

Here is a collection of real good stories and testimonials of improved health.

They review how these amazing products backed by science and technology from Jeunesse help people improve their health and physical appearance.

Read on and see how these products can help you too!

Diabetic for 10 years.

After introducing **RESERVE™** for him to try for 2 months, his skin became fairer, his health become better... hair also became black and doctor even asked him don't have to come quarterly for checkup.

Reserve™ saved my leg!! Andrew, a consumer of **RESERVE™** is relieved to have saved his right leg, in light of the fact that the surgeons wanted to amputate it all the way up to the knee cap. Andrew had a few weeks left from a scheduled amputation of his right foot.

He was introduced to take **RESERVE™** to see if it can help to reverse the bad medical condition while waiting for the date to come. He had now declined the amputation after the swelling subsided and the infestation is gradually recovering. No one can believe it. Many are calling it a miracle, especially when the doctors told him that an amputation was the only remedy.

He had now declined the amputation after the swelling subsided and the infection is gradually recovering. No one can believe it.

Many are calling it a miracle, especially when the doctors told him that an Amputation was the only remedy.

A **diabetic patient**. Needed 2 shots of insulin per day. Without good reading for blood sugar was 14.0. After food was 30.0.

After consuming **RESERVE™** and PROPECTIN, his sugar level went down before food to 8.0 in 3 days!

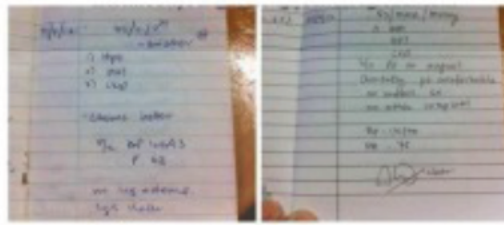

~Testimonial From Borneo~
Name: Tnay Kan Hua
A diabetic patient . Needed 2 shots of insulin per day
Without good reading for blood sugar 14.0
After food 30.0
After consuming RESERVE & PROPECTIN
His sugar level went down b4 food to 8.0 in 3 days!!

A **diabetic** patient had **gangrene** of the finger. She was scheduled to amputate the finger in 9 days.

She started taking 2 3 packs of RESERVE™ daily, and experienced acute pain in her finger by the third day. She could not bear the pain and requested her doctor to amputate her finger straight away. To her surprise, her doctor congratulated her as she had regained blood flow to her finger and did not need to amputate it.

My uncle have history of **hypertension and diabetes mellitus** for 10+years and this has lead to chronic disease. In Aug' 12, he had an acute peritoneal dialysis due to acute renal failure caused by high level of creatinine in blood. According to doctor, chances of recovery is very slim and asked my uncle to be prepared for long term dialysis.

My uncle have history of hypertension and diabetes mellitus for 30+ years and this has lead to chronic renal disease. In Aug'12, he had an acute peritoneal dialysis done due to acute renal failure caused by high level of creatinine in blood. According to doctor, chances of recovery is very slim and asked my uncle to be prepared for long term dialysis.

After taking Reserve for a month, my uncle blood pressure and diabetic conditions have improved and is now at optimal level. Previously, he used to experience chest pain but he do not have such feeling nowadays. Due to medication, he is having constipation problem but this has been resolved too after taking Reserve.

The best news is, his creatinine level have reduced and is under control. Even doctor is surprised by his overall improvement. Currently, he need not go for dialysis treatment. Condition will be review again next month.

After taking Reserve for a month, my uncle blood pressure and diabetic conditions have improved and is now at optimal level. The best news is, his creatinine level have reduced and is under control. Even doctor is surprised by his overall improvement/ Currently, he need not go for dialysis treatment. Condition will be review again next month.

