*"Countless aging celebs admit they avoided surgery and look 10 years younger thanks to Dr. Oz's simple advice."*

Step 1: **Receive A Free Bottle Of Wrinkle Rewind Advanced Anti-Aging Skin Care**

### The Best Skin Solution You've Never Heard Of

Dr Oz had always kept this wrinkle secret reserved for his high paying celebrity clients until recently. He said he felt like he had to let his viewers know because he was tired of hearing the countless stories of his viewers throwing away thousands of dollars on expensive anti aging products or dangerous surgical procedures that make big promises that often do far more harm than good. As a result, a few weeks ago he shared the simple solution he had previously only shared with his celeb clients to everyone watching his show!

Step 2: **Receive A Free Bottle Of OxyGenius Advanced Eye Serum**

He actually discovered this anti aging miracle when multiple celebrity friends and clients were constantly reaching out to him hoping for a

solution to look younger to prolong their career without going in for surgery.

*\$3.95 for shipping!*

*“I looked 10 years younger literally weeks!. Oz literally saved my acting career!”*

On his show he said he was thrilled when after months and months of pain staking tests and research, his team came across 2 products that when combined **literally took 10 to 20 years off women’s appearance in just a month. More shockingly it is safe, and cost next to nothing!** The two products he mentioned on his show are [Wrinkle Rewind Advanced Anti-Aging Skin Care](#) and [OxyGenius Advanced Eye Serum](#).

*“This is the anti aging miracle of the decade as far as I’m concerned.”*

**So what is it?**

## 2 Key Ingredients For Anti Aging:

1. **Vitamin C**
2. **Hyaluronic Acid**

These are both natural ingredients that work together to erase wrinkles and fine lines at the cellular level – below the surface of the skin – which is why they’re so effective.

### **Vitamin C, The Fountain of Youth:**

The first piece of the anti aging puzzle **Dr. Oz** talked about was **Vitamin C**.

*"Vitamin C is the secret to cheat your age". -Dr. Oz*

Vitamin C penetrates deep into damaged skin and stimulates new collagen – a protein which makes skin appear plump and firm. It's all the rage in beauty circles, much in part because of a 2009 study stating, applying non-prescription Vitamin C to your skin caused a **60% reduction in fine lines and wrinkles**. Dr. Oz said this is why [Wrinkle Rewind Advanced Anti-Aging Skin Care](#) is so effective. It was one of the few products on the market that had Vitamin C in the right consistency and dosage.

### **Hyaluronic Acid:**

He said the second piece, when combined properly with Vitamin C, literally makes your face look two decades younger in weeks! Hyaluronic Acid works by binding to Aktive PM. It can hold up to 1,000 times its weight in water, making it an excellent natural skin plumper. Hyaluronic acid helps your skin repair and regenerate itself after suffering from dryness, environmental stresses, or irritation. He said one of, if not the only products you can buy over the counter with an effective concentration of Hyaluronic Acid was found in [OxyGenius Advanced Eye Serum](#).

---

“What **Vitamin C & Hyaluronic Acid** do is get rid of all the old, dead layers of skin and help your skin generate fresh new ones. Our tests show that you can erase almost 10 to 20 years off your face in less than 14 days. But the key is to choose the creams and serums that contain the highest and purest quality ingredients, since they’re not all the same. The only two we found during our research was [Wrinkle Rewind Advanced Anti-Aging Skin Care](#) and [OxyGenius Advanced Eye Serum](#). This is what my wife uses. This is what I recommend to all my celebrity clients.” - Dr. Oz

---

## "How do I do it?"

It's acutally very simple. You simply use both products before bed. Dr. Oz said on the show that, "The trick is to combine [Wrinkle Rewind Advanced Anti-Aging Skin Care](#) and [OxyGenius Advanced Eye Serum](#). These two products both contain high concentrations of pure Vitamin C and Hyaluronic Acid in just the right concentrations. My team also discovered that they contain all sorts of anti-oxidants, an ingredient called Dermaxyl (also known as facelift in a jar) and Ester-C (the active anti-aging compound in Vitamin C).

