiff, Settlement Class Members or Class Counsel by reason of any act, omission, harm, matter, cause, or event whatsoever arising out of the initiation, prosecution, or settlement of the Action or the claims and defenses asserted in the Action.

Notwithstanding the above, the Court shall retain jurisdiction over the Parties and the Stipulation with respect to the future performance of the terms of the Stipulation, and to assure that all payments and other actions required of any of the Parties by the Settlement are properly made or taken.

## **XII. FINAL JUDGMENT AND SETTLEMENT APPROVAL**

This Stipulation is subject to and conditioned upon the issuance by the Court of the Final Approval Order that finally certifies the Settlement Class for the purposes of this settlement, grants final approval of the Stipulation, and provides the relief specified herein, which relief shall be subject to the terms and conditions of the Stipulation and the Parties' performance of their continuing rights and obligations hereunder.

**XIII. REPRESENTATIONS AND WARRANTIES**

Each Party represents and warrants to, and agrees with, the other Party as follows:

A. Each Party has had the opportunity to receive, and has received, independent legal advice from his or its attorneys regarding the advisability of making the Settlement, the advisability of executing this Stipulation, and the legal and income tax consequences of this Stipulation, and fully understands and accepts the terms of this Stipulation.

B. Van's represents and warrants: (1) that it has the requisite corporate power and authority to execute, deliver and perform the Stipulation and to consummate the transactions contemplated hereby; (2) that the execution, delivery and performance of the Stipulation and the consummation by it of the actions contemplated herein have been duly authorized by necessary corporate action on the part of Van's; and (3) that the Stipulation has been duly and validly executed and delivered by Van's and constitutes its legal, valid and binding obligation.

C. Each Class Representative represents and warrants that he/she is entering into the Stipulation on behalf of himself/herself individually and as a proposed representative of the Settlement Class Members, of his/her own free will and without the receipt of any consideration other than what is provided in the Stipulation or disclosed to, and authorized by, the Court. Each Class Representative represents and warrants that he/she has reviewed the terms of the Stipulation in consultation with Class Counsel and believes them to be fair and reasonable, and covenants that he/she will not file a Request for Exclusion from the Settlement Class or object to the Stipulation.

D. Plaintiff represents and warrants that no portion of any claim, right, demand, action, or cause of action against any of the Released Parties that Plaintiff has or may have arising out of the Action or pertaining to his/her purchase and/or use of the Product and/or the

design, manufacture, testing, marketing, labeling, packaging or sale of the Product otherwise referred to in this Stipulation, and no portion of any recovery or settlement to which Plaintiff may be entitled, has been assigned, transferred, or conveyed by or for Plaintiff in any manner; and no Person other than Plaintiff has any legal or equitable interest in the claims, demands, actions, or causes of action referred to in this Stipulation as those of Plaintiff herself.

E. Neither Party relies or has relied on any statement, representation, omission, inducement, or promise of the other party (or any officer, agent, employee, representative, or attorney for any other party) in executing this Stipulation, or entering the Settlement provided for herein, except as expressly stated in this Stipulation.

#### **XIV. NO ADMISSIONS OF FAULT**

The Stipulation and every stipulation and term contained in it is conditioned upon final approval of the Court and is made for settlement purposes only. Whether or not consummated, this Stipulation shall not be construed as, offered in evidence as, received in evidence as, and/or deemed to be, evidence of a presumption, concession or an admission by Plaintiff, Van's, any Settlement Class Member or Released Party, of the truth of any fact alleged or the validity of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or the deficiency of any claim or defense that has been, could have been, or in the future might be asserted in any litigation, or of any liability, fault, wrongdoing or otherwise of such Party.

#### **XV. MISCELLANEOUS PROVISIONS**

##### **A. Conditional Nature of Settlement and Termination**

Defendant and Plaintiff shall each have the right to terminate the Settlement by providing written notice of their election to do so to the other within thirty (30) days of: (a) the Court's

declining to enter the Preliminary Approval Order in substantially the form attached hereto; (b) the Court's refusal to approve this Stipulation or any part of it; (c) the Court's declining to enter the Final Approval Order in substantially the form attached hereto; (d) the date upon which the Final Approval Order is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; (e) in the event that the Court enters an order and final judgment in a form other than that provided above ("Alternative Judgment") and neither of the parties hereto elect to terminate this Settlement, the date that such Alternative Judgment is modified or reversed in any material respect by the Court of Appeals or the Supreme Court; or (f) more than 1,000 Class Members opt out of the Settlement pursuant to Section VIII(D) above.

**B. Evidentiary Preclusion**

The Parties agree that, to the fullest extent permitted by law, neither this Stipulation nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Stipulation or the Settlement: (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any claim or of any wrongdoing or liability of the Released Parties; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any Released Party or the appropriateness of class certification in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. In addition, any failure of the Court to approve the Settlement and/or any objections or interventions may not be used as evidence in the Action or any other proceeding for any purpose whatsoever. However, the Released Parties may file the Stipulation and/or the Final Approval Order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith

settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

**C. Effect of Nonapproval**

In the event that this Stipulation is not approved by the Court in substantially its present form, any objection to the Settlement is sustained by the Court, or the Settlement does not become final for any reason, the terms and provisions of this Stipulation shall have no further force and effect with respect to the Parties or the Settlement Class Members, and shall not be used in this Action or in any other action or proceeding for any purpose, and any order or judgment entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*. In such event, this Stipulation and all negotiations, proceedings, documents prepared and statements made in connection with this Stipulation shall be without prejudice to any Party or Settlement Class Member and shall not be admissible or offered into evidence in any action or proceeding, and shall not be deemed, asserted or construed to be an admission or confession by any Party or any other Person or entity of any fact, matter or proposition of law, and shall not be used or asserted in any other manner or for any purpose, and all Parties and Settlement Class Members shall stand in the same position as if this Stipulation and Settlement had not been negotiated, made or submitted to the Court.