Cancer Patient Mr. Tan was a Stage 4 prostate cancer patient. At 77, and with the cancer having spread to his bones, the doctor said that he was too old and weak to undergo chemotherapy. He was given only 6 months to live. Mr. Tan's daughter, Alice, was desperate to find something to help her father. One day, a friend told her about RESERVE™ and how its key ingredient, resveratrol, can help fight cancer. After reading up on resveratrol, Alice was eager to try RESERVE™ on her father. Alice was living in Australia, while her father lived in Malaysia, and RESERVE™ had just been launched by Jeunesse in the US market. Thankfully, Jeunesse adopts a global approach to its business and despite RESERVE™ not being available in Australia or Malaysia at that time, Alice was still able to create an account with Jeunesse on line, order RESERVE™ and have it shipped to her father in Malaysia from out of the United States. Today, **thanks to RESERVE™, Mr. Tan is cancer free and enjoying life as a healthy man.**

The test results below show decreases over time in his cancer markers (PSA or prostate specific antigen), after he started taking RESERVE™. PSA is a protein produced by prostate gland cells. PSA is found in high levels in men with prostate cancer and is used to monitor the progression of prostate cancer.

The amazing results you read and watch above and many more down the page are the results of **RESERVE™** Antioxidant Fruit Gel Blend below **the world's most powerful fruits and extracts compacted into a daily gel pack.**

Using age defying technology, Jeunesse® Global brings you the most youth promoting supplement available. **RESERVE™** delivers high doses of resveratrol in a highly bio available gel form, making it up to 200 times more absorbable than encapsulated products. Let me know how I can help you, please contact me

Here is a **colorectal cancer** testimonial. He went through the surgery and decided to consume Reserve which helped greatly in his recovery.

RESERVE: Colorectal Cancer Testimonial

James Huang 黃若望 生命見證

2011年，當我剛預防世身健康檢查時，經過醫生提醒，我得知「大腸癌」時，全家都震驚了，自己也無法接受，甚至不斷問自己「怎麼是它」。

接受主治醫生的建議，住院開刀動手術，手術順利，身上多了6個小傷口，大腸切除了10公分。當醫生告之排氣才可食用流質性的食物時，我決定大量服用清血解毒，一天6包，二天後，發現傷口結疤癒合的速度驚人，體力的恢復實好，住院7天後就出院，並且可以開車回家！即開上藥。

感謝維斯公司生產高科技的產品，讓我從前以健康，每3個月回診檢查癌細胞指數，完全正常。醫生讚美我的身體狀況，比常人正常。二年多了，我完全沒有異狀，胃口也很好。

因為產品好，我已經幫助了許多的病友，找回自信，恢復並不可怕，重要的是，正確它，面對它，尋求可以使身體得到積極性的體質的方法。

我很樂意用我的生命來做見證，也期望大家來重視健康，熱愛生命，使用好的方法，好的產品，讓更多的人健康。

照片 黃若望本人

I have **multiple sclerosis for 13 years**. Over these years I have many attacks causing me to be paralyzed, wheelchair bound, blind on one eye & multiple disabilities. In May 2011, I went for chemo treatment to stabilize my condition. After the treatment, I was weak & frail.

I have multiple sclerosis for 13 years. Over these years I have many attacks causing me to be paralysed, wheelchair-bound, blind on one eye & multiple disabilities. In May 2011, I went for chemo treatment to stabilise my condition. After the treatment, I was weak & frail.

During that time I was introduced to Jeunesse Global, I wasn't expecting much, thinking that it was just another product. Surprisingly, I started to have more energy, get stronger & recover faster!

My walking and bladder control are back to normal & damaged brain tissues have fully recovered. I decided to share the products & opportunity to everyone.

Today Jeunesse have given me & my dad back our health, my wife & mum became prettier & younger and also passive income into my bank account everyday.

Thank You Jeunesse Global!!! - Alvin Phua

This lady was **suffering from skin cancer on her face.**

Her doctor advised her that going through chemotherapy may blind her. She got to know of RESERVE™ and took 9 packs a day. Within just 2 months, she had **started to recover from her skin cancer.** Doesn't she look great now?

RESERVE SAVES 1.5 YEAR OLD BABY.

This 1,5 year old baby was diagnosed with liver cancer in September 2014.

