

After You Purchase

Q: If I have to cancel my cruise, will I get a refund?

A: You will get a full refund if you notify us at least 75 days prior to your sailing date (60 days for 3 & 4-night cruises or 90 days for holiday sailings). Consult the chart below to determine cancellation charges applicable later.

Note: No refunds will be made if you do not show up for your cruise or if you interrupt or cancel your vacation once it has begun.

When calculating the days prior to sailing, the day of sailing should not be considered as one of the days. The day of sailing is considered the first day of the cruise, therefore, the penalty period will commence one day prior to the day of sailing.

The cancellation policy applies when reserving with our US Office only. Guests should contact their local Royal Caribbean International Office or Travel Agent for full details of applicable cancellation policies.