**D. Effectiveness, Amendments, and Binding Nature**

This Stipulation may be amended only in writing signed by the Parties. Except as otherwise stated above, each Party, including Plaintiff on behalf of himself/herself and the Settlement Class, expressly accepts and assumes the risk that, if facts or laws pertinent to matters covered by this Stipulation are hereafter found to be other than as now believed or

assumed by that party to be true or applicable, this Stipulation shall nevertheless remain effective.

This Stipulation is binding on, and shall inure to the benefit of, the Parties and their respective agents, employees, representatives, officers, directors, parents, subsidiaries, assigns, executors, administrators, insurers, and successors in interest. All Released Parties other than Defendant, which is a Party, are intended to be third-party beneficiaries of this Stipulation.

**E. Cooperation in Implementation**

Defendant, Plaintiff, and their respective counsel agree to prepare and execute any additional documents that may reasonably be necessary to effectuate the terms of this Stipulation.

**F. Governing Law**

This Stipulation shall be construed and governed in accordance with the laws of the State of Missouri, without regard to Missouri's conflict-of-laws principles.

**G. Stay Pending Court Approval**

Class Counsel and Van's Counsel agree to stay all proceedings, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement, until the Effective Date of the Settlement has occurred. If, despite the Parties' best efforts, this Stipulation should fail to become effective, the Parties will return to their prior positions in the Action, in accordance with Section III of this Stipulation.

The Parties also agree to use their best efforts to seek the stay and dismissal of, and to oppose entry of any interim or final relief in favor of any Settlement Class Member in, any other proceedings against any of the Released Parties which challenges the Settlement or otherwise asserts or involves, directly or indirectly, a Released Claim.

**H. Signatures**

This Stipulation may be executed in counterparts, and, when so executed, shall constitute a binding original. Each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile signatures or signatures sent by email shall be deemed original signatures and shall be binding.

**I. Notices**

Whenever this Stipulation requires or contemplates that one Party shall or may give notice to the other, notice shall be provided in writing by first class US Mail and email to:

1. If to Plaintiff or Class Counsel:

**J. Good Faith**

The Parties agree that they will act in good faith and will not engage in any conduct that will or may frustrate the purpose of this Stipulation. The Parties further agree, subject to Court approval as needed, to reasonable extensions of time to carry out any of the provisions of the Stipulation.

**K. Protective Orders**

All orders, settlement agreements and designations regarding the confidentiality of documents and information (“Protective Orders”) remain in effect, and all Parties and counsel remain bound to comply with the Protective Orders, including the provisions to certify the destruction of “Confidential” documents.

**L. Binding on Successors**

The Stipulation shall be binding upon, and inure to the benefit of, the heirs, and Released Parties.

**M. Arms-Length Negotiations**

The determination of the terms and conditions contained herein and the drafting of the provisions of this Stipulation has been by mutual understanding after negotiation, with consideration by, and participation of, the Parties hereto and their counsel. This Stipulation shall not be construed against any Party on the basis that the Party was the drafter or participated in the drafting. Any statute or rule of construction that ambiguities are to be resolved against the drafting party shall not be employed in the implementation of this Stipulation and the Parties agree that the drafting of this Stipulation has been a mutual undertaking.

**N. Waiver**

The waiver by one Party of any provision or breach of the Stipulation shall not be deemed a waiver of any other provision or breach of the Stipulation.

**O. Variance**

In the event of any variance between the terms of this Stipulation and any of the Exhibits hereto, the terms of this Stipulation shall control and supersede the Exhibit(s).

**P. Exhibits**

All Exhibits to this Stipulation are material and integral parts hereof, and are incorporated by reference as if fully rewritten herein.

**Q. Taxes**

No opinion concerning the tax consequences of the Stipulation to any Settlement Class Member is given or will be given by Van's, Van's counsel, or Class Counsel; nor is any Party or their counsel providing any representation or guarantee respecting the tax consequences of the Stipulation as to any Settlement Class Member. Each Settlement Class Member is responsible for his/her tax reporting and other obligations respecting the Stipulation, if any.

**R. Retain Jurisdiction**

The Court shall retain jurisdiction with respect to the implementation and enforcement of the terms of this Stipulation, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the agreements embodied in this Stipulation.

**S. Attorneys' Fees**

Notwithstanding any of the provisions herein, if any party finds it necessary to institute legal proceedings to enforce another party's obligation under this Stipulation, the prevailing party in any such action shall be entitled to recover its reasonable attorneys' fees and costs.

**T. Support From The Parties**

After a full investigation, discovery and arms-length negotiations, the Parties and their counsel agree that they: (i) have independently determined that this Settlement is in the best interest of the Class; (ii) shall support motions for entry of the Preliminary Approval Order and Final Approval Order; and (iii) will not encourage any Persons to opt out or object to the Settlement or this Stipulation.