It started with a bloated stomach and to the parents' horror and disbelief, he was diagnosed of the dreaded illness. At such a tender age, the baby had to undergo chemotherapy and completed the sessions on 26 Nov 2014. His hair dropped and was so weak that he couldn't even stand. After his operation on 16 Dec 2014, his body developed chicken pox. This was a life threatening stage and was forewarned by the doctor. The parents searched frantically for alternative medicine to save their baby...and found RESERVE. He was fed 2 sachet RESERVE a day. after 2 months, the baby regained his strength and could finally drink milk without vomiting. He is recovering well. Thank God for the miracle recovery . God bless.

RESERVE治疗了一岁半宝宝的肝癌!

我们不信神话 只相信科学!

想了很久，今天我想和大家分享我的故事。这是我家二儿子，两岁。一岁六个月的时候，把爸爸妈妈吓坏了。孩子很不幸的在今年9月患了肝癌。肝癌不是很多人才一歲多的孩子得了肝癌。當時我的心情真的沖出雲霄，每天一睡醒，為什麼這樣對我的孩子，他做錯了什麼要這樣折磨他，哭了一星期，最後還是事實。之後醫生說，要切掉他腹部下的一條管子，因此他睡進了手術室，連續進行了化療，化療過程要打8支藥，1支藥進身體要24小時，如果沒有什麼可能還會出血，痛到死亡。從他9月做就一直來到醫院，一個月就瘦了3個星期，都在醫院度過，有時候他輸血到不哭，也沒有睡過，曾經在醫院度過，不哭就是血不與他見面，小小的他慢慢的瘦，慢慢的瘦，連頭髮、皮膚顏色都暗了，嘔吐，腳這力連站都不行。之後在醫院上面看見了Reserve。我不相信他那麼的辛苦，一直血不與他見面，他包著一條希望，買了Reserve，他和他見面，真的連醫生都不相信他的血沒有少，他也有力，他也有精神，也要站著，他也要走路了，甚至化療時候也少吐了，而且精神了很多。Reserve真的幫他很多。在26/11好不容易做完化療過程，等待16/12可以開刀了。結果出了水痘，水痘生到全身上下都是，因為不是普通的孩子，又剛做完化療的藥，所以毒素全部都被散發出，醫生說他比小孩比一般小孩出水痘的更加嚴重，甚至會死亡。現在我堅持給他一天兩包Reserve，現在為止也好很多了，比較有胃口開胃了，也有精神很多了，呵呵，今天還和他笑談，謝謝，愛你，雖然講話不乖啦。有人告訴我，好的東西，你自己會看見效果，我看見他睡得好，精神好，謝謝Reserve，謝謝遇見你。

Before taking **RESERVE™** (3 arteries blocked, 2 x 100%, 1 x 80% blocked).

After taking **RESERVE™** for 6 weeks (2 arteries with 100% earlier blockage totally cleared, 1 artery remained 30% blocked)

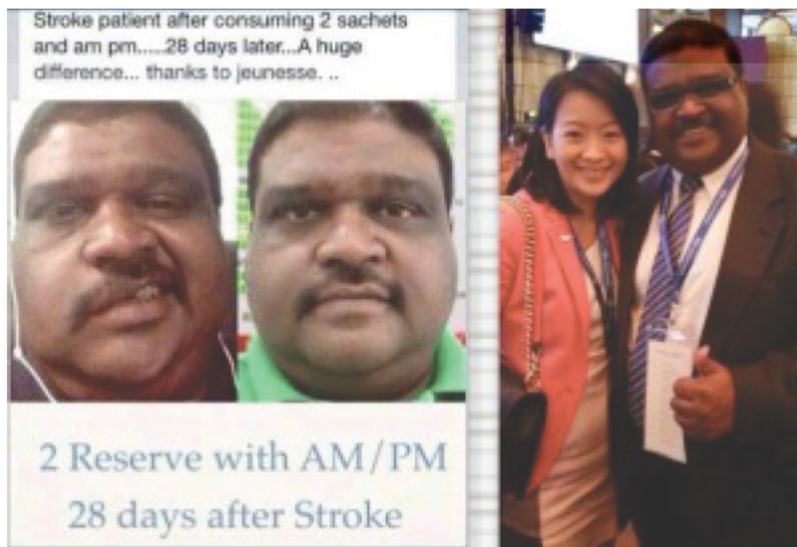

Thyroid healed

A breast cancer patient.

