The truth is much simpler (and cheaper!) than that, but she is obligated to keep it under wraps due to her relationships with large cosmetics companies. Despite multi-million dollar contracts, it isn't her makeup that's causing her to look decades younger. After many years of trying, our sources finally uncover the truth behind the celebrity anti-aging secret that has taken Hollywood by storm - and it's one that clever women around the world have been secretly using too.

**Doctor Oz Named it - The Anti-Aging Breakthrough - Because It Simply Works!" Try It.**

Amy Davis, a 53 year-old mother of three from Chicago, Illinois, is a perfect example of how a little smart-thinking and ingenuity can help you avoid unnecessary health risks and save you thousands of dollars in doctors' bills.

Like most women, Amy didn't have the extra cash to try out every celebrity-endorsed anti-aging "miracle cream" out there, let alone splurge on expensive elective medical procedures, like plastic surgery or facelifts.

Before trying this simple trick, she admits she used to spend almost an hour every day on an extensive skincare regimen consisting of over 6 different products, with seriously disappointing results. Each product made big claims promising to erase wrinkles and return her youthful skin; and while Amy followed all their usage instructions to the letter, she saw no real results.

Frustrated and let down, she considered going so far as to take out a substantial loan for Botox injections, and even contemplated a highly risky and very expensive facelift procedure. But the high cost (ranging anywhere from \$5000-\$20,000+) and the horror stories of unfixable botched procedures convinced her that cosmetic treatments were

"It's simply amazing. I can't believe how quickly I saw results. Real results! I literally saw

ot the solution she was looking for. She was determined to find a safe and affordable anti-aging solution that could give her real results and not leave her digging her way out of a huge financial debt.

### my's Solution:

fter a year of doing thorough research and speaking to other women about their own skincare habits, she learned of two products that were yielding real results and helping women take years off their skin: [Creme Del Mar Anti-Wrinkle](#) and [Biofinite](#).

hile each of these products were proven to be effective individually, one night, Amy made an accidental discovery that would revolutionize the whole skincare industry: she *combined* them.

fter only a few days of using both products together in her daily skin routine, she saw noticeable results in the mirror. After just two weeks of using [Creme Del Mar Anti-Wrinkle](#) and [Biofinite](#), combined, the proof was staring her right in the face: this was giving her *real* results.

Using the two products together, Amy's results were noticeably better than what you'd find at medi-spas for \$5,000 or more. This combination removed virtually 90% of all her wrinkles and problem areas. It tightened her face and neck, removing all signs of sagging, aging, and dehydrated skin. Amy was able to see these dramatic anti-aging results simply by using **free anti-wrinkle kits of both products for only 14 days**.

Her friends, husband, and family were all shocked. They were convinced she'd been secretly getting Botox, because her skin looked 20 years younger almost overnight! Soon, word got around as her friends starting using Amy's method, and not long after, her easy, 2-product trick was featured on The Ellen Degeneres Show!

Amy is now one of hundreds of women that share the same incredible story. Using this method, she effectively erased 20+ years from her skin. It's changed her life and completely astonished everyone around her, even total strangers!

### How Does It Work ?

Through her research, Amy discovered that the real secret to cell revival and skin rejuvenation are two key ingredients:

- **Vitamin C**
- **Hyaluronic Acid**

These are both natural ingredients that work together to erase wrinkles and fine lines at the cellular level - below the surface of the skin - which is why they're so effective.

**Vitamin C** is the key to maintaining healthy, youthful skin. It's a powerful antioxidant that slows the rate of free-radical damage, which causes skin's dryness, fine lines, and wrinkles. It helps combat and even reverse time's effect on your skin, because it produces collagen - a protein which makes skin appear plump and firm. Applying Vitamin C to the skin topically is up to **20 times more effective** than taking it orally.

*Dr. Oz calls Vitamin C "the secret to cheat your age".*

**Hyaluronic Acid** works by binding to moisture. It can hold up to 1,000 times its weight in water, making it an excellent natural skin plumper. Hyaluronic acid helps your skin repair and regenerate itself after suffering from dryness, environmental stresses, or irritation.

Celebrities around the world like Cindy Crawford, Jennifer Aniston, and Kelly Ripa have all admitted to using [Creme Del Mar Anti-Wrinkle](#) and [Biofinite](#) to maintain their youthful glow.

## The Results

### Day 1

After the first day of using [Creme Del Mar Anti-Wrinkle](#) and [Biofinite](#) together, I was surprised at how wonderful they both made my skin feel. It felt like every last pore on my face was being tightened and pulled by a gigantic vacuum cleaner.

I don't know how else to describe it! I could feel a warm tingling sensation on my cheeks, around my eyes, and on my forehead. I looked in the mirror and saw that my face looked a bit rosy - the result of revitalizing blood rushing to the surface of my skin to renew my face. After both products were absorbed into my skin, my face looked firmer and had a beautiful

The lines on my forehead, the loose, sagging skin on my neck, my crows' feet - even the age spots on my face had COMPLETELY disappeared. I've never felt or seen anything tighten my skin with this kind of force before, no matter how expensive the product!

After the 2 weeks, my skin not only stayed that way, it actually improved every day until it became as beautiful and radiant as it was 20 years ago. **By this point, all my friends and family were shocked. I have been using this Anti Aging trial for 3 weeks now, and I seriously look 5 years younger! Not quite as good as this mom, but I will take it when it was less than 5 bucks for each! My crow's feet and laugh lines are melting away more and more every day. Thank you so much for reporting on this!

I saw this combo on CNN a while ago and still using the combo. I've been using the products for about 6 wks (Creme Del Mar came first, had to wait for Perfect Age for an extra day). Honestly, this is unbelievable, all I have to say is WOW.