# **EXHIBIT A**

**IN THE CIRCUIT COURT OF PHELPS COUNTY, MISSOURI**

DIANA JILL MILORO, as an individual  
and on behalf of all others similarly situated,

Plaintiff,

vs.

**Case No. 15PH-CV00642**

VAN'S INTERNATIONAL FOODS, INC.,  
an Arizona corporation,

Defendant.

---

**ORDER PRELIMINARILY APPROVING CLASS SETTLEMENT, APPROVING  
CLASS NOTICE, AND SCHEDULING FAIRNESS HEARING**

The Court has considered Plaintiff's Motion for Preliminary Approval of Class Settlement pursuant to Mo. R. Civ. P. 52.08. Upon review of the motion and the Settlement Agreement and its attachments, and after consideration of the parties' submissions and the arguments at the hearing on this matter, if any, for good cause shown, the Court preliminarily finds that the terms of the settlement are fair, adequate, and reasonable. The Court further finds that the notice provisions provided for by the Settlement Agreement are adequate and appropriate to inform members of the class of the terms of the settlement.

**THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The Court does hereby preliminarily approve the Settlement Agreement<sup>1</sup> and the settlement set forth therein (the "Settlement"), subject to further consideration at the Final Approval Hearing described below.
2. A hearing (the "Final Approval Hearing") shall be held before this Court on \_\_\_\_\_,

---

<sup>1</sup> The Court, for purposes of this Order, adopts the definitions of capitalized terms set forth in the Settlement Agreement.

2015, at \_\_\_\_\_ .m. to determine whether the proposed settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, adequate, and reasonable to the Class and should be approved by the Court, and whether a Final Approval Order and Judgment should be entered herein.

3. Plaintiff Diana Jill Miloro is preliminarily appointed as representative of the Settlement Class (“Class Representative”), and the following attorneys for Plaintiff are preliminarily appointed as counsel for the Settlement Class (“Class Counsel”): David L. Steelman of Steelman, Gaunt & Horsefield, Matthew H. Armstrong of Armstrong Law Firm LLC, and Scott A. Kamber and Stuart L. Cochran of KamberLaw LLC. This Court is familiar with Class Counsel and has found them to be experienced, thoughtful, and effective advocates in class actions who adequately, faithfully, and zealously represent the classes they represent.

4. For purposes of determining whether the terms of the Settlement should be finally approved as fair, adequate, and reasonable, the following Settlement Class is conditionally certified for settlement purposes only:

All Persons who purchased Products in the United States during the Class Period. Excluded from the Settlement Class are: (a) all Persons who purchased or acquired the Product for resale; (b) Van’s and its employees, principals, affiliated entities, legal representatives, successors and assigns; (c) any Person who files a valid, timely Request for Exclusion; (d) federal, state, and local governments (including all agencies and subdivisions thereof, but excluding employees thereof) and (e) the judges to whom this Action is assigned and any members of their immediate families.

5. Should the Settlement not become final, Van’s may still oppose class certification and the fact that the Court ordered class certification as part of the Settlement, or that Van’s was willing to stipulate to class certification as part of the Settlement, shall have no bearing on, and shall not be admissible in connection with, the issue of whether a class should be certified in this Action or in any other proceeding.

6. The Court designates Heffler Claims Administration (“Heffler”) as the Settlement Administrator and instructs Heffler to perform the following functions, as set forth in the Settlement Agreement:

- a. Process requests for exclusion from the Settlement in accordance with Section VIII of the Settlement Agreement;
- b. Process objections to the Settlement in accordance with Section VIII of the Settlement Agreement;
- c. Process Claim Forms in accordance with Section V of the Settlement Agreement;
- d. Before disseminating the Settlement Notice, establish the Settlement Website, which Settlement Class Members can visit to read and obtain additional information regarding the Settlement, including submission of claims; and
- e. Set up and operate a toll-free automated interactive voice response system through which Settlement Class Members can access Settlement information.

7. The Court approves, as to form and content, the Settlement Notice attached as Exhibit 1, the Publication Notice attached as Exhibit 2, and the Media Plan attached as Exhibit 3, and finds that the distribution of the Settlement Notice substantially in accordance with Paragraph VII of the Settlement Agreement meets the requirements of Mo. R. Civ. P. 52.08(b)(3) and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all persons entitled thereto.

8. As soon as practicable, but no later than thirty (30) days after the entry of this Preliminary Approval Order, the Settlement Administrator shall disseminate the Settlement Notice by setting up the Settlement Website on the Internet and posting both the Settlement Notice and Publication Notice. Within thirty (30) days after the entry of this Preliminary Approval Order, Van’s shall publish, cause to be published, or ensure that the Settlement Administrator has published, the Publication Notice pursuant to the Media Plan. The Publication Notice shall also be

posted on the Settlement Website until the Effective Date, or such later date as may be agreed to by Class Counsel and Defendant's Counsel.

9. The Settlement Administrator shall prepare a declaration attesting to compliance with the Settlement Notice requirements and a statement of the number of Persons the Media Plan reached. Such declaration shall be provided to Defendant's Counsel and Class Counsel and filed with the Court no later than fourteen (14) days prior to the Final Approval Hearing.

10. The Court approves the Claim Form attached as Exhibit 4 to the Settlement Agreement.

11. As set forth in paragraph V(D) of the Settlement Agreement, the Claim Period shall commence upon entry of the Final Approval Order and will continue for 90 consecutive days thereafter (the "Claims Deadline"). To be timely, all Claims must be submitted by the Claims Deadline in accordance with paragraph V(D) of the Settlement Agreement.

