ABOUT US

SMOKE EVOLUTION

The Evolved Alternative

As a pack-a-day smoker for the last 15 years, I knew I had to make a change. On a whim while waiting to pay for my items at the local drug store I decided to pick up a disposable e-cigarette. I haven't smoked a real cigarette since that day. The performance of that disposable ecig was disappointing, but I saw the potential. I consumed myself with learning everything I could about the products, theories, and technology of the fast growing world of "vaping". My wife and I have started this site as a way to put our enthusiasm to work by helping former smokers find the right products to give them an enjoyable alternative, all while giving them the best prices and service on the web. The world of electronic cigarettes can be intimidating and confusing for someone just starting out. Every product we offer on this site I have personally used and know it works well. Have a look around and feel free to contact us if you have any questions.

Contact Info:

Carey & Jennifer Briscuso - Owners

Smoke Evolution, LLC
562 East Woolbright Road
Suite 213
Boynton Beach, FL 33435

We usually are not available to chat on the phone. Please contact us at sales@smoke-evolution.com for the fastest response. If you still would prefer to talk to us you can call us at (561) 855-0808, although it will usually go to voicemail and we will call you back at our earliest convenience. Being a busy online store makes it difficult for us to spend our time on the phone and we would prefer to correspond using email or Facebook private messages.

NOTE: If you are local (Palm Beach & Broward Counties) and are having a "vaping emergency", (ran out of eLiquid or your battery failed) and you need to pick up your order, please let us know and we will make every effort to meet up with you in the Boynton Beach area and deliver your order. We're here to help! The above address is NOT a retail shop, please don't visit with out calling/emailing first. Thanks!

Pick up hours are offered M-F at 5pm & Sat. 3pm. We will meet you at our PO Box location, at the corner of Woolbright Rd and Federal Hwy.
