CAUTION: You must be at least 18/21 years of age (depending on your state laws) or older to purchase or use an electronic cigarette. By using this site you confirm that you are of legal smoking age in your jurisdiction. Please be advised nicotine is addictive. Electronic cigarettes have not been evaluated by the FDA. They are not intended to be drug products that treat, cure, or mitigate any disease or condition. Do not use this item if you are a non-smoker, have an allergy or sensitivity to nicotine or if you are pregnant or nursing.

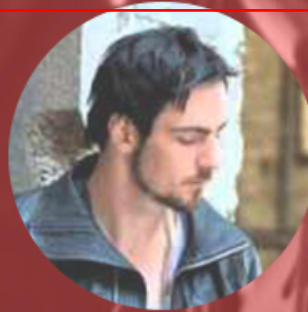

WARNING: Nicotine is toxic if ingested. Keep your electronic cigarette and cartridges OUT OF REACH OF CHILDREN at all times! Liquid nicotine can be absorbed through the skin. If you come in contact with the liquid nicotine, wash the affected area thoroughly with soap and water. Store in a secure place away from children at all times. In case of emergency seek immediate medical attention and contact the Poison Control Center. For a poison emergency in the U.S. call 1-(800) 222-1222 American Association of Poison Control Centers. If you have an allergy or sensitivity to NICOTINE or PROPYLENE GLYCOL do not use this product. If you feel unwell after use, discontinue use immediately and consult a physician.

CALIFORNIA PROPOSITION 65: This product contains nicotine, a chemical known to the state of California to cause birth defects or other reproductive harm.

“

The e-cig takes away all the additives that come with a regular cigarette. In that sense, they're a healthier alternative. Also, they've allowed me to get in a quick drag of nicotine in places where it normally wouldn't be possible, ie: airplanes, airports, restaurants, etc...