She took 3 packs RESERVE™ daily in hopes of curing her cancer. Her cancer markers reduced from 45 to 35 within 2 months, and subsequently reduced to 11 in the third month.

Stroke patient after consuming 2 sachets of RESERVE™ and AM PM....28 days later....A huge difference... thanks to Jeunesse

RESERVE™ is a unique botanical blend of antioxidants, anthocyanins, and essential fatty acids with restorative powers that will supercharge your health and assist you in delaying premature aging. Reserve & Luminesce Improve my life!! Less than 2 months, I managed to **shed 4kg** without the hassle to pop pills or replace my meals with protein shakes! I love the Reserve gel packs Reserve gel packs are convenient to carry about & they taste so good! Even my kids love them! I used to have sleeping problems until I was introduced to Jeunesse's Nutrigen AM.PM supplements!

I am thankful that this CAMS (Cellular Age Management System) products have enabled me to **sleep like a baby**! I also love the Luminesce range of product especially the cellular rejuvenation serum! My **skin is getting smoother, radiant** and I can **feel I am looking and feeling younger**! People couldn't believe I'm a mother of two boys aged 8 and 10! I am a very happy and satisfied customer of Juenesse awesome products!

After taking 1 packet of **RESERVE™** from April 2014. Jean waist line from size 36 (cannot button) **slim** to jean size 33 34.

Suffered from Iron Deficiency Anemia for 7 years. Recovered after taking 2 packets of **RESERVE™** per day for 5 weeks.

RESERVE Testimonial - Iron Deficiency Anemia

Age: 59 years old

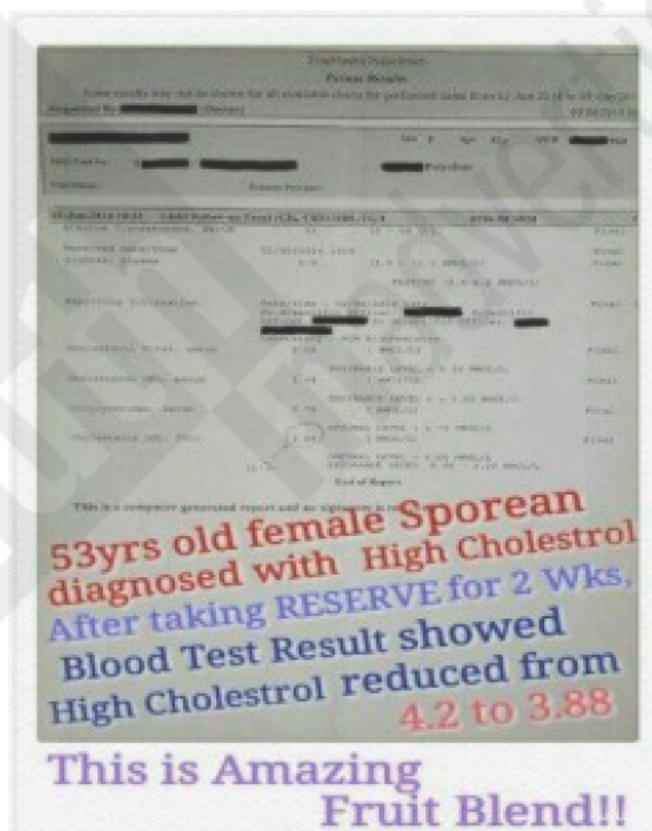

Background: Suffering from gout for 15 years. First year 2 attacks, second year 4 attacks. Subsequently every month attack.

Testimony on Reserve:

- First 2 weeks: 6 packets a day
- After first week of consuming Reserve, tried lump chop and rejak.
- After second week of consuming Reserve, tried beer and duck meat.
- On week 3, 4 packets a day for the next 1 month.
- Now, maintaining at 2 - 3 packets a day.
- So far no attack and showed significant improvement.

53 years old female Singaporean diagnosed with **high cholesterol**. After taking **RESERVE™** for 2 weeks, blood test result showed high cholesterol reduced from 4.2 to 3.88

Ah Hin owns an aluminum shop has **Thyroid**.