*“Getting older is rough for an actress. I feel like a new woman! Thanks Dr. OZ!”*

## **We Decided to Put it to the Test!**

As excited as we were after the show and after getting a flood of letters, we wanted to try it for ourselves before we wrote this feature piece praising it. We decided to take a volunteer from someone in our office. Let me introduce Brenda Wright, a 57 year old mother of 3 who jumped at the chance to test this combo. Here is her story...

## **Brenda's Story & 14 Day Cell Revival Results:**

Brenda is a 57 year old mother of 3 from here in Chicago. Like most women her age, the years have started to give her unwanted lines and wrinkles. Brenda said she volunteered because she is so frustrated that nothing she has tried seems to work. She was even considered highly risky and very expensive facelift procedure. This was somewhat of a last resort for her.

**Here are her results....**

## DAY ONE:

After the first day of using **Wrinkle Rewind Advanced Anti-Aging Skin Care** and **OxyGenius Advanced Eye Serum** together, I was surprised at how wonderful they both made my skin feel. It felt like every last pore on my face was being tightened and pulled by a gigantic vacuum cleaner.

I don't know how else to describe it! I could feel a warm tingling sensation on my cheeks, around my eyes, and on my forehead. I looked in the mirror and saw that my face looked a bit rosy - the result of revitalizing blood rushing to the surface of my skin to renew my face.

After both products were absorbed into my skin, my face looked firmer and had a beautiful glow to it.

## DAY 5:

After five days of using **Wrinkle Rewind Advanced Anti-Aging Skin Care** and **OxyGenius Advanced Eye Serum**, I was shocked at the drastic results.

**The lines, dark spots, and wrinkles - without question - were visibly reduced in size right before my eyes!**

I was astonished by the results, and literally felt 15 years younger again. It was like watching all my wrinkles and fine lines vanish right off!

After 14 days, not only had all my doubts and scepticism

absolutely vanished - SO DID MY WRINKLES!

## DAY 14:

The lines on my forehead, the loose, sagging skin on my neck, my crows' feet – even the age spots on my face had COMPLETELY disappeared. I've never felt or seen anything tighten my skin with this kind of force before, no matter how expensive the product!

After the 2 weeks, my skin not only stayed that way, it actually improved every day until it became as beautiful and radiant as it was 20 years ago. <strong>By this point, all my friends and family were shocked. They couldn't believe the difference, and were convinced I was lying about not getting botox!

“ Before and after picture of Brenda Wright. The picture on the right was taken after only 14 days of using **Wrinkle Rewind Advanced Anti-Aging Skin Care** and **OxyGenius Advanced Eye Serum**. ”

## The Verdict:

Using the **Wrinkle Rewind Advanced Anti-Aging Skin Care** and **OxyGenius Advanced Eye Serum** combo, removed virtually 90% of all her wrinkles and problem areas. It tightened her face and

neck, removing all signs of sagging, aging, and dehydrated skin.

We had her track her progress for the 14 day test. Here is what she saw:

I have been using this Anti Aging trial for 3 weeks now, and I seriously look 5 years younger! Not quite as good as this mom, but I will take it when it was less than 5 bucks for each! My crow's feet and laugh lines are melting away more and more every day. Thank you so much for reporting on this!

I saw this combo on CNN a while ago and still using the combo. I've been using the products for about 6 wks (Wrinkle Rewind Advanced Anti-Aging Skin Care came first, had to wait for OxyGenius Advanced Eye Serum for an extra day). Honestly, this is unbelievable, all I have to say is WOW.

A friend of mine used and recommended it to me 3 weeks ago. I ordered the products and received them within 3 days (although I didn't get the discounted prices). The results have been incredible and I can't wait to see what weeks 3 and 4 bring.