12. Any Settlement Class Member who intends to object to the Settlement must do so no later than forty-five (45) calendar days after the Notice Date (the "Objection Deadline"). In order to object, the Settlement Class Member must file with the Court, and provide a copy to Class Counsel and Defendant's Counsel, a document that includes all of the following:

1. The name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her counsel;
2. Specifically and in writing, all objections;
3. Whether he/she intends to appear at the Final Approval Hearing, either with or without counsel;
4. A statement of his/her membership in the Settlement Class, including all information required by the Claim Form; and
5. A detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous five (5) years. If the Settlement Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement.

Any Settlement Class Member who fails to file and serve timely (a) a written objection containing all of the information listed in items (1) through (5) of the previous paragraph and (b) notice of his/her intent to appear at the Final Approval Hearing pursuant to this paragraph shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by any means, including but not limited to an appeal. Any Settlement Class Member who submits a timely written objection shall consent to deposition by Class Counsel prior to the Final Approval Hearing.

13. Any Settlement Class Member may request to be excluded (or “opt out”) from the Settlement Class. A Settlement Class Member who wishes to opt out of the Settlement Class must do so no later than forty-five (45) calendar days after the date of the Notice Date (the “Opt-Out Deadline”). In order to opt out, a Settlement Class Member must complete and mail to the Settlement Administrator a Request for Exclusion that is postmarked no later than the Opt-Out Deadline. Requests for Exclusion that are postmarked after the Opt-Out Deadline will be considered invalid and of no effect, and the Person who untimely submits a Request for Exclusion will remain a Settlement Class Member and will be bound by any Orders entered by the Court, including the Final Approval Order and the Releases contemplated thereby.

14. Except for those Persons who have properly and timely submitted Requests for Exclusion, all Settlement Class Members will be bound by the Settlement Agreement and the Final Approval Order, including the Releases, regardless of whether they file a Claim or receive any monetary relief. Any Person who timely and properly submits a Request for Exclusion shall not (a) be bound by any orders or the Final Approval Order nor by the Releases contained therein; (b) be entitled to any relief under the Settlement Agreement; (c) gain any rights by virtue of the Settlement Agreement; or (d) be entitled to object to any aspect of the Settlement Agreement.

Each Person requesting exclusion from the Settlement Class must personally sign his or her own individual Request for Exclusion. No Person may opt-out of the Settlement Class any other Person, or be opted-out by any other Person, and no Person shall be deemed opted-out of the Settlement Class through any purported “mass” or “class” opt-outs.

15. The Settlement Administrator shall provide Class Counsel and Defendant’s Counsel with a final list of any timely Requests for Exclusion received by the Settlement Administrator within five (5) business days after the Opt-Out Deadline.

16. Not later than fourteen (14) days before the Final Approval Hearing, the Settlement Administrator shall prepare and deliver to Class Counsel, who shall file with the Court, and Defendant’s Counsel, a report stating the total number of Persons who have submitted timely and valid Requests for Exclusion from the Settlement Class and Objections to the Settlement, and the names of such Persons.

17. Class Counsel shall submit papers in support of final approval of the certification of the Settlement Class, the designation of Plaintiff as the representatives of the Settlement Class, the appointment of Class Counsel as counsel for the Settlement Class, and the Settlement; and Class Counsel’s Application for attorneys’ fees and expenses no later than 14 days before the Final Approval Hearing.

18. Neither the Settlement Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by the Class Representative or Van’s of any fact or allegation, or of any liability, fault, or wrongdoing of any kind.

19. The Court reserves the right to adjourn or continue the date of the Final Approval Hearing without further notice to the members of the Class, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modification as may be agreed to by the Parties, if appropriate without further notice to the Class.

**IT IS SO ORDERED.**

JUDGE OF THE CIRCUIT COURT

# **EXHIBIT 1**

**If you purchased certain Van's Frozen Breakfast Products for personal use in the United States, you may be entitled to a cash refund from a class action settlement.**

*A Missouri court authorized this notice. This is not a solicitation from a lawyer.*

This Notice advises you of a proposed class action settlement. The settlement resolves a lawsuit over whether Van's International Foods ("Van's") wrongfully advertised and sold products with "all natural" or similar labeling in the United States after January 1, 2009. You should read this entire Notice carefully because your legal rights are affected whether you act or not.

<b>Your Legal Rights and Options as a Settlement Class Member</b>	
<b>Submit a Claim Form by</b> [Month Day, Year]	This is the only way to receive a payment.
<b>Opt Out by</b> [Month Day, Year]	Get no payment. This is the only option that allows you to ever be a part of any future lawsuit against Van's with respect to the legal claims in this case.
<b>Object by</b> [Month Day, Year]	Write to the Court if you don't like the settlement and tell the Court why you think it shouldn't be approved.
<b>Go to the Hearing on</b> [Month Day, Year]	Ask to speak in Court about the fairness of the settlement.
<b>Do Nothing</b>	Benefit from the prospective or injunctive relief but not receive a payment. Give up your legal rights to sue Van's about the claims in this case.

Your rights and options are explained in this notice.