Initially he was very skeptical. 1 box **RESERVE™** took him 2 months to finish but when he went for routine

check up, the doctor asked if he was feeling better & breath better. He said; "Yes". The doctor smiled and said; "what are you taking? **Your Thyroid reading was always around 10.0 mark but has gone down to 6.0!**" He was so happy 😊 Still consuming 1 packet a day...

Let's communicate, I like to know what you think about this product?

Her name is Grace Lim. She was suffering from **Asthma** and was visiting the hospital frequently.

But after taking **RESERVE™** for about 3 months, she no longer have to visit the hospital & she does not require medication & inhaler any more. Her hand previously was always bleeding & she has to constantly put plaster to stop the blood. Now, her hand and face is radiant and glowing. No more plaster needed!

I have serious **leg cramps during sleep, numb fingers and stiff knee.**

I started to take **RESERVE™** at the end of April 2014. Presently, my cramps no more, fingers normal and my knee more flexible. Jeunesse reserve had help me in my everyday activity with confidence.

My son was diagnosed with **Nail Psoriasis**.

As per doctor advice from National Skin Centre, Nail psoriasis is typically very difficult to treat. Treatment options are somewhat limited and include potent topical steroids applied at the nail base cuticle, injected of steroids at the nail base cuticle. There wasn't any cure on these disease. At that time, I was so worried and therefore, I tried applying **RESERVE™** onto his Finger Nails. Amazingly, I could see an improvement after applying the **RESERVE™** twice a day for 2 weeks. Thank you to Jeunesse!

An Indonesia helper's experience of **RESERVE™**

An Indonesian helper's experience of Reserve.

I can tell you that the hand belongs to my son who had a nasty accident at work. It was horrible and very upsetting to see your child hurt like that. He had 30 stitches. He started using the Jeunesse on it and I was shocked as how it started healing his hand. It shocked him too. lol. I just can't say enough about this amazing product.

Luminesce™ amazing results

These are my results after 30 days of using Luminesce™ twice a day. As you can see, all dark spots are clearing.

“These are my results after 30 days of using LUMINESCE™ twice a day. As you can see, all dark spots are clearing..”

— Josephine Makobane, South Africa

Luminesce™ amazing results. After using for 6 weeks, on half side of his face, see the difference!

This lady has been struggling with acne for year and has significant scars from the acne.

Vicky's sister Amor has been struggling with acne for years and has significant scars from the acne. She decided to try the Jeunesse Luminesce Rejuvenating Serum hoping it would help with heal the acne. For the first few weeks, her acne seemed to get worse and she panicked a little, but she believed that her body was just detoxifying and stuck with it. She's glad she did. After 1 month, her results are remarkable.

What Types of Cancer Might Resveratrol Fight?

Currently, studies are underway to determine the specific types of cancer resveratrol fights as well as the effective dosages and methods of administration (e.g. oral, intravenous, or topical) for each type of cancer. Solid evidence from studies already completed, however, reveal resveratrol's promise in fighting cancer. Below are some of the types of cancer resveratrol might fight:

- Pancreatic Cancer
- Breast Cancer
- Lung Cancer
- Prostate Cancer
- Skin Cancer
- Leukemia & Other Blood Cancers

Grey hair turn black. Grandpa is 71 years old this year. He started taking reserve since end of 2012, 8 months later his grey hair started turning black. **His health has improved too.** Isn't Reserve amazing?

TESTIMONY ON RESERVE

This testimony/sharing is from one of my Jeunesse business partner.

Mum is a diabetic and her toe was swelling and darkening in colour. She was hurting a lot when wearing her shoes and sandals.

Another problem was numbness on her hands. She couldn't button her own top because she can't feel her fingers.

Mum started on Reserve 1st December 2014 - 1 sachet a day. Now all is well after 2 months.

Numbness gone on her hands. Swell has gone down and colour is back to normal on her toe as per pic on 1st February 2015.

