1 USB Battery Charger,  
1 Cartomizer,

### Micro USB Starter Kit - Original

The low cost option of our most popular model. This is great for "social" smokers or those that don't need 2 chargers.

The Gamucci USB Starter Kit contains everything you need to make the switch to electronic smoking or "vaping". The kit includes 1 Regular strength original tobacco flavor cartomizer, and the battery is pre-charged so you can start using it immediately!

### What our customers are saying on Facebook:

**Lorraine Dolan Liddell**  
Got my Gamucci e-cig yesterday and am over the moon with it! I wish I tried this years ago! ty x

**Dean Lee Clayton**  
I am on my 5th day of being a non smoker! Thank you Gamucci e cigs! They are an amazing product!!!

**Matt Jones**  
My Gamucci arrived today, & I'm loving it! I had originally bought a more expensive version from one of your competitors, but this is far superior &
