## SUMMER TO-DO LIST

Posted on June 15, 2015 by admin

Summer is almost here; the

countdown is on, and we are 6 days out from the year's most enthralling season! So, whatever shall we make of these impending long days, short nights, and summer vibes that lend themselves to carefree jaunts and endless fun? Here is our Summer To-Do list, because we are big believers in packing as much excitement into every moment as possible!

### Vape-Cation:

Near or far, summer calls for va-cays! Whether to locations tropical or chilly, white sand beaches, or mountains covered in forests, bring along those **vape pens**, and load up on delicious liquids

Vape Fests: Summer music festivals are rad occasions so wear that e-cig or vaporizer around

#### Who is South Beach Smoke for?

South Beach Smoke is for smokers 18 years of age or older & 19 or older if you live in Alabama, Alaska, New Jersey, Utah & New York. Please check the legal smoking age in your state as it may apply to electronic cigarettes. South Beach Smoke is an alternative to traditional cigarettes.

While many people have successfully used it to quit smoking, electronic cigarettes have not yet been approved by the FDA as a quit smoking device. As a result, federal law prohibits us from marketing it as a quit smoking device & it should not be used as a quit smoking device. Please consult your doctor before use.

#### How does the South Beach Smoke Electronic Cigarette work?

In laymen terms, an **electronic cigarette** is comprised of a microcomputer, a battery, an atomizer, & a cartridge/filter. When you inhale, the microcomputer activates the battery, which is used to power the atomizer, which in turn vaporizes the nicotine solution found in cartridge/filter.

#### Does the South Beach Smoke Electronic Cigarette produce smoke or tar?

No, South Beach Smoke produces an odorless water vapor which looks like smoke but disappears in several seconds.

[back to top](#)

#### Why is South Beach Smoke better than the rest?

The South Beach Smoke e-cigarette is a revolutionary, innovative electric cigarette smoking device which offers the smoking community a better smoking alternative to the traditional tobacco cigarettes. Using advanced technology, the South Beach Smoke e-cig's revolutionary smoking

alternative allows for a smoking experience without the flame, ash, tobacco, tar, carbon monoxide, or horrible and offensive smell found in traditional cigarettes. As the South Beach Smoke electronic cigarette is free of tobacco, this electric cigarette machine does not contain the thousands of harmful carcinogens typically found in tobacco products. With no offensive second-hand smoke, the South Beach Smoke **electric cigarettes** offer a safer, better environment to both you and the non-smoking community. Simply put, there is no longer a need for anyone to breathe the unwanted, dangerous second-hand smoke produced by traditional tobacco cigarettes.