Real People with Real Results

Reserve is good for your skin and health - prevention from diseases

My eczema lived with it for 12 years. No cure from western doctors or tcm. Cured by drinking reserve for just 2 months

Testimonial from Andrew Tan "My eczema. Lived with it for 12 years. No cure from western doctors or tcm. Cured by drinking reserve for just 2 months"

I took RESERVE for 3 months 2-3 gel packs daily. I had endometriosis 2.5cm in diameter from almost 10 plus

years, took contraceptive pills and it never help. After 3 months of Reserve, the blood cyst totally disappear.

I was diagnosed with fibromyalgia 5 years ago. I have struggled daily with pain, depression, and feeling incredibly drained! I take medications daily with little to no relief. I have tried MANY supplements and diet changes ad had yet to find anything to help. I happened to be in a flare when I received my products and tried Reserve. After day 2 my pain level dropped significantly and I felt better than I had in years! It hasn't cured me but it is such a blessing for me to finally have days that I actually feel "normal"! I truly believe in Reserve ! I tell EVERYONE about it! (My favorite supplement).

Fibromyalgia?
This is what Reserve has done for me!

I was diagnosed with fibromyalgia 5 years ago. I have struggled daily with pain, depression, and feeling incredibly drained! I take medications daily with little to no relief. I have tried **MANY** supplements and diet changes and had yet to find anything to help. I happened to be in a flare when I received my products and tried Reserve. After day 2 my pain level dropped significantly and I felt better than I have in years! It hasn't cured me but it is such a blessing for me to finally have days that I actually feel "normal"! I truly believe in Reserve!! I tell **EVERYONE** about it! (My favorite supplement)

-Nadia Hulsey Glisson, Hot Springs, AR

*Reserve is not a cure for Fibromyalgia and may not relieve pain for you in the way it has for Nadia, as everyone reacts differently to supplements.

It's a awesome product. My neighbour who is bedridden and the doctor says 95% of her kidney fails. I gave her a box of reserve to try. And after consuming the whole box of Reserve, she is suppose to go back to

insert more dialysis tube, but to her surprise, the doctor says her kidney is working and even removed the dialysis tube from her neck, she says her feet used to be very cold, but now it warms back and her diabetic wound is healing well and is now walking with a cane. She taking 3 sachets of reserve a day.

My friend Maxine, used to do dialysis. She took for two months. When she went to the doctors. she said his mouth hit the floor. Her kidney had reverted to a younger age and healed itself. She no longer needed dialysis. What a great feeling to help such a great lady.

Joyce Lee is an **Acute Leukemia patient from Malaysia**.

This is what Joyce say: " **Resveratrol in Reserve fruit blend has create miracle and save my life**"!

Before this, she has been tried taking many different drugs and health supplement without much improvement and benefit.

It was until she start taking Reserve fruit blend recommended by her friend.

Barely 2 weeks into taking Reserve fruit blend, both her red and white blood cells has went back to normal healthy level!!

She continue taking Reserve fruit blend when she went through the Chemo Therapy as part of her leukemia treatment. It is surprising in **helping her prevent many side effect of the Chemo therapy treatment** such as vomiting and many other side effects.

"I really love Reserve fruit blend" Joyce Lee.

化疗期间我坚持服用RESERVE, 它帮助我减轻很多副作用...没有严重呕吐, 没有太多化疗时应该有的反应...RESERVE 就是这么牛, 我大爱RESERVE ❤️

Leukemia Testimonial from Malaysia

This is what Joyce say

" **Resveratrol in RESERVE™ fruit blend has create miracle and save my life**"!

Before this, she has been tried taking many different drugs and health supplement without much improvement and benefit.

It was until she start taking **RESERVE™ fruit blend** recommended by her friend. Barely 2 weeks into taking **RESERVE™ fruit blend**, both her red and white blood cells has went back to normal healthy level!!