**What is this Notice and why is it important?**

The Court sent you this Notice because you have a right to know about a proposed settlement of a class action lawsuit, and about all your options, before the Court decides whether to approve the settlement. If the Court approves it and after objections and appeals are resolved, an administrator appointed by the Court will make the payments that the settlement allows.

This Notice explains the Lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

A class action is a lawsuit in which one or more individuals sue an individual(s), company or other entity on behalf of all other people who are in a similar position. Collectively, these people are referred to as a "Class" or "Class Members." In a class action, the court resolves certain legal issues, legal claims and defenses for all Class Members in one lawsuit, except for those who ask to be excluded from the Class. (See below for more information about excluding yourself from the Class.)

**What is this Lawsuit about?**

The Lawsuit claimed that the packaging of certain Van's Frozen Breakfast Products was inaccurate in that it led purchasers to believe that the Frozen Breakfast Products were "All Natural", when in fact they included one or more synthetic ingredients. Van's stands by its advertising and denies it did anything wrong.

**Why is there a settlement?**

Questions? Visit [www.\\_\\_\\_\\_\\_](http://www._____)  
**DO NOT CALL VAN'S OR THE COURT**

The Court did not decide who was right. Instead, both sides agreed to a settlement. By agreeing to a settlement, the Parties avoid the costs and risk of a trial and the Class will get compensation. The Class Representative and her attorneys believe that the settlement is in the best interests of the Class Members.

### How do I know if I am in the Settlement Class?

To receive money from the settlement, you first have to determine if you are a Class Member. Class Members are those persons who are not excluded as provided below and purchased the Van's Frozen Breakfast Products covered by this settlement for consumption in the United States after January 1, 2009 up until Preliminary Approval. ### The Aggregate Settlement Amount

DO NOT CALL VAN'S OR THE COURT

Van's guarantees to satisfy all Valid Claims up to an aggregate amount of Nine Million and No/100 Dollars (\$9,000,000.00). The actual amount paid to Settlement Class Members will depend upon the number of Valid Claims and other factors. If the total amount of Valid Claims exceeds the Settlement Amount, then each claim's award shall be proportionately reduced, such that Van's maximum liability under this Agreement for Valid Claims shall not exceed \$9,000,000 in the aggregate.

**When will I get my cash payment?**

Cash payments will be made if the Court gives final approval to the proposed settlement and after the final approval is no longer subject to appeal.

A Final Approval Hearing is scheduled for \_\_\_\_\_, 2015. If the Court approves the settlement and there are no appeals, the cash will be distributed approximately 30 days after the claims period is completed and settlement is no longer subject to appeal or review. If the Court does not approve the settlement, or if the settlement is overturned or modified on appeal, it is possible no cash payments will be made.

**How will Van's revise the Products' marketing and labeling?**

Within sixty (60) calendar days after entry of the Final Approval Order, Van's shall ensure that the Frozen Breakfast Products covered by the settlement are no longer being represented to the public as being "All Natural," "Totally Natural" or "Naturally Delicious" as alleged by Plaintiff. Specifically, Van's must cease using the "All Natural" statement in connection with the sale of the Frozen Breakfast Products covered by the settlement upon execution of the Settlement Agreement. The injunction shall last only (a) so long as the Frozen Breakfast Products covered by the settlement contain sodium acid pyrophosphate ("SAPP") or (b) until Van's determines based on court decisions or changes in regulatory guidance or applicable law after the date of the settlement that the use of the term "all natural", or any term substantially similar thereto, in products containing SAPP is not impermissible. Details are described in the Settlement Agreement, which is available at [www.\\_\\_\\_\\_\\_](http://www._____). All capitalized terms used herein but defined herein shall have the meaning ascribed to such terms in the Settlement Agreement.

If the Court approves the proposed settlement, Class Counsel will request that the Court award attorneys' fees, costs and expenses in an amount not to exceed \$1,900,000, which includes a \$1,500 Service Fee payable to each Class Representative in this case.

**Can I exclude myself from the settlement?**

## If you have purchased certain **Van's Frozen Breakfast Products** you could get a cash refund from a class action settlement

### **What is this about?**

A proposed class action settlement has been reached concerning Van's International Foods ("Vans"). The lawsuit known as *Miloro v. Van's International Foods, Inc.*, Case No. 15PH-CV00642, filed in Phelps County Circuit Court, Missouri, , claims that certain Van's Frozen Breakfast Products sold after January 2009 were falsely advertised, with the labels of such products asserting that the products were "All Natural," when in fact the products included one or more synthetic ingredients. Van's stands by its advertising and denies it did anything wrong. The Court in this matter has not determined who is right or wrong. Nonetheless, the parties have agreed to settle this matter, and you may be a class member.

### **Who is a class member?**

You may be a class member if you purchased the Van's Frozen Breakfast Products covered by the settlement between January 1, 2009 and [Insert Prelim. Approval Date]. There are numerous Van's Frozen Breakfast Products covered by this settlement including various Van's frozen waffles, frozen pancakes, frozen french toast sticks, frozen waffle sticks, frozen english muffins and frozen muffin crowns which were labeled "Van's Natural Foods" and "Totally Natural," "Naturally Delicious," or "All Natural," so **please visit [www.\\_\\_\\_\\_\\_](http://www.vansfoods.com) for a complete list of the affected products.**

### **What will I receive?**

Van's has established a capped \$9,000,000 settlement fund to pay all valid claims made. To receive a cash refund, **you must file a claim form online or postmarked by Month 00, 2015.** The actual amount paid to settlement class members who do not have any proof of purchase and who submit a valid claim is estimated to be a minimum of \$4.99 per household. Class members who do have proof of purchase and who submit valid claims could recover up to \$18 per household. Since there are millions of potential class members, the actual benefit amount you receive may be reduced depending upon the total number of valid claims filed. For complete information about how to file a claim and what payments the settlement provides visit the website below.

