iSmok electronic cigarettes were created to provide its users with an experience of smoking a real cigarette without the harmful effects to those around you. Here at iSmok, we were unhappy with the current e-cig selections being offered to consumers based on either being very pricey, hard to inhale, and/or horrible tasting. So we began our research to create the ultimate e-cig and revolutionized the e-cig technology, while still delivering a tremendous price value to our customers. iSmok has dedicated itself to the e-cigarette smoker by producing our products without compromise and to enable a progressive path towards a tobacco free alternative. iSmok offers the ultimate vaping experience. Our Elite Battery produces the perfect amount of vapor, with delicious tasting flavors that our customers' have come to expect from iSmok. Our electronic cigarettes have its own unique smooth feel and design, and all of our products are easy to use right out of the package. Our disposable electronic cigarette is a solid one piece design with our signature purple glowing LED. The look and feel of our disposable is reflective on the clean crisp iSmok lifestyle. Save money with iSmok's Starter Kits which have an extraordinary value in the Elite Class of Electronic Cigarettes. Light up the night and day with your signature Purple glowing iSmok Electronic Cigarette. Everyone will know you are an iSmok VIP!
