No. 4:15-CV-962 (CEJ)

**ORDER**

On April 14, 2016, the Court stayed this matter pending resolution of proceedings by the U.S. Food and Drug Administration pertaining to the terms "evaporated cane juice" and "natural." [Doc. #30]. Because of the uncertainty regarding when this case will be returned to the district court, the Court believes that it is appropriate to administratively close the case. No prejudice will result to either party, as the Court will retain jurisdiction to allow the case to be re-opened and returned to the active docket.

Accordingly,

**IT IS HEREBY ORDERED** that the Clerk of Court shall administratively close this case. The Court will retain jurisdiction to permit a party to move to re-open the case. Any motion to re-open the case must be filed not later than thirty (30) days after conclusion of the FDA proceedings.