### **What are my rights?**

If you don't want to be bound by the decisions of the Court concerning this settlement, you must request to be excluded in a writing postmarked by **Month 00, 2015**, or you won't be able to sue or continue to sue Van's about the legal claims in this case. If you

exclude yourself, **you can't get money from this settlement.** You may object to this settlement by sending an objection postmarked by **Month 00, 2015.** Detailed instructions for excluding yourself or objecting are found on the website identified below. If you do nothing you will not receive a payment and you will be bound by the decision of the court regarding these claims, including certain releases of Van's.

Before money is paid, the Court will hold a fairness hearing on **Month 00, 2015,** [ court, court room, city, state,] to determine of the fairness, adequacy, and reasonableness of the settlement, to consider whether to approve the settlement, and to consider a request by Class Counsel for payment of attorneys' fees and costs and a class representative incentive award. The motion for attorneys' fees and costs and plaintiff incentive awards will be posted on the website after they are filed. You may appear at the hearing, but you don't have to. If the Court does not approve the settlement, or if the settlement is overturned on appeal, no cash payments will be made.

## NOTICE PROGRAM

1. The Notice Program described and detailed below has been designed to reach the class members through a paid media program, which incorporates traditional and new media outlets, along with the creation of a Settlement website where class members can obtain information about the proposed Settlement, find important Court documents including the Settlement class notice. A toll-free information line will be established where class members can obtain basic information about the Settlement, or seek other assistance.

2. The Notice Program in this case is consistent with (and, indeed, compares favorably to) similar Court-approved notice programs in other actions, and is well designed to give the best notice practicable under the circumstances. Further it is consistent with Federal Judicial Center Guidelines (“FJC”) for adequate notice, and importantly, is reasonably calculated to reach an estimated 71 percent of the target audience, that is, the affected members of the Settlement Class (the “Class Members”).

3. Specifically, the proposed Notice Program includes the following components:

- Publication of a short-form notice (“Summary Notice”) in the national editions of generally circulated consumer magazines.
- Online banner advertising targeted to reach class members;
- A Multimedia press release issued over PR Newswires US1 full national wire;
- Social Media through Facebook and Twitter;
- An informational website on which the notices and other important Court documents are posted; and
- A toll-free information line where class members can call; 24/7 for more information about the Settlement, including but not limited to requesting copies of the claim form.

### Publication – Magazine

4. The magazines will be selected based on the highest coverage and index<sup>1</sup> against the target audience characteristics to achieve the best notice practicable and meet all due process

---

<sup>1</sup> Index is a media metric that describes a target audience’s inclination to use a given outlet. An index over 100 suggests a target population’s inclination to use a medium to a greater degree than the rest of the population. For

requirements. The summary notice will be published as a half-page, black and white ad based upon the desired reach combined with the other notice provided under the Media Plan.

### Internet

5. Banner ads will target class members in this matter, across a variety of web properties selected for their effectiveness and relevance reaching this target audience.

6. The notice program uses multiple data sources to identify users known to be natural or organic shoppers, or health conscious people. Through contextual<sup>2</sup> and audience<sup>3</sup> data targeting (offline purchase data and behavioral data), online ads will be served to reach people who have purchased natural or organic food. Ads will be served on online networks such as: *Yahoo! Xaxis and Burst Media*.

7. The banner ads will provide information for visitors to self-identify themselves as potential Class Members, where they may “click” on the banner and then link directly to the official website for more information and where they may register online, file a claim, or seek additional information including frequently asked questions and important court deadlines and documents.

### SOCIAL MEDIA

8. **facebook.** - Facebook banner ads will be targeting Facebook users with an interest in All Natural or Organic foods.

9. **twitter**  **Twitter promoted tweets** - Twitter is an online social networking service that enables users to send and read short 140-character messages called “tweets.” Twitter facilitates paid advertising in the form of promoted tweets. These tweets are promoted to our defined target audience.

---

example, an index of 157 would mean that the target is 57 percent more likely than the rest of the population to use a medium.

<sup>2</sup> Contextual targeting means that banner ads will be served to websites with surrounding content that is specific to the audience characteristics of the class such as liking all natural or organic products.

<sup>3</sup> Audience targeting and contextual targeting are now used by major brands such as AT&T, Proctor & Gamble and Toyota, among many others. Audience targeting means that online banners are served based on specific target audience criteria and browsing behaviors.

### **MEDIA OUTREACH**

10. A multimedia press release will be issued over PR Newswire's US1 full-national newswire along with a social post tweet to further boost visibility in social networks. A supplemental micro-list distribution will be disseminated to approximately 1,300 journalists within the general food and nutrition category. The results of the press release pick up will be monitored and reported to the court upon the completion of the notice program.

### **Official Settlement Website**

11. An official website will be established on the internet and optimized for mobile visitors so that information loads on their mobile device quickly. The website will serve as a landing page for the banner advertising, where Class Members may continue to obtain further information about the class action, their rights, and related information, including the Settlement Agreement, Court Orders, and Plaintiff's Motion for Approval of Fees, Expenses, and Incentive Awards. The website address will be prominently displayed in the publication notice and is accessible 24-hours a day, 7-days a week.

