NO tar, NO tobacco, Simulated smoke
 Smokeless Image electronic cigarettes do NOT contain tobacco, tar, or real smoke. It removes the over 4000 chemicals found in traditional tobacco cigarettes like; formaldehyde, arsenic, acetone and many more. It creates a flavored nicotine vapor that makes a great alternative to smoking.

Save Money!
 Smokeless Image's electronic cigarettes when compared to traditional cigarettes are much more cost effective, costing you less than \$3 per pack! Savings will vary depending on your state tax.

It's CLEAN!
 NO ashes, ashtrays or burn holes. No cigarette butts period. The nicotine vapor dissipates quickly, it does not linger or stain teeth and walls like smoke. There is no more film or soot on furniture or objects.

Feels Just Like Smoking!
 Smokeless Image electronic cigarettes not only deliver the nicotine you crave, it fully replicates the smoking experience from the appearance of smoke to the throat hit and physical ex you're accustomed to.

NO Smelly Odors
 The vapor is relatively odorless and will not affect your breath, your clothes or the air around you. Become someone people want to sit next to!

Tobacco, Menthol and More!!
 Smokeless Image electronic cigarettes come in a variety of great flavors in multiple strengths. We have nicotine levels available in full strength Extra High (24mg/2.4%) stepping down to Zero nicotine (0mg/0.0%) While light cigarettes do not actually decrease nicotine consumption, our lights do.