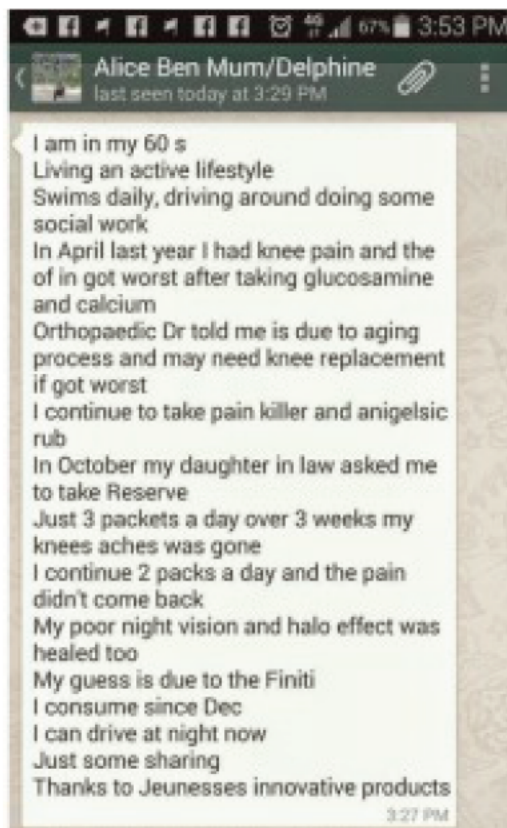

She continue taking **RESERVE™ fruit blend** when she went through the Chemo Therapy as part of her leukemia treatment. It is surprising in helping her prevent many side effect of the Chemo therapy treatment such as vomiting and many other side effects.

"I really love **RESERVE™ fruit blend**" Joyce Lee.

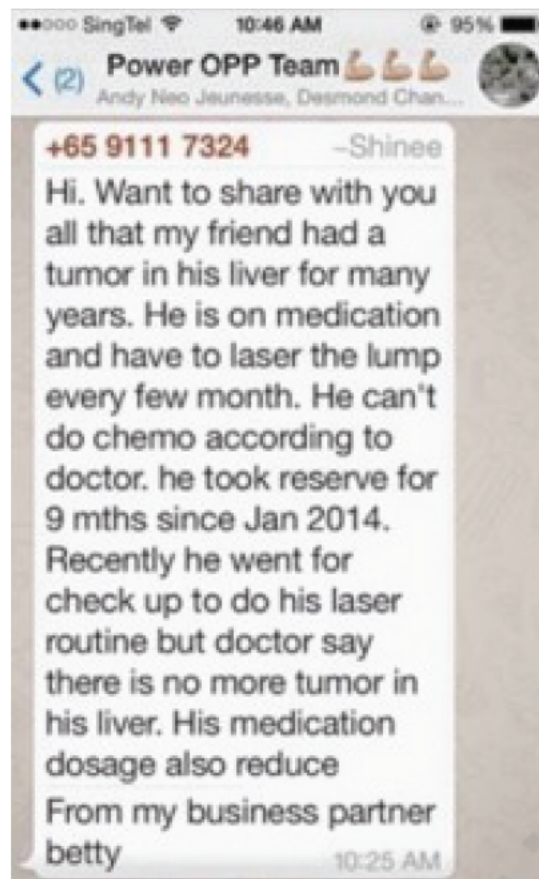

I am in my 60s. Living an active lifestyle. Swim daily, driving round doing some social work. In April last year I had **knee pain** and it got worse after taking glucosamine and calcium. Orthopaedic Dr told me is due to aging process and may need knee replacement if got worse. I continue to take pain killer and anigelsic rub.

In October my daughter in law asked me to take Reserve. Just **3 packets a day over 3 weeks my knees aches was gone**. I continue 2 packs a day and the pain didn't come back. My **poor night vision and halo effect was healed** too. My guess is due to the Finiti I consume since Dec. I can drive at night now. Just some sharing. Thanks to Jeunesse innovative products

Hi. Want to share with you all that my friend had a tumor in his liver for many years. He is on medication and have to laser the lump every few month. He can't do chemo according to doctor.

He took reserve for 9 months since Jan 2014. Recently he went for check up to do his laser routine but doctor say there is no tumor in his liver. His medication dosage also reduce.

I am **Lupus Erythematosus** (SLE) patient, **I got the disease for 14 years**. My skin red dot for so many years and finally disappear. Every day I just take a pack Reserve and after shower apply this Essential Body Renewal, my skin problems finally resolved, and my lupus erythematosus (SLE) also recovered. I am very happy. Thank you for this Jeunesse product...

