This product is intended for use only by those who are of legal smoking age.

WARNING: This product may contain nicotine, which is known to the State of California to cause birth defects or other reproductive harm.

Nicotine is addictive; this product is not recommended for non-smokers, children, women who are pregnant or breast feeding or those with diabetes, high blood pressure, asthma, who are at risk for heart disease, or those taking medicine for depression. Nicotine in its pure form is a poison. Do not ingest the non-vaporized, concentrated ingredients in the cartridges. Keep cartridges and e-liquids out of reach of children and pets.
