Is Smoke Revolution right for you?

Smoke Revolution products are for people 18 and over. Not recommended for pregnant or nursing women and non-smokers.

Is Smoke Revolution a smoking cessation device to tobacco smoking?

Even when many people have stopped smoking using electronic cigarettes, we can not say that Smoke Revolution will help you quit consuming tobacco products since it has not been laboratory tested to be qualified as a smoking cessation device.

Do E-Cigarettes produce smoke?

No, they do not produce smoke; what you inhale is water vapor.

What are the advantages Electronic Cigarettes vs. a traditional tobacco cigarettes?

Smoke Revolution E-Cigarettes do not contain the over 10,000 chemicals, tar, ash and smell associated with traditional tobacco cigarettes. They are also non-flammable, and eco-friendly since they produce much less waste, what helps the environment. They are cheaper too! You can save up to 90% every month vs traditional cigarettes. To learn more please click [HERE](#).

Where can I use my E-Cigarette?

Virtually everywhere! You can use Smoke Revolution e-cigarettes in most "No Smoking" areas such as bars, lounges, restaurants, and even retail shopping centers. It's best to be prepared for people to ask questions, as not everyone is in touch with the vapor smoking industry and just how the devices work.

How do I know when the battery needs recharging?

You will notice that your battery needs to be recharged when the blue LED light on the tip of the smoking device starts to flash (about 5 times). Another way to know when your battery is running out of power is when your E-Cigarette begins to produce less vapor than usual.

How long does it take to recharge a battery?

To fully recharge your batteries you will have to charge them approximately 3 - 4 hours. It will depend on the type of battery you want to recharge (510 or VGO).

How much nicotine does each bottle of E-Liquid contain?

We have 4 levels of nicotine for each of the favors we offer: 24mg (high), 16mg (regular), 8mg (light) and 0mg (zero).

What ingredients do the E-Liquids contain?

Smoke Revolution e-liquid contain water, nicotine, propylene glycol (a water-based ingredient found in many medicines & health care products), tobacco flavoring, and other ingredients for flavor. NONE of the ingredients in our cartridges have been found to be carcinogenic.

Where can I purchase Smoke Revolution Premium E-Cigarettes?

For now, you can only purchase Smoke Revolution products on our website.

What is your shipping policy?

It is very simple, FREE SHIPPING via United States Postal Service (USPS) no matter what you order and where you are! (US and Canada only). We will ship your order within 24 hours after we get your purchase confirmation. Guaranteed!

How do I know my order has been shipped?

After we ship your order you will receive an e-mail from with a tracking number confirming the shipment of your items.