Reserve and Body Renewal for Lupus

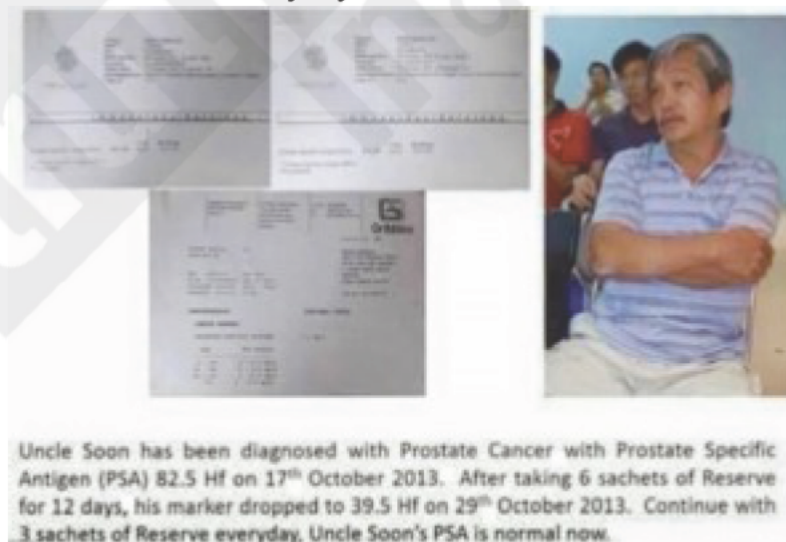

Mr Chua, a Zhiweidoushu Astrologer, was suffering from **Parkinson's disease** for the last 7 years. His body was stiffened to the point of not being able to move and was bedridden. He could only blinked his eyes to communicate with people.

After he was given **3 sackets of Jeunesse Reserve** daily for 2 weeks, he was **abe to get up and move around**. It is really a miracle!

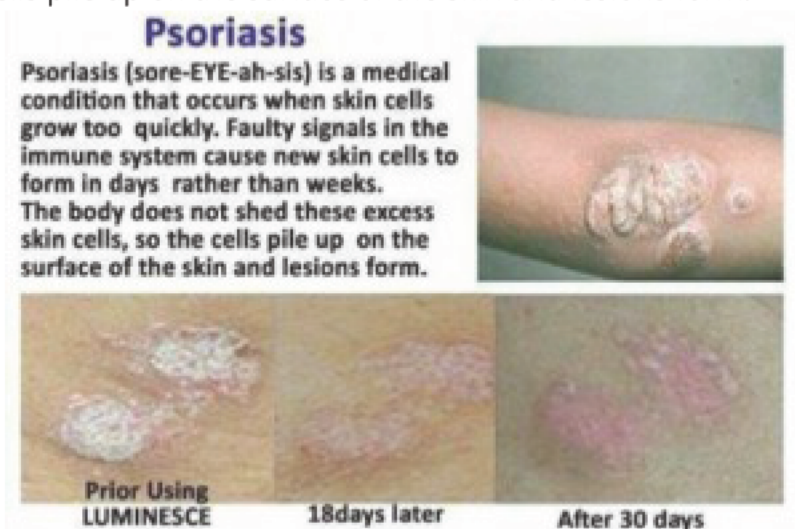

Uncle Soon has been diagnosed with **Prostate Cancer** with Prostate Specific Antigen (PSA) 82.5 Hf on 17th October 2013. After taking 6 sachets of Reserve for 12 days, his marker dropped to 39.5 Hf on 29th October 2013. Continue with 3 sachets of Reserve everyday, Uncle Soon's PSA is normal now.

Psoriasis (sore Eye ah sis) is a medical condition that occurs when skin cells grow too quickly. Faulty signals in

the immune system cause new skin cells to form in days rather than weeks. The body does not shed these excess skin cells, so the cells pile up on the surface of the skin and lesions form.

Reserve saves my Life!

Lung cancer 4th stage and go through chemotherapy 36 times.

Stop going to chemotherapy. Took 4 packets a day after 1 month go for check up and found no tumour.