### **Toll Free Telephone Helpline**

12. A toll free telephone helpline will established and maintained by Heffler. It will be available 24-hours a day where callers may obtain information about the class action.

**EXHIBIT B**

IN THE CIRCUIT COURT OF PHELPS COUNTY, MISSOURI

**FILED**

**JUN 16 2015**

**SUE BROWN, CIRCUIT CLERK  
PHELPS COUNTY, MO.**

DIANA JILL MILORO, as an individual  
and on behalf of all others similarly situated,

Plaintiff,

vs.

Case No. 15PH-CV00642

VAN'S INTERNATIONAL FOODS, INC.,  
an Arizona corporation,

Defendant.

**ORDER PRELIMINARILY APPROVING CLASS SETTLEMENT, APPROVING  
CLASS NOTICE, AND SCHEDULING FAIRNESS HEARING**

The Court has considered Plaintiff's Motion for Preliminary Approval of Class Settlement pursuant to Mo. R. Civ. P. 52.08. Upon review of the motion and the Settlement Agreement and its attachments, and after consideration of the parties' submissions and the arguments at the hearing on this matter, if any, for good cause shown, the Court preliminarily finds that the terms of the settlement are fair, adequate, and reasonable. The Court further finds that the notice provisions provided for by the Settlement Agreement are adequate and appropriate to inform members of the class of the terms of the settlement.

**THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The Court does hereby preliminarily approve the Settlement Agreement<sup>1</sup> and the settlement set forth therein (the "Settlement"), subject to further consideration at the Final Approval Hearing described below.

2. A hearing (the "Final Approval Hearing") shall be held before this Court on *September 11*

<sup>1</sup> The Court, for purposes of this Order, adopts the definitions of capitalized terms set forth in the Settlement Agreement.

2015, at 9 a.m. to determine whether the proposed settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, adequate, and reasonable to the Class and should be approved by the Court, and whether a Final Approval Order and Judgment should be entered herein.

3. Plaintiff Diana Jill Miloro is preliminarily appointed as representative of the Settlement Class (“Class Representative”), and the following attorneys for Plaintiff are preliminarily appointed as counsel for the Settlement Class (“Class Counsel”): David L. Steelman of Steelman, Gaunt & Horsefield, Matthew H. Armstrong of Armstrong Law Firm LLC, and Scott A. Kamber and Stuart L. Cochran of KamberLaw LLC. This Court is familiar with Class Counsel and has found them to be experienced, thoughtful, and effective advocates in class actions who adequately, faithfully, and zealously represent the classes they represent.

4. For purposes of determining whether the terms of the Settlement should be finally approved as fair, adequate, and reasonable, the following Settlement Class is conditionally certified for settlement purposes only:

All Persons who purchased Products in the United States during the Class Period. Excluded from the Settlement Class are: (a) all Persons who purchased or acquired the Product for resale; (b) Van’s and its employees, principals, affiliated entities, legal representatives, successors and assigns; (c) any Person who files a valid, timely Request for Exclusion; (d) federal, state, and local governments (including all agencies and subdivisions thereof, but excluding employees thereof) and (e) the judges to whom this Action is assigned and any members of their immediate families.

5. Should the Settlement not become final, Van’s may still oppose class certification and the fact that the Court ordered class certification as part of the Settlement, or that Van’s was willing to stipulate to class certification as part of the Settlement, shall have no bearing on, and shall not be admissible in connection with, the issue of whether a class should be certified in this Action or in any other proceeding.

6. The Court designates Heffler Claims Administration (“Heffler”) as the Settlement Administrator and instructs Heffler to perform the following functions, as set forth in the Settlement Agreement:

- a. Process requests for exclusion from the Settlement in accordance with Section VIII of the Settlement Agreement;
- b. Process objections to the Settlement in accordance with Section VIII of the Settlement Agreement;
- c. Process Claim Forms in accordance with Section V of the Settlement Agreement;
- d. Before disseminating the Settlement Notice, establish the Settlement Website, which Settlement Class Members can visit to read and obtain additional information regarding the Settlement, including submission of claims; and
- e. Set up and operate a toll-free automated interactive voice response system through which Settlement Class Members can access Settlement information.

7. The Court approves, as to form and content, the Settlement Notice attached as Exhibit 1, the Publication Notice attached as Exhibit 2, and the Media Plan attached as Exhibit 3, and finds that the distribution of the Settlement Notice substantially in accordance with Paragraph VII of the Settlement Agreement meets the requirements of Mo. R. Civ. P. 52.08(b)(3) and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all persons entitled thereto.

8. As soon as practicable, but no later than thirty (30) days after the entry of this Preliminary Approval Order, the Settlement Administrator shall disseminate the Settlement Notice by setting up the Settlement Website on the Internet and posting both the Settlement Notice and Publication Notice. Within thirty (30) days after the entry of this Preliminary Approval Order, Van’s shall publish, cause to be published, or ensure that the Settlement Administrator has published, the Publication Notice pursuant to the Media Plan. The Publication Notice shall also be

posted on the Settlement Website until the Effective Date, or such later date as may be agreed to by Class Counsel and Defendant's Counsel.

