A red flag goes up when all the ingredients aren't indicated. Show entire bottle packaging. I will never purchase a product without knowing fully what it contains.

★★★★☆ **Geniux Brain supplement**

By [rae hernandez](#) on June 27, 2015

I had a bad experience with this product. After two days of taking this I began to lose my balance if waking from sleep or standing up. I stopped for a week, my equilibrium returned to normal. I then tried the pills again and I had the same experience. I now have not taken it anymore.
