FREQUENTLY ASKED QUESTIONS

General Questions

What are NutriCigs Electronic Cigarettes?

Who are NutriCigs for?

How do NutriCigs Electronic Cigarette work?

How do I know when the e-cigarette is done?

Can I select the flavor when I buy NutriCigs?

Do NutriCigs Electronic Cigarettes produce smoke or tar?

No, they definitely do not. While it may look like smoke, and feel like smoke when you vape with our products, it's actually water vapor. Simple, clean, non-oppressive water vapor. It has no smell, and it is completely odorless. Just like smoke, it dissipates in seconds, only without a trace and never leaving behind a stale stench. In fact, nothing gets left behind, and most definitely no tar.

Why are NutriCigs better than the rest?

YOU MUST BE OVER THE AGE OF 18 YEARS TO BUY AND OR USE ANY NUTRICIGS PRODUCT.

Nicotine is a highly addictive substance derived from the tobacco plant. Our products do not treat, diagnose, or cure any disease, physical ailment, or condition. If you are allergic to nicotine or any combination of inhalants, if you are pregnant or breast-feeding, or if you have a heart-condition, diabetes, high blood pressure or asthma, consult your physician before using NutriCigs nicotine products. Just like traditional tobacco cigarettes, NutriCigs Electronic Cigarettes are not approved by the American FDA.

CALIFORNIA PROPOSITION 65 Warning: This product contains nicotine, a chemical known to the state of California to cause birth defects or other reproductive harm.

***This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
