The 10ft truck rental is perfect for studio or smaller apartment moves, it is also our most popular moving box truck. Students moving for college use this one way truck rental to their advantage as they are easy to drive and get great gas mileage. Whether you are moving from your parent's house into a dorm, transferring into a new apartment or even into your first house; the 10ft rental truck is a very regular choice for smaller-size moves.

Our 10ft truck rentals are equipped with gentle-ride suspension, rub rails for tie downs to keep belongings safely stowed and also offer great fuel economy. The moving trucks for rent have a fuel tank capacity of 31 gallons of with a fuel-efficient, V-8 motor. The loading deck is an amazingly low 2'5" off the ground and our 10ft moving truck is the smallest truck that also can tow a car. The 10ft moving truck is our smallest moving box truck but can still load more than 2,800 lbs!