9. The Settlement Administrator shall prepare a declaration attesting to compliance with the Settlement Notice requirements and a statement of the number of Persons the Media Plan reached. Such declaration shall be provided to Defendant's Counsel and Class Counsel and filed with the Court no later than fourteen (14) days prior to the Final Approval Hearing.

10. The Court approves the Claim Form attached as Exhibit 4 to the Settlement Agreement.

11. As set forth in paragraph V(D) of the Settlement Agreement, the Claim Period shall commence upon entry of the Final Approval Order and will continue for 90 consecutive days thereafter (the "Claims Deadline"). To be timely, all Claims must be submitted by the Claims Deadline in accordance with paragraph V(D) of the Settlement Agreement.

12. Any Settlement Class Member who intends to object to the Settlement must do so no later than forty-five (45) calendar days after the Notice Date (the "Objection Deadline"). In order to object, the Settlement Class Member must file with the Court, and provide a copy to Class Counsel and Defendant's Counsel, a document that includes all of the following:

1. The name, address, telephone number, and, if available, the email address of the Person objecting, and if represented by counsel, of his/her counsel;
2. Specifically and in writing, all objections;
3. Whether he/she intends to appear at the Final Approval Hearing, either with or without counsel;
4. A statement of his/her membership in the Settlement Class, including all information required by the Claim Form; and
5. A detailed list of any other objections submitted by the Settlement Class Member, or his/her counsel, to any class actions submitted in any court, whether state or otherwise, in the United States in the previous five (5) years. If the Settlement Class Member or his/her counsel has not objected to any other class action settlement in any court in the United States in the previous five (5) years, he/she shall affirmatively state so in the written materials provided in connection with the Objection to this Settlement.

Any Settlement Class Member who fails to file and serve timely (a) a written objection containing all of the information listed in items (1) through (5) of the previous paragraph and (b) notice of his/her intent to appear at the Final Approval Hearing pursuant to this paragraph shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by any means, including but not limited to an appeal. Any Settlement Class Member who submits a timely written objection shall consent to deposition by Class Counsel prior to the Final Approval Hearing.

13. Any Settlement Class Member may request to be excluded (or “opt out”) from the Settlement Class. A Settlement Class Member who wishes to opt out of the Settlement Class must do so no later than forty-five (45) calendar days after the date of the Notice Date (the “Opt-Out Deadline”). In order to opt out, a Settlement Class Member must complete and mail to the Settlement Administrator a Request for Exclusion that is postmarked no later than the Opt-Out Deadline. Requests for Exclusion that are postmarked after the Opt-Out Deadline will be considered invalid and of no effect, and the Person who untimely submits a Request for Exclusion will remain a Settlement Class Member and will be bound by any Orders entered by the Court, including the Final Approval Order and the Releases contemplated thereby.

14. Except for those Persons who have properly and timely submitted Requests for Exclusion, all Settlement Class Members will be bound by the Settlement Agreement and the Final Approval Order, including the Releases, regardless of whether they file a Claim or receive any monetary relief. Any Person who timely and properly submits a Request for Exclusion shall not (a) be bound by any orders or the Final Approval Order nor by the Releases contained therein; (b) be entitled to any relief under the Settlement Agreement; (c) gain any rights by virtue of the Settlement Agreement; or (d) be entitled to object to any aspect of the Settlement Agreement.

Each Person requesting exclusion from the Settlement Class must personally sign his or her own individual Request for Exclusion. No Person may opt-out of the Settlement Class any other Person, or be opted-out by any other Person, and no Person shall be deemed opted-out of the Settlement Class through any purported “mass” or “class” opt-outs.

15. The Settlement Administrator shall provide Class Counsel and Defendant’s Counsel with a final list of any timely Requests for Exclusion received by the Settlement Administrator within five (5) business days after the Opt-Out Deadline.

16. Not later than fourteen (14) days before the Final Approval Hearing, the Settlement Administrator shall prepare and deliver to Class Counsel, who shall file with the Court, and Defendant’s Counsel, a report stating the total number of Persons who have submitted timely and valid Requests for Exclusion from the Settlement Class and Objections to the Settlement, and the names of such Persons.

17. Class Counsel shall submit papers in support of final approval of the certification of the Settlement Class, the designation of Plaintiff as the representatives of the Settlement Class, the appointment of Class Counsel as counsel for the Settlement Class, and the Settlement; and Class Counsel’s Application for attorneys’ fees and expenses no later than 14 days before the Final Approval Hearing.

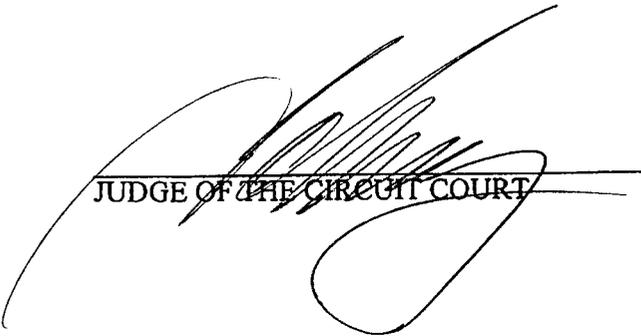

18. Neither the Settlement Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by the Class Representative or Van’s of any fact or allegation, or of any liability, fault, or wrongdoing of any kind.

19. The Court reserves the right to adjourn or continue the date of the Final Approval Hearing without further notice to the members of the Class, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modification as may be agreed to by the Parties, if appropriate without further notice to the Class.
